**By Rev. Gabriel Reynolds**

# **“The Trail Left By A Lion”**

## **(And The High Altitude Of A Eagle)**

**They say the Eagle is the king of the bird kingdom and a Lion is the king of the animal kingdom. In the Bible, Genesis 1:26-31 tells us that God made man in his own image, and he gave man dominion over every beast, bird, every living thing on Earth, every tree, every plant, every fish in the sea, and everything in between.**

**Hello, my name is Gabriel Reynolds and I will be writing about who we are and our purpose in life, besides work and paying bills. Life is a whole lot more than that. I will talk about salvation and the depths and levels of prayer. I will write about my testimonies and the testimonies of other inspiring people.**

**I will talk about dreams, visions, and prophecies about the depths of the Supernatural and the Holy Ghost and what it means, and how important it is to have it. I will also talk about Leadership and about who God is. I Am Apostolic And Here's Why.**

**I am a Apostolic Evangelist.  
Many of you know my first book (When Brokenness Has A Voice)  
This story is a testimony of a my life. This nest story I will write about is a story of my life as well. You will see similar things of my first book and you read more of what God has done for me as recent events has accrued. There were ups and downs but through it all God brought me through it.**

## **Chapter 1. (The Apostolic Harbor Crusade)**

**I wrote this in Lufkin Texas in honor of Elder RA. Hancock. Many things too place my time there good and bad. I talk more about my experience there the good things and the hurtful things and how I got through it.**

**“Memorial Of Elder RA. Hancock.”**

**An old Harbor was built. A shelter for ships that were out on the sea an old light house was built shining a light in the darkness so the ships can come dock.**

**Every sailor have situations that happens out on see the Captain goes out on deck and begins to watch his crewmen work the ship then Suddenly a shout from the crows nest. Sail ahead! Sail ahead!**

**The captain walks to the front of the ship with his first mate and looks through his scope and sees a ship he recognized and he says to the first mate. Look yonder there is our Allie**

**they are raising up the enemy flags blow them out of the water! We cannot divert from our path!**

**They fired a warning shot the shot hit the water far from the enemy ship they fired the second warning shot cause the ship kept coming the enemy kept coming and fired back so the third shot met it's mark they blowed the enemy ship out of the water but it was not without consequences they took damage on their ship. It wasn't a good thing it was dire that they find refuge.**

**The captain looked at the damage then looked at the sea that was dark because night as fallen then he saw the flicker of a light he look through the scope and saw the old light house he said to his first mate. Look yonder look yonder there's the light house beyond the light house is the Harbor where we find refuge and we can fix our ship.**

**We are as ships sailing out on the sea the church is the Harbor and the Pastors Preachers and Evangelist are the light House if you please trying to shine Gods light out in the darkness of the sea so the ships will not sink.**

**Things creep up in your walk with God and try's to destroy you and hurt you so you fight no matter if it was your Allie with enemy flags you fought and took on damage but you cannot stay out on sea seek the light from the light house and sail towards the Harbor!**

**Talk to your pastor hear the words of the preacher and evangelist recover in the Harbor! The church is the Harbor Where you have refuge reinforcements restoration it's the House of God!  
The Light House is Jesus Shining through the Men of God dedicated and sound in the Word of God!**

**Don't stray too far in the darkness that you cannot see the Light House and get back to the Harbor!**

**Go out preachers pastors evangelists we are the Apostolic Harbor Crusade. We are the voice in the darkness the Light House Saints go get your life boats there's some recked ships that that has souls that need saving that needs to be brought to the Harbor!**

**What are we doing coast guard what do you see? I see people in the water holding on to pieces of the ship what are you doing coast guard go get the people bring them to the Harbor!**

**We Apostolic's must make it our business to pull the souls out of the drowning darkness and bring them to the light and when we get damaged or wounded hurt we must go to the church and the preachers elders in God and recover get reinforcements and restored and let God take over us and heal us and let his light shine through us. We get damaged at times weary but if we wait on the Lord he renew our strength.**

## **Chapter 2: (The Tragedy Of A Broken And Wounded Soul)**

**I preached this at a church. Felt the urgency of the message. I been that person with a wounded and broken spirit and it was distraught. I got to the point where one wrong word I blew up my attitude was out of hand. I would get so mad and upset to the point I would throw stuff throw a knife in the walls of a house I was in.**

**I was miserable very unhappy the place I was at that point and time had no love for people they was not a hospital for the wounded they wasn't even a church but a cult and a abortion clinic.**

**I watched many good people hungry people get so bitter so mad and angry and walked out of the church and to this day never walked back in the doors of the church. I'm not talking about one or two that wouldn't line up to the pastors standards I'm talking bout well over a thousand souls. In Acts 2 five thousand were added to the church. The place where I was five thousand fled from that church.**

**I myself almost got to the place where I was so angry and upset and mad and bitter. Like I said in my other book God would give me a message to preach and I would cry over it. Then get mad and ask God why are you giving me this I'm so bitter I cannot preach.**

**But God opened my eyes and help me see the truth of the situation I was in and God made away of escape for me but I was wounded my spirit was wounded and broken.**

**Proverbs 17:22 KJV**

**[22] A merry heart doeth good like a medicine: but a broken spirit drieth the bones.**

**A broken spirit dries up the bones it makes you cold and your heart stony! Oh yes it matters what words you say!**

**If the little ears and eyes sees and hears you flip flop about someone if they hear how you Praise them or let them know how much of a good person minister of teacher that person is to their face. And when they walk away you begin to trash that person and the little ears and little eyes hear and see your anger and your wrath upon them and how you was two faced towards them.**

**Something builds in their hearts. They began to question and wonder and even wonder about you. You will be surprised about what they see and hear and know but your act effects their act and character they don't know how to truly Live someone they are kind to their face or why the are getting something from them then when they move on their love is now hate.**

**You got to be careful of the things you say and do cause the next generation are going to do the same things greater then you.**

**Yet when they see the truth and the confusion floods in and they are unsure of the truth the hurt and the wounds of the spirit begins to dry them up and they get hard as a stone in their heart and cold towards people and they find it's easier and better to hate and be numb then to be open and able to feel.**

**They have been hurt so bad because over the years your hate and bitterness towards others corrupted their minds and hearts in the way they see things. They have become as the Bible would say a twofold child of hell as you are.**

**On the other side of the coin what you say to your brother if it is full of knives and swords and pain and hurt and negativity you are filling their cup up with corruption. Instead of Gods Love and grace and hope and Joy.**

**Negative bitter talk can do more damage to others then one can realize it can even hurt them physically.**

**It is mental and physical and spiritual abuse all in one and it can wound your brother or sister! That's why it is important to be careful what kind of words you are saying to kids adults and the church!**

**If you are up preaching and swords and knives are coming out of your mouth and you are preaching angry and bitter you yourself may have a wounded spirit and if you don't get ahold of yourself and get that out you will wound someone else's spirit and hurt them and dry them up!**

