## 1. Introduction

- Foundational Principles of Biblical Prosperity
- Scripture Reference: Psalm 1:1-5
- Content: The foundation is key to what you build upon. Biblical prosperity begins with a solid foundation anchored in biblical principles. A mindset shift from a Gentile perspective to a completed understanding of Judaism, which is Apostolic Pentecostal Christianity, is essential. Jesus is Jehovah manifested in the flesh, and we must develop a healthy biblical concept of stewardship and prosperity, avoiding the thinking patterns of the Gentiles (Matthew 6:31-33).

## 2. Seeking the Source of Wealth and Blessings

- Scripture Reference: James 1:17
- Content: We seek the source of all wealth and blessings that come from the Father of Lights. The Lord Jesus Christ is the Light of the World. Our motives matter; we must examine why we desire wealth and prosperity.
- Scripture References:
  - Proverbs 3:5-10: Trust in the Lord with all your heart.
  - Philippians 4:19: God will supply all your needs.
  - Malachi 3:7-10: The importance of paying tithes and offerings.

### 3. The Law of Prosperity

- Pay Your Tithes and Offerings
- Scripture References:
  - Numbers 18:31: Instructions on paying tithes.
  - Luke 6:38: Give, and it shall be given unto you.
  - Content: The law of reciprocity and sowing and reaping (2 Corinthians 9:6) emphasizes the power of the seed sown into good soil. The financial plan is established from Genesis, where Abraham and Levi paid tithes (Genesis 14, Genesis 28) and Jacob paid a tenth as a first fruit of his gross earnings.

### 4. Breaking Negative Mindsets

- Scripture References:
  - John 3:5: The necessity of being born of water and spirit.
  - Acts 2:38: The call to repentance and baptism.
  - Content: Many have been caught in a negative mindset and cycle. Breaking free through the new birth is essential. As sons and daughters of Abraham, we are in a blood covenant and have the divine right to the birthright blessings (Genesis 12:1-3; Galatians 3:13-14).

### 5. The True Israel of God

- Content: The Apostolic Pentecostal Church

represents the true blood covenant children of God. On the day of Pentecost, the true Israelites were born—the Church of the Living God. We are the true Jews inwardly through baptism in the Holy Ghost and fire, with the evidence of speaking in tongues and water baptism in Jesus' name.

- Scripture References:
- Deuteronomy 8:18: God gives us the power to get wealth through the Abrahamic covenant.

## 6. The Tithe and Offerings: A Divine Requirement

- Content: The tithe is not optional; it is a requirement according to God's laws. The Jewish term for charity is צדקה (Tzedakah), which means righteousness or justice, emphasizing the obligation to give.
- Sages and Rabbi Commentary: The sages teach that tithing reflects one's commitment to God and His work. It is a recognition of God's provision and a means to support the community and the work of the ministry.
- Scripture References:
- Matthew 6:33: Seek first the kingdom of God.
- Genesis 4: The story of Cain and Abel illustrates the importance of bringing a blood covenant offering.

## 7. Supernatural Blessings and Stewardship

- Content: Supernatural blessings cannot come until one proves to be a good steward. The New Testament contains many teachings from Jesus on stewardship, emphasizing the importance of being faithful with what we have.

- Scripture References:

- Galatians 6:1-4: Bear one another's burdens and fulfill the law of Christ.

## 8. Kingdom Mindset for Savings and Investments

- Content: We need an Apostolic Pentecostal Kingdom mindset that prioritizes savings and investments for the Kingdom. This includes being intentional about networking with kingdom-minded Apostolic Pentecostal men.

- Scripture Reference: Deuteronomy 28:1-10:  
The blessings that come from obedience to God's commandments.

## 9. The 12 Principles of Prosperity According to Jewish Sages and Rabbis

- Content: Here are the 12 principles that the sages teach regarding wealth and prosperity in the Old Testament, emphasizing the importance of tithing, offerings, and stewardship:

### 1. The Law of the First Fruits: Giving the first and

best to God.

2. The Law of the Tithe: A commitment to give a tenth of one's income.

3. The Law of Generosity: Being open-handed and generous toward others.

4. The Law of the Harvest: Reaping what you sow.

5. The Law of the Jubilee: Restoring what has been lost and forgiving debts.

6. The Law of Blessings for Obedience: Prosperity as a reward for following God's commands.

7. The Law of Stewardship: Managing resources wisely for God's glory.

8. The Law of Investment: Investing wisely for future returns.

9. The Law of Contentment: Finding satisfaction in what God provides.

10. The Law of Accountability: Being responsible for how we manage our resources.

11. The Law of Community Support: Supporting the needs of the community.

12. The Law of Divine Providence: Trusting God to provide for our needs.

- Rabbi Commentary: The sages emphasize that wealth is a tool to fulfill God's purposes, and

prosperity should be viewed as a means to serve others and advance God's Kingdom.

## 10. David's Offering for the Temple

- Content: King David gave a substantial offering for the building of the temple, which included gold, silver, bronze, iron, and precious stones.
- Scripture Reference: 1 Chronicles 29:3-5
- Content: David gave over 100,000 talents of gold and 1,000,000 talents of silver. In today's terms, this offering could be estimated to be in the billions of dollars, showcasing the magnitude of his commitment to God's work.

## 11. The Spirit's Empowerment and Generosity of the Israelites

- Scripture Reference: Exodus 36:5-7
- Content: When the Spirit came upon the Israelites, they brought so much to the building of the tabernacle that Moses had to turn them away. This demonstrates that in the community of Jehovah's Church, which is the Lord Jesus Christ, the resources are abundant in the Kingdom of God.
- Content: Other notable figures who gave large amounts for the temple include:
  - Solomon: Used immense resources to build the temple (1 Kings 6).

- The Israelites: Contributed willingly and abundantly (Exodus 35:21-29).

## 12. The Early Church's Generosity

- Scripture Reference: Acts 2:42-47
- Content: The early Church exemplified generosity by sharing their possessions, selling houses and lands, and meeting the needs of the community of the Lord Jesus Christ. They laid gold and silver at the apostles' feet to fund the work of God. This shows that it's not about how much you give, but how much you have left over that indicates your true commitment.
- Scripture Reference: Matthew 19:21: Jesus told the young rich ruler to give all he had away and come follow Him, but he went away sorrowful because he had great wealth.