**What are you saying to your friends your family your kids your church your youth group?**

**Watch what you say!**

## **Chapter 3. (When Brothers Become Strangers)**

**Sting of betrayal is a knife in the back. But the stripes on his back healed us. And His soothing hand removes our pain.**

**You never stood in that man's shoes or saw things through his eyes or stood and watched with helpless hands while the heart inside you dies.**

**So help your brother along the way no matter how he starts cause the same God that made you made him to.**

**A good man posted the following  
You can't leave those who have created the problem in charge of the solution!**

**It is a great quote in its intended target and one of the best I as well, have seen!**

**I know the intended political ramifications of his post, and TOTALLY agree. But at this early hour I find myself troubled about the more spiritual tenets of the same truth posted. Gets a little deep here my friend!  
When Brothers Become Strangers!**

**Obadiah 1:10  
For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever.**

**Again, I know completely this is not the intent of my friends post, but just thought I'd make an addendum to it.**

**God help me to not be the problem even when I can't control the solution!**

**(Gods Toughest Soldiers)**

**Hey friend I cannot say that I know how you feel or what your going through cause I have no idea.**

**But I do understand the hurt in a way cause I faced it many times.**

**Sometimes the Question comes did I mess up did I make the right decision or am I Being punished? But the truth is hard things happens and people are not what they seem. And it's a test will we break or will we remake into something stronger better.**

**Gods toughest soldiers!**  
**You went through a lot but you held up yes you must get your life in order like you said. But I want you to know that your strong and your faithful and God is proud of you and you are one of Gods toughest soldiers.**

**Just keep your head up and know that there's a church family and a Pastor and my sister Memory and the rest of us that claims you as family family if that makes sense and we all are rooting for you.**

**Know that you belong to God and you are his and no one can pluck you out of his hands.**  
**Be strong and keep fighting.**

**Thomas Edison said "I didn't fail 1,000 times. The light bulb was an invention of 1,000 steps."**

**Get back up walk step by step by step. Press through! No matter who laughs! No matter who mocks! No matter who Says Your Crazy stupid or evil But keep walking with God.**

**Trouble comes to everyone but we can't let our mind's focus on how big the problem is but look at how big our God is and he will make a way for us wile we see no hope.**

**Sometimes we go through hell and it overwhelms us one man says it's life and life sucks. My Pastor says it's life and life more abundantly. It seems we never get a break.**

**But we will not stay in this dilemma you need to tell yourself another's that this situation you see me in and I'm coming out of there.**

**"I Will Not Die In My Dilemma  
My Destiny Is Greater Than My Disaster"**

**My Destiny In Greater then my problems my problems is just getting me ready for my promise!**

**Despite Of What You See I'm Coming Out OF This.**

**I am coming out of the hard times and struggles and trials I'm not staying in this storm forever the storm will pass! Im coming out of there.**

**God Knows Where Your At And He Can Fix Your Problem The Fact That He Hasn't Frustrates Your Faith Sometimes But God Will Fix It But It Be In His Time.**

**You just got to trust in him and lean not on your own confidence you got to acknowledge God, and let him direct your paths.**

**Lean not on your own understanding things happen you never understand and you go on your paths and it keep getting darker but don't stop going Forward.**

**When you're going through hell keep on going**

**Don't slow down if you're scared don't show it  
You will come out not smelling like Smoke.**

**I said When you're going through hell keep on moving  
Face that fire, walk right through it You will come out not smelling like smoke.**

## **(The Ghost Fleet Of Pentecost)**

**You call yourself an Apostolic preacher, called to preach the Gospel to every creature and you don't pray, you are a walking fraud.**

**You are a hypocrite. You have no right to be in any position of Apostolic leadership if you don't pray. Especially as pastors. When you are to be building a house of prayer in every city and make it a center of victory for every dope addict. And every dysfunctional family. You cannot lead people to where you have not been. What you plead from the pulpit, you got to example and demonstrate in your own private life or you are a hypocrite. So you are a preacher is that right? Only when you come from the presence of God can you lead people into the presence of God.**

**A fleet is usually a large group of ships, but it can be any group of vessels like planes or cars that operate as a unit. A naval fleet is the largest formation of warships. A naval fleet at sea is like an army on land.**

**A crew of men an army of every nation under one banner.**

**A fleet of ships and subs on sea.  
A fleet of tanks and army trucks green tan and brown on the ground. A fleet of plans jets and helicopters in the are.**

**A army was rising up.**

**As the captains walked out the armies of every nation saluted them for they all were under one banner. And the captains served The President Of The Church.**

## **Chapter 4. "Who Is God"**

**Genesis 1:1-4 (In the beginning God created the heaven and the Earth, and the Earth was without form and void, and darkness was upon the face of the deep, and the Spirit of God moved upon the face of the waters. And God said "Let there be light: and there was light. And God saw the light that it was good. And God divided the light from the darkness.)**

**At the birth of time, something unlogical happened. A being moved in the darkness, and he brought light. Who is he? The Father of creation. What is he? He is the Lord of Lords and King of Kings, Alpha and Omega, First and the Last, He is God, and he is one!**

**But what is the name of this God? Who is he? Do you truly know who he is?**

**Here Is A Man.**

**Matthew 1:21 (And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.)**

**An enological thing happened during this time, a virgin gave birth to a son that would save mankind from their sins.**

**Here's a man! His name is Jesus. He turned the water into wine, walked on water, and made twelve men fishers of men. He healed the sick of palsy, raised the dead, told the lame man to walk, opened the blind man's eyes, healed the woman with the issue of blood, and cleansed the leper by touching him.**

**Peter spoke and said he was the Christ, the son of the living God. John said that he was God.**

**John 10:30 (I and my Father are one.)**

**Isaiah 9:6 (For unto us a child is born, unto us a son is given and the government shall be upon his shoulders, and his name shall be called wonderful, counselor, the mighty God, the everlasting father, the prince of peace.)**

**In this passage, you find that Isaiah prophesized that a Child, the Everlasting Father, the Almighty God, would be born of a virgin who would save the world.**

**Matthew 1:21-23 was the fulfillment of that prophecy.**

**Is God the Father of creation, the same as the man born of a virgin who did all these promised miracles? Is this what was prophesized about? Is this the man who is truly the promised Savior and was he God almighty in the flesh?**

**The answer is yes. You may ask me why and I will show you. Please keep reading, grab the King James Version bible, and follow along as we go through this journey together.**

**Old Testament prophecy spoke of the coming of the Messiah, a savior that would come with a name, so powerful to save people from their sins. His name will bring peace, hope, joy, and most of all salvation. There was no other name like the name of Jesus.**

**Genesis 3:15 (And I will put enmity between thee and the woman, and thy seed; it shall bruise thy head, and thou bruise his heel.)**

**Even though Adam and Eve sinned and were cursed by God he gave her a promise that through childbirth, a savior would be born from her seed, and he would bruise the head of the devil.**

**A promise from out of Bethlehem, a ruler in Israel shall come forth of the tribe of Judah, your proof is in Micah 5:2.**

**In Isaiah 40:3-5, Isaiah spoke of a voice crying in the wilderness saying prepare ye the way of the Lord for the Lord would come walking in the flesh. The valley shall be exalted. The glory of the Lord shall be revealed to everyone that the Lord has spoken it to. This was another promise of a savior who would be born of a virgin and would save many souls, and many souls would be changed in years to come because of one man who was born of a virgin.**

**Isaiah said that it would come to pass that the Lord would give himself a sign, a virgin shall give birth to a son and call him Immanuel which means God here with us in flesh, and that prophesy was fulfilled in Luke 1:27-47 and Matthew 1:18-23.**

**This was the fulfillment of the promise to Eve. The tribe of Judah and the prophesy of Isaiah and John who was in Elizabeth's womb, who received the Holy Ghost and was saved in the womb, likewise, Elizabeth was filled with the Holy Ghost. The angel Gabriel appeared to Mary just to tell her that God chose her to be Jesus's mother.**

**The savior was in the womb of a virgin named Mary, but he was God.**

**Matthew 1:21-23 states that God's name was Jesus and he saved his people from their sins and he would be called Emmanuel, which means God is with us.**

**So the holy ghost was conceived into Mary which means the Holy Ghost entered inside Mary's womb. This means when Mary gave birth she gave birth to the Holy Ghost and Mary named the Holy Ghost, Jesus.**

**There are not 2 or 3 gods, there's just one God and that is Jesus, and here is how.**

**Deuteronomy 6:4 and Ephesians 4:5-6 says it plainly that there is one God. There are not three gods, or 3 persons in one god, or 3 gods in one person. That would make God schizophrenic and my God is not retarded nor does he have a mental disorder, but he is just one God.**

**John 1:1-3 (In the beginning was the Word, and the Word was with God and the Word was God. The same was in the beginning with God. All things were made by him, and without him was not anything made that was made.)**

**Genesis 1:1 "In the beginning God created the heaven and the Earth."  
John 1:1-3 says that the Word is God and he made everything that was made.**

**Genesis 1:1 says "In the beginning God", but how is the Word God?**

**Genesis 1:3 "And God SAID"! There's your Word right there, and without the Word, nothing was made. The Word is God (John 1:3.)**

**Genesis 1:3 "And God said let there be (Light)  
LOOK AT THIS NOW.**

**John 1:4-5 "In him was life; and the life was the (Light) of men. And the (Light) shineth in darkness; and the darkness comprehended it not."**

**Genesis 1:4 "And God saw the (Light), that it was good: and God divided the (Light) from the darkness."**

**God is the Word and the Word is God, and without the Word we have nothing. That Word is (Light), but read on with your KJV Bible.**

**John 1:1-14 and 15-51 say it all but let's look at 9-14. This is proof of who God is and what his real name is.**

**John 1:9-10 (9) That was the true Light, which lighteth every man that cometh into the world. (10) He was in the world, and the world was made by him, and the world knew him not.**

**God walked this world in the flesh and the world knew him not. God walked this earth as a fleshly man. His name was Jesus Christ, it was he, who formed and fashioned this world with his own two hands, and the world knew him not. But you read in the Bible the Words (And God Said), those were the words that started forming and shaping things together in the Mighty Will of God and he was Jesus Christ in the flesh.**

**John 1:11-12 He came unto his own, and his own received him not. But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:**

**Who did the Word come to? Who were God's people? And who received him?**

**The Word of God is plain and it simply tells it like it is.**

**The Word is Jesus, His own is The Church which was the Jews at that time, and the Jews who were the church rejected God who was the Christ. That man Jesus was more than a man, he was God in the flesh.**

**Let's look at the proof in your KJV Bible.**

**John 1:13-14 Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God. And the Word was made flesh, and dwelt among us, ( and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.**

**By the Will of God, not man's flesh and blood. but the Will of God the Word which was at the beginning was God! And the Word became flesh and he was Jesus Christ himself!**

**Jesus came to his people, they were the Jews. They were ignorant of the fact that standing in front of them was the very Saviour they were waiting for, and they hung him on a cross to die. He was God in the flesh!**

**Yes! I am telling you that the same hands that created the whole universe, the trees, flowers, birds fish, beast, you, and me, those same hands took nails on a cross so that we could be saved from the bondage of sin. He also took a crown of thorns on his head. He was beaten, they spat upon him, laughed in his face, and as he was standing there with blood dripping down his body he held a cross that he carried up a mountain to die on. They mocked him as he hung there on the cross dying. Even right now in 2023 he is being mocked and laughed at. But he still did it for me and you. That's how much God loves you.**

**1 Timothy 3:16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory.**

**God enrolled himself in the flesh and walked among us as that man Jesus, the promised Messiah.**

**To believe this it takes faith and everything we do is by faith. Here's a quote from one of the world's famous Southern Baptist Pastors who I admire because he said many good things that were good and true. I am Apostolic by doctrine and Pentecostal by experience, but read this and take notes.**

**Rev. Billy Graham said these words**

**"Faith faith faith! Everything we do is by faith. When you sit in that chair, have you ever sat in that chair before? I bet you didn't pick it up, examine it, and put your hands on it to see if it'll hold you. By faith, you just sat down in it. You had the faith that people wouldn't build a chair that wouldn't hold you. Everything we do is by faith. Alright, take that same faith, and put it in Jesus Christ as your Lord and Saviour and you will know who Jesus is. You accept him by Faith and he comes into your life and in your heart, and you know he is who he claims to be."**

**Jesus is God in the flesh and he is in us as the Comforter which is the Holy Ghost. If you truly put your faith in Jesus you know what I'm saying to you is true.**

**We will talk more about faith and belief later.**

**There is only one Lord and the Lord is God. and there is no other God beside Jesus Christ. Ask yourself this question- Do you really know who Jesus is? You may say well I repented of my sins and I have been Baptized, but that does not mean you know who he is.**

**John 10:30 I and my Father are One.**

**John 8:24 I said therefore unto you, that ye shall die in your sins: for if ye believe not that I am he, ye shall die in your sins.**

**If anyone refuses to believe that God is Jesus and Jesus is God and that there is only one LORD who is God and there is one God whose name is Jesus Christ, they will die lost and will not be saved. Do you truly know God?**

**John 3:16 KJV For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.**

**But God said his son died for us, meaning there are two Gods Jehovah and Jesus his son. No that's wrong read on in your KJV Bible to see who Jesus is. Look at this verse of the scriptures.**

**1 John 3:16 KJV Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren.**

**God alone is God and he shares his glory with no one. God himself laid down His life for us so that we could be free from sin, We are choosing to be free from our sins and choosing to be saved by living a clean, sin-free life, and holy before God.**

**Do you really know God?**

**Pastor Tyler Gaulden says.**

**"God has been trying to get our attention and how we better wake up! Cause Jesus is coming back again and we better be ready to meet him! But do you truly know who God is?"**

**Pastor Billy Graham Preached.**

**Jesus Christ is coming back and now is the time of judgment for the wicked. Hell is a place of torment for those that wouldn't repent from sin. But for the Believer, the true Believer, there is joy, happiness, gladness, and a reunion in Heaven! And you have a choice in which one of those worlds you're going to live in. Jesus said I go to prepare a place for you and if I go to prepare a place for you I will come again and receive you unto myself, that where I am there, there ye may be also.**

**Sometimes you go out and see and hear the warnings of the weather. When a tornado hits, you will hear the loud horns and warnings of a tornado in your area. One day you will hear a loud horn blow and God will come back. You will see how dark the sky looks when a tornado is coming. One day when the trumpet sounds the sky will split for the coming of God. God will come for his people and when they hear that trumpet sound it's gonna be terrible for the wicked. They will be afraid because, in reality, they realized that they are not ready. They are going to go to hell for eternity because they were not ready and they didn't really know who God was. But the church will be ready, waiting, and rejoicing because they know who God is and they are ready.**

**When the trumpet sounds it will be too late to pray and repent of your sins and get things right. Preachers are preaching this Gospel and warning of the coming of God. But so many will not hear because they don't think he's coming anytime soon, some don't even believe he even exists.**

**Are you going to give God lip service and your heart remains far from him?**

**So many having the form of Godlyness but denying the power thereof!**

**Do You Truly Know God? Are you ready to meet him? Look at the chaos going around. If you read your Bible and the newspaper you see the tragedy all around us and you see that the Word of God is true, this world is coming to an end.**

**Are you ready?**

**"Pastor Billy Graham Said"**

**So many are being brainwashed every day by the devil, and he uses every Agency in the world. Sometimes I fear even some churches to deceive you., and sometimes even the church is guilty of keeping you from the real Jesus The real Christ who can forgive and who can satisfy and change and transform and who comes to love and to hold your hand. and to be your friend. The devil wants to deceive you he is called in the Bible the deceiver. You see he deceives Eve in the garden of Eden, h\* -deceived Her into believing that if she ate of that fruit that God had -forbidden that she would have become like God. He said you're not gonna die there's no judgement there's no hell and she believed him she believed a lie. The very first Generation of people that ever inhabited this planet were deceived.**

**There's a devil out there that wants to keep you from knowing God. Satan desires for you to believe that God doesn't exist. And if you do believe he does exist or there are two gods or three gods then you do not know he is the only one.**

**Do you know who God is?**

**Pastor Billy Graham Said.**

**Are you totally committed to him? Come on now. Are you sure if you died at this moment you'd go to Heaven? Are you certain your sins are forgiven? That's why Christ came and died on the cross and shed His blood, and rose from the dead. God has a plan for your life.**

**But do you truly really know? God is knocking on the door of your heart right now. Will you allow him to come in and change your world?**

**The devil knows there is one God and he knows his name  
James 2:19 KJV tells it straight.**

**Jesus is that same God and he gave his life for our sins because he thought we were worth saving, so he laid down his life for you washing your sins away and giving you freedom.**

**1 Timothy 3:16 John 1:14 Teaches us how there was a God who prepared himself a body and dwelled in it, he was known as Jesus Christ.**

**The Holy Ghost was conceived into Mary. Matthew 1:18-23 that means Mary gave birth to the Holy Ghost and that Child was a son and he was the Holy Ghost. Mary named her son who was the Holy Ghost Jesus and he was called Emmanuel meaning the Almighty God is with us in the flesh. Isaiah was fulfilled that the Child who was a son was called Wonderful,**

**Counselor, the Almighty God, the everlasting Father the Prince of Peace. He was born walking in the flesh and would lay down his life for all lost souls because it was not the Devine Will of God that anyone perish but all come to repentance.**

**There is One God and his name is Jesus Christ who is God and manifested himself in the flesh and died for our sins. I'm thankful that a God who was Christ and was born took my sins to the Cross so that I could be Saved! I'm thankful for a clear and sound mind and a pure heart. And I'm not deceived and I Know who saved my soul and I have a clear understanding of the one who turned my life around. Do I have it all together no I don't but I'm thankful he does and I'm thankful he's leading me, God Bless.  
(Knowing Who God Is)**

**Isaiah 9:6 KJV [6] For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The (mighty God,) The everlasting (Father,) The Prince of Peace.**

**This is the prophecy of the coming Messiah, a Savior, who would come with a name powerful to save people from their sins, his name will bring peace hope joy, and most of all salvation. There was no other name like his name.**

**But what is His name?**

**Genesis 3:15 KJV [15] And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.**

**Even tho Eve sinned and was being cursed God gave her a promise of a savior would be born from her seed, and he would bruise the head of the devil.**

**Micah 5:2 KJV [2] But thou, Beth-lehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting.**

**This was another Promise word of the prophecy of a Savior who was coming from the tribe of Judah.**

**Isaiah 40:3-5 KJV [3] The voice of him that crieth in the wilderness, Prepare ye the way of the Lord, make straight in the desert a highway for our God. [4] Every valley shall be exalted, and every mountain and hill shall be made low: and the crooked shall be made straight, and the rough places plain:**

**[5] And the glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it.**

**This was again a promise of a Son being born and he came and save souls and many lives would forever be changed.**

**Isaiah 7:14 KJV [14] Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel.**

**A virgin would give birth and his name shall be called Immanuel meaning God his name shall be called God. This was Isaiah's prophecy of the promised savior.**

**Luke 1:27-47 KJV [27] To a virgin espoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. [28] And the angel came in unto her, and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women. [29] And when she saw him, she was troubled at his saying, and cast in her mind what manner of salutation this should be. [30] And the angel said unto her, Fear not, Mary: for thou hast found favour with God. [31] And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS. [32] He shall be great, and shall be called the Son of the Highest: and the Lord God shall give unto him the throne of his father David: [33] And he shall reign over the house of Jacob for ever; and of his kingdom there shall be no end. [34] Then said Mary unto the angel, How shall this be, seeing I know not a man? [35] And the angel answered and said unto her, The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee: therefore also that holy thing which shall be born of thee shall be called the Son of God. [36] And, behold, thy cousin Elisabeth, she hath also conceived a son in her old age: and this is the sixth month with her, who was called barren. [37] For with God nothing shall be impossible. [38] And Mary said, Behold the handmaid of the Lord; be it unto me according to thy word. And the angel departed from her. [39] And Mary arose in those days, and went into the hill country with haste, into a city of Juda; [40] And entered into the house of Zacharias, and saluted Elisabeth. [41] And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost: [42] And she spake out with a loud voice, and said, Blessed art thou among women, and blessed is the fruit of thy womb. [43] And whence is this to me, that the mother of my Lord should come to me? [44] For, lo, as soon as the voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy. [45] And blessed is she that believed: for there shall be a performance of those things which were told her from the Lord. [46] And Mary said, My soul doth magnify the Lord, [47] And my spirit hath rejoiced in God my Saviour.**

**This was the fulfillment of the promise to Eve and the tribe of Judah and the Prophecy of Isaiah. And John who was in Elisabeth's womb received the Holy Ghost and was saved in the womb likewise Elisabeth was filled with the Holy Ghost. The Angel Gabriel appeared to Mary just to tell her that God chose her to be his mother.**

**Ok, the Savior was in the womb of a virgin named Mary but was he, God?**

**Matthew 1:18-23 KJV [18] Now the birth of Jesus Christ was on this wise: When as his mother Mary was espoused to Joseph before they came together, she was found with child of the Holy Ghost. [19] Then Joseph her husband, being a just man, and not willing to make her a public example, was minded to put her away privily. [20] But while he thought on these things, behold, the angel of the Lord appeared unto him in a dream, saying, Joseph, thou son of David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Ghost. [21] And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins. [22] Now all this was done, that it might be fulfilled which was spoken of the Lord by the prophet, saying, [23] Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us.**

**So the Holy Ghost was conceived into Mary. Which means the Holy Ghost entered Mary's womb. Which means when Mary gave birth she gave birth to the Holy Ghost. And Mary named the Holy Ghost Jesus.**

**There are not two or three gods, there's just Jesus.  
How?**

**John 1:1-3,10-14 KJV [1] In the beginning was the Word, and the Word was with God, and the Word was God. [2] The same was in the beginning with God. [3] All things were made by him; and without him was not any thing made that was made. [10] He was in the world, and the world was made by him, and the world knew him not. [11] He came unto his own, and his own received him not. [12] But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: [13] Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God. [14] And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.**

**1 Timothy 3:16 KJV [16] And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory.**

**God enrolled himself in the flesh and walked among us as a man named Jesus who was and is the Messiah.**

**Deuteronomy 6:4-5 KJV [4] Hear, O Israel: The Lord our God is one Lord : [5] And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might.**

**One Lord there is no other Lord and the Lord is God and there is no other God.**

**John 8:24 KJV [24] I said therefore unto you, that ye shall die in your sins: for if ye believe not that I am he, ye shall die in your sins.**

**If anyone refuses to believe that God Is Jesus and Jesus Is God and there's only One Lord who is God and there's One God whose name is Jesus, they will die in their sins and will die lost and will not be saved.**

**John 3:16 KJV [16] For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.**

**But God said his son died for us and that means there are two. God Jehovah and Jesus his son. No that's wrong read on. Who is Jesus? Look at this scripture.**

**1 John 3:16 KJV [16] Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren.**

**God alone God himself laid down his life for us so we could be free from sin by choosing to be free from our sins and choose to be saved by living a clean sin free Holy life for God.**

**Ephesians 4:4-7 KJV [4] There is one body, and one Spirit, even as ye are called in one hope of your calling; [5] One Lord, one faith, one baptism, [6] One God and Father of all, who is above all, and through all, and in you all. [7] But unto every one of us is given grace according to the measure of the gift of Christ.**

**One Lord One God his name is Jesus there's no other God than Jesus Christ who is God and He is Lord of all.**

**John 10:25-38 KJV [25] Jesus answered them, I told you, and ye believed not: the works that I do in my Father's name, they bear witness of**

me. [26] But ye believe not, because ye are not of my sheep, as I said unto you. [27] My sheep hear my voice, and I know them, and they follow me: [28] And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. [29] My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. [30] I and my Father are one. [31] Then the Jews took up stones again to stone him. [32] Jesus answered them, Many good works have I shewed you from my Father; for which of those works do ye stone me? [33] The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God. [34] Jesus answered them, Is it not written in your law, I said, Ye are gods? [35] If he called them gods, unto whom the word of God came, and the scripture cannot be broken; [36] Say ye of him, whom the Father hath sanctified, and sent into the world, Thou blasphemest; because I said, I am the Son of God? [37] If I do not the works of my Father, believe me not. [38] But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father is in me, and I in him.

You must know who God is. Jesus told the Jews who he was but because of their pride and self-righteousness, they were going to stone God in the flesh because they were not the sheep of the Lord. Because the sheep of the Lord know God and they hear his voice.

John 14:6-11 KJV [6] Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. [7] If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him. [8] Philip saith unto him, Lord, shew us the Father, and it sufficeth us. [9] Jesus saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? he that hath seen me hath seen the Father; and how sayest thou then, Shew us the Father? [10] Believest thou not that I am in the Father, and the Father in me? the words that I speak unto you I speak not of myself: but the Father that dwelleth in me, he doeth the works. [11] Believe me that I am in the Father, and the Father in me: or else believe me for the very works' sake.

Again the scripture talks about knowing God. Philip asked show me the Father Jesus. And Jesus told him, "Phillip you're looking at him. I am the Father and believe on me by the works I do.

Acts 2:36 KJV [36] Therefore let all the house of Israel know assuredly, that God hath made that same Jesus, whom ye have crucified, both Lord and Christ.

Jesus is Lord and Christ meaning the promised Messiah.

**Acts 10:36 KJV [36] The word which God sent unto the children of Israel, preaching peace by Jesus Christ: (he is Lord of all:)**

**He is Lord of all remember there is only one Lord.**

**Isaiah 43:10-12 KJV [10] Ye are my witnesses, saith the Lord, and my servant whom I have chosen: that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me. [11] I, even I, am the Lord; and beside me there is no saviour. [12] I have declared, and have saved, and I have shewed, when there was no strange god among you: therefore ye are my witnesses, saith the Lord, that I am God.**

**One God, and no god after me, and beside me there's no saviour. God was very clear that there was only one of him.**

**Philippians 3:20 KJV [20] For our conversation is in heaven; from whence also we look for the Saviour, the Lord Jesus Christ:**

**Ok if there's One Lord One God One Saviour how can Jesus be the Saviour if he is not God?**

**Romans 6:23 KJV [23] For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.**

**Jesus Christ is The Lord and he came and died and rose again to save us from our sins.**

**Romans 14:11 KJV [11] For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God.**

**Ok, pay attention. Every knee bow and every tongue confess to God. There's only one God and he is Lord.**

**Philippians 2:9-11 KJV [9] Wherefore God also hath highly exalted him, and given him a name which is above every name: [10] That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; [11] And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.**

**They will confess to Jesus Christ and confess that He is Lord. In Heaven and Earth and Below Earth. The very depth of hell will confess that Jesus Christ is Lord.**

**Also the angels in Heaven. And because that Jesus is The Father and Jesus is the Holy Ghost there's not gonna be a fight or a vote of who will sit on the Throne because there's only one Lord One God and that's Jesus.**

**Deuteronomy 6:4 KJV [4] Hear, O Israel: The Lord our God is one Lord:**

**There is no other there's just Jesus.**

**Revelation 4:1-11 KJV [1] After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter. [2] And immediately I was in the spirit: and, behold, a throne was set in heaven, and one sat on the throne. [3] And he that sat was to look upon like a jasper and a sardine stone: and there was a rainbow round about the throne, in sight like unto an emerald. [4] And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold. [5] And out of the throne proceeded lightnings and thunders and voices: and there were seven lamps of fire burning before the throne, which are the seven Spirits of God. [6] And before the throne there was a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, were four beasts full of eyes before and behind. [7] And the first beast was like a lion, and the second beast like a calf, and the third beast had a face as a man, and the fourth beast was like a flying eagle. [8] And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come. [9] And when those beasts give glory and honour and thanks to him that sat on the throne, who liveth for ever and ever, [10] The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying, [11] Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created.**

**He is One. Not two not three just One.**

## **Chapter 5. "Broken And Empty"**

**In this next chapter, I will give a testimony of my life, it will be a sequel to my other book, "When Brokenness Has A Voice". I will write some more things that have happened and what I have gone through, and how I made it out.**

**Sometimes and it's very hard to swallow but... Extremely hurtful things happen to you to humble you and make you focus more on God and your Ministry.**

**No, it doesn't feel good and no you may never understand it... learn to stay humble and never get full of yourself and think you know it all when in reality you don't have a clue.**

**My heart is heavy and I feel it's broken... I don't know who this is for or why I'm saying this but we all must get our eyes on Jesus who is our Comforter!**

**With tears and a repented heart give your brokenness a voice and put all your agony pain on the Altar and stay there till the Peace of God that passes your understanding falls on you.**

**Sometimes you got to weep on God.**

**There's a Spirit born of hell that flows the land going from church to church spreading hurt and causing confusion and depression.**

**Unknowing some good people in there hurt speak and what comes out is a negative sentence or statement about something or someone sometimes it's lies sometimes it's a painful past that has never been let go.**

**The Lion of Death destroyed some sheep with its fangs of sorrow and despair breaking the hearts of the Faithful the innocent the loyal friend.**

**Everywhere it seeks to devour the sheep of the Master and there's no peace.**

**The only way this lion can be killed is by letting go of the past and the hurt and the lies that were told or the truth that came out.**

**Throwing the blame game and building it up only brings more pain more anger more hurt. Because of the bottling of it up till it reaches the breaking point.**

**Then it breaks and the negative and the despair and the tragedy and heartbreak trouble wounds come out and it breaks the spirit of another.**

**It's a cancer it destroys everything it touches!**

**Proverbs 17:22 KJV [22] A merry heart doeth good like a medicine: but a broken spirit drieth the bones.**

**The Tragedy Of A Wounded And Broken Soul destroys anything good that comes its way.**

**Philippians 4:7-8 KJV [7] And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. [8]**

**Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.**

**Words fly like arrows pursuing the hearts of the wounded and broken,**

**Wounded was he who carried the cross he took all our sin upon him he was mocked laughed at and people made fun of him it was all a game to them and the people who Loved God are being hurt abused lied on and wounded!**

**Sorrows fill their hearts tears blur their eyes Till all they see is the water of their tears many hide it grow cold and dark bitter enters their hearts for the wicked has got to them their vision is the darkness!**

**Allow yourselves to be broken allow yourself to feel that pain and agony in your heart and use those tears as a weapon of travailing in prayer then your strength will come you will be restored and God will fix your problem but you can't be better you can't give in to the darkness you can't allow yourself to be cold in God you got to allow yourself to feel the pain and cry out to God in Agony with tears weeping wailing to God!**

**They That Sow In Tears shall weep in Joy!**

**But you got to be broken on your knees in prayer and that will help you overcome the devil and also help you help your family because when you are on your knees you learned to use your tears as a weapon. You have become a warrior who fights on his knees for his/her family allowing him/herself to feel the agony and pain of their loved ones. They began to feel empathy for their family and that seed that was sown begins to be watered because someone has began to travail and weep and cry out for help from the Father that's in Heaven who hears all our cries!**

**I'm telling you don't be bitter. Don't become cold but feel the pain and the agony and weep to God. Those tears become a weapon against the devil because The Ministry Of Tears Heals The Wounded And The Broken!**

**We As Christians Sure No How To Kill Christians. We have become professional assassins killing our own over disagreements. We turn church houses into an abortion clinic instead of a hospital for the wounded.**

**Our brother is face down on the ground on the battlefield and we just turn and walked away.**

**How many times do we forgive? We must forgive 7x70. How many times do we restore one another? Over and over, unending and everlasting you love as Jesus loves. Considering yourself as it is you fave down on the ground.**

**But instead, we became the most famous legendary Christian Professional Assassins killing the church and stopping the growth making the altars barren so children won't be born. Oh if we can just love like Jesus loves.**

**(Remember Jeremiah)**

**It's sad and it hurts when you reached out to a wounded saint and talk with them and through the anointing of the Holy Ghost you speak in their life and try to encourage them and tell them how they can heal and they hear you and it seems they are listening and are considering to choose to move the right direction.**

**But then someone comes along and tells them you're a liar and crazy and you mean well. They say you're a good person but you're a joke and they tell them all you want is attention. They'll tell you I have no confidence or trust in you or anything you have to say it will be better if you moved on down the road. They say I do not believe in you that you're no more than a self-righteous want-to-be preacher prophet singer. You teach a bible study and then they'll tell them all about your past.**

**That hurts but what hurts worse is when you hear the person you reached for walked out on God's church and everything to do with church and makes the statement I know what church is all about and I don't want no part of it. And it makes you wonder, why God, why. I reached out but they didn't listen to me. I weep and cry but they go further away and when it seems that they are listening my enemy speaks louder and they listen to him then shun me and then walk away from God a little while after. After you say all that to God and you hear him say keep praying and reach again keep sowing tears and reach again and your back is a pin cushion for all the knives and swords and machetes in your back and you hear God say reach out again.**

**If this is you, remember Jeremiah didn't win one soul to God but died trying to save Israel.**

**But he wept for them even though they mocked, made fun, laughed at him, and called him a joke.**

**Find a man with a heart for souls and a love for people willing to pay any price no matter the cost. A man that carries the burdens of others, feels empathy for everyone going through pain, is bold and humble, never arrogant, compassionate, full of charity and concern about the salvation of others, fasting, praying, and seeking the will of God for everything. Who holds fast to the Word of God, who's arms are opened for the wounded, the hurt, the heartbroken, the sinner who leaves the 99 and go after that one that strays, a bearer of burdens!!! When you find that guy you found a real true Pastor a Real Man Of God!!!**

**For My Brother And Sisters Be Encouraged!!!**  
**You may be hurt right now your heart full of agony broken lonely and the people you thought were your friends you may found out they were only using you and are not really your friends!**

**There are fools in this world that always had things given to them and didn't work hard for it or try to get it by their sweat so they believe their better then you!**

**And you may be wounded by family and people you truly Love and will do anything for!!!**

**Remember God went threw this he Heal their sick raised their dead open their blinded eyes so on remember even this he did that people in church sided with the pagans and killed him on a cross, God Understands!**

**I find it that some of my most closes friends don't go to church and they are always there for me to help me even try to encourage me (The Power Of A Real Friend Is Better The Gold Held By Fool)!!!**

**And the most worst hurt I receive was from someone in church but I don't use that to quit going because there's some that truly care and there's a God thats their To Heal me in My Broken Times And my wounded heart!!!**

**Or maybe you are truly Alone surrounded by people you thought were your friends yet your truly alone and your hurt badly!!!**

**Jesus Lost all his friends and he hung on the cross and no one was there sept John and he followed a far off he was abandoned by his friends yet as he was dying he cried for his friends and prayed for them and said forgive them even to those the killed him!!!**

**If this fits u get in church and let God get inside u and restore u with the Holy Ghost And Know That while ur Alone he's there and he is ur comforter!!!**

**This is from my little sister who has been through a lot but God has helped her through her hurt and brokenness.**

**Sis. Memory Sherman.**

**I'm going to get very honest and candid right now. Someone may need this, I just feel to share it. Here lately, it has been brought to my attention, I feel maybe God actually brought it to my attention in a way, that I have lost something that I had with God, and that God misses it. I did not understand what this meant at first, because I haven't any plans to quit church, I haven't completely stopped praying and reading the Bible, but I do know what it means now. I use to wake up every morning and have a time of prayer and Bible reading that sometimes went for hours, just me and God. I'm not saying this to be looked at as perfect, I'm far from it, obviously. I still pray and read the Bible, but it's not like it used to be. I look back and realize, that a few months ago, I let some hurtful things people said and did, hinder me. From there, I let distractions and tiny things come between me and God. This breaks my heart and is a bit embarrassing to admit, but it's true. It's no one's fault but mine. I'm working on getting that relationship built back to where it was, and with God's help, it'll be stronger than ever before. I said all that to encourage someone who may be going through this right now, today or may soon go through it. Don't let one hurtful thing someone says or does come between you and God! Please! Don't let the devil convince you that God is tired of you and is so mad at you because that so called "righteous person" said something awful about you and you're convinced that God thinks that way about you too, because you just know, that that person who said that is just so close to God, and that He just agrees with everything they do, and so He doesn't want to listen to you anymore, because they won't. That's what the devil did to me. Don't let him do that to you. You're a child of God and God loves you more than you can imagine. He has recently brought this to my attention about my own self. I didn't realize how broken this had left me until now, I didn't see how bad it scarred my walk with Him. I'm not blaming others for my lack of relationship with Him at all! It's my fault for letting it come between me and God, but I will let this be a learning experience for me!**

**Knowing all of this has got me thinking. Christians, what are we saying to people? What are we saying ABOUT people? Words can be some of the most deadliest poison more than anything in any other actual poison... they can hinder people, they can keep the entire kingdom of God from growing. How we treat others, matters. No matter who you are or what your position in the Church is, your words matter. Especially in leadership. I say that with all the love and respect in the world for church leaders.**

**I've seen this countless times, people (anywhere but often in a church too) will do and say something very hurtful to or about a person, and when they get caught, they automatically want to say "oh that's the devil messing with you". No, YOU said that. What if that person was struggling, and had just fallen hard in their walk with God, and was just wounded, and you had an opportunity to help them back up and help them heal, but instead you let the devil use you into cracking that whip even harder? And now you sit back and wonder why they're gone...**

**Please saints of God, preachers and ANYONE whose reading, let's be careful! Be careful with your words and how you treat people—talking to myself too.**

**Also, live for God no matter what others say to you or about you. I've said this before, but people shouldn't color your relationship with God.**

**When your at a loss for words and a sense of direction and nothing around you make sense anymore your off, missed it a mile and your vission is not clear.**

**Stand still and know! Know that He is God. They that wait upon the Lord shall renew there strength.**

**Theres times where you have to walk softly before the Lord. Humble yourself decrease so God can increase.**

**Stand still and seek the Will of God and not the stage lights. God knows our best intress better then we do.**

**Its been said when we want the now and its not time we get the not yet. And God answers disobediance with silance.**

**If God cant trust you to obey, you wont get nothing from God but His silance unless your repenting truthfully to God.**

**At the middle of the year 2020 I was Pastoring on a land that was given to me to build a church. I didnt have a building but God called me to start Pastoring so I set out to build a church five people called me their Pastor although they never came to one service they gave tithe Faithfully. I knew God spoke to me to do this there was no question the proof was in the pudding. The facts was right in front of everyones faces. No matter who or what high minded prideful selfrighteous arrogant man or woman said about it.**

**I set out to do good and evil was presant with me. I was building a Holy wall for the Lords Kingdom and the blessings of God was falling down for me. I went out there into the woods set up ten chairs and preached to**

vacant seats. But God met me there each time and i walk out the woods and see people siting on there porches listening to me. I went out there one day and sung a song and the birds tweeted to the toon which gave me comfort. I went out there again and preached my heart out and I stoped to catch my breath and I heared the dogs in the distance howl. As I started preaching again the dogs hushed. When I stopped they howeld and i felt the anointing of God hit me and i preached with every thing I had as I preached you couldnt hear a sound from those dogs untill I paused. it may not mean nothing to no one but it touched this preacher knowing that every living thing was created to worship and praise God and the only one who didnt have to do it was us humans cause we have the power of choice and God will not force us to do what we dont want to do. I went out there on a Thursday night and I preached with everything I had and a racoon walked out of the woods stood on its hind legs and clapped its hands that night I preached the best I ever did at that time. I walked out of there amazed at what I saw i came out of the woods there were more people sitting on those porches then before I felt the encouragement of God so strong around me. at this moment I was witnessing a Miracle.

A tent was given to me and I was in the middle of putting it up and it got to the point that I lost the one who was helping me put it up and I ran ahead of God I didn't walk softly but rushed it instead of being patient. I was ready to do it now. So the devil took his chance and sent Samballat, and Tobiah to talk me off the wall. It was someone I loved and had confidence in I Trusted them. At that moment I stopped listening to God and I started listening to another voice that was not of God. This almost destroyed me but God had a plan. The voice of the stranger had me believing a lie against my Pastor at that time it had me turn my back on my family and walk away.

I left with my ship full and running over and well respected leaving a Pastor and a family in tears with a heavy heart, but I was believing the voice of the stranger that said they didn't believe in you nor had confidence in your ministry but said you were a joke. But the Truth was they didn't want to see me destroyed and if I was only a little more patient. But like the son that left his father's house, I left full.

Broken Empty And Without Meaning. I was alone and empty the Holy Well was out of my life the blessings stopped when I shut my church down cause a strange voice said I was in rebellion and in was in witchcraft because my Pastor didn't support me and was highly offended at me for the work I was doing. That turned out to be a lie and a game of proselyte was at play. I got cold and bitter and I tried to hide it. But the prayer of a mother father and a Pastor and a whole church family was on their knees bringing my name up before God began to turn things around. God put me in the path of two Holy Ghost-filled people. Sis Hannah Martin and Bro Ty Martin came into my life and they became my Friends true friends a Brother and Sister

that helped me find my way back to God and to an Altar of Repentance. They helped me get where I could hear from God again and it led down a hard learning road but even then God used me people were touched and healed and filled with the Holy Ghost.

I found my way back home. When I sailed out to sea my cupboards were full sails were new. I came back empty following two Eagles that led me home. My ship was half sunk my sails were torn my anchor was broken there were holes all in my ship and it was leaking.

I pulled into the dock at Grace, and God's hands came and destroyed my ship into pieces. I stood there ashamed and broken my spirit was broken my heart was shattered and I was a fool and a laughing stock. Where everyone but Grace was laughing and God wasn't laughing. But I didn't know God wasn't, I also didn't see the Angels of God bringing new wood to rebuild me a bigger and better ship stronger than the other.

My kingdom was built tall and beautiful but the foundation was built on sand. it was tall and strong and mighty but the rain was coming and the floods were rising and my kingdom crumbled and I was buried in the sand. But I reached up my hands and lifted up my head out of the sand and I saw the Captian of Grace and The House Of Refuge with their reached out to me, I saw my father and mother who was waiting on their prodigal son to return. I saw my family and church family waiting to pick me up out of the sand. They led me to the Rock and the Captian of Grace and The House Of Refuge said to me. Ok now build your house upon the Rock and let God build the house if you make it, it all be but vain but if you let God build it it will stand.

In January 2022 I lost everything. I lost my car my life my job my Ministry I lost it all. If it wasnt for my mom and daddy I wouldnt have had a roof over my head. But God was Mercifull to me. He started rebuilding me. The Land he gave me to Pastor on I lost it because of my disobedience. I lost all God gave me, He took it all away. He broke me then mold me then stuck me into the fire took me and put me on a anvil beat me with a hammer then stuck me in the water.

He rebuilt me. Forged me in the fire and washed me by the water. I humbled down. I wept over his mercy and love. I thought I destroyed my Ministry I thought I never preach again I thought that it would be by the skin of my teeth to even be saved. there were times I felt like God was finished with me. But slowly I started to gain all I lost.

The prosses hurts but its worth it. I ound Mercy in the sand. Trust in the prosses if you want to enjoy the progress you must endure the prosses no matter how bad it hurts. No it doesnt feel good but you will be better for it. Without the prosses you will not be able to perform the act.

**I lost Friends alone they way. I lost Love ones in Heaven to stay. I lost possessions that were so dear. I lost I lost some battles by walking in fear. I lost Faith in people who said they care. But in the time of Crisis they were never there.**

**People turned on me when I lost everything. They wasnt there when I needed them. But something inside me changed when people I called my friends and thought I could trust turned on me. Something came alive in me I got alone I wept cried and talked to God I was feeling sorry for myself and on my Youtube Bro Jeff Arnold came on preaching about "My Destiny Is Greater Then My Dezaster I Will Not Die In My Dilima" he asked a question. What are you a whimp? Quit being a wus and get up off your face just because you failed does not mean its over! God had to knock you down a peg cause you got too big for your britches and God had to put the breaks on you! So learn pick yourself up and be a man take your punishment and better yourself.**

Because of my Obediance He restored my Ministry that God allowed me to have. But it was differant and stronger. I set out to preach the Gospel with the support of my Pastor.**

**December 2022 God Blessed me with more then I ever had in my whole life. God opened the doors for me and blessed me because of my obedience. March 10 2023 I got married to Krista Petit who became my strong support and anchor in life. God gave me the best. Im still going through a process. God is still working on my behalf.**

**I Will Not Die In My Dilima. My Destiny Is Greater The My Dizaster. **We have to let God build the house His way otherwise our work is in vain. Theres been times I felt there was no meaning in my life or Ministry.**

**I let some blessing slip away when I lost my focus and went astray, I lost my Joy my Hope my Praise and I lost my Faith and I almost gave up and waled away but some real friends who knew how to pray. And they touched God for my behalf. Its nothing short of a Miracle I'm still here.**

**I had a dream I was preaching a Revival and I wept cause the power of God was so strong when I woke up the tears was really there and I was quoting scriptures the phone rang I rose up and answered it Bro Golden called me and felt that God wanted him to tell of the message he preached about how David failed God and how David fell on his face and Repented and got the sin under the blood and he got up and went back to being King again. Bro Golden told me it was time to get up and move on my failures are under the Blood of Christ and it was time for me to be the man of God he called me to be. I got my Joy my Hope my Faith my Peace and my Praise back.**

**When you loose everything you get to a place of numbness you feel nothing and it's a sad and dark place but it's not the end.**

**I'm telling you from personal experience when you hit the altar and pray and weep open your heart completely to God and you become one who is Broken and with a contright spirit before God he enlighten your darkness and he begins to restore all you lost and when your with God he begins to guid your steps the Bible says he begins to order your steps when you humble yourself and realize that you cannot make it on your own out of the Devine will of God kicking against the pricks.**

**In December of 2022 I got a house and lost my car the cost to fix it was \$3,036 that was minor problem but after a week of no car meant no work became a major problem no work no money no money no pay bills no pay bills loose lights loose water loose house your homeless.**

**Man born of a woman is a few days and full of car trouble Reynolds 1:10.**

**So I prayed I cried I wept before God and fasted and the part was way too much fix it the car. It winded up to be too much to keep it the not was way too high to pay for the car I needed \$4,200 to get the part and the work done. So I asked God for the money and he didn't give it. I fasted and prayed for a cheaper part and found one we bought it it was the wrong side we sent it back and we found another one it broke on our way to get it and they couldn't sell it to me. I had to tell the bank to come get the car I couldn't afford to pay for it. At that ti e I faced fix the car and loose it cause of the note or pay the note for a broken down car. I reached the limit there was nothing more I could do I was at my wits end there were no more options left.**

**That's when God showed up and gave me a new car he gave me a 2010 Toyota Camry car running good no problems for \$1,000 God had blessed me with a means to work and keep my stuff and he gave me more stuff.**

**God knows what is best for us and we got to trust in him and allow him to work. God knows what we need and what we think we need and sometimes God will give us what we think we need and sometimes he don't and he give us what we do need. God will move mountains and shapes miracles on our behalf. We got to let go and let God have his perfect will and perfect way. Our ways is not His way and our thoughts are not his the same as His Thoughts so we got to trust His purpose cause it's for our good and peace that we trust Gods Process.**

**I set out on my Journey my vessel was full and my goods were new like a happy sailor I caught the tide and went out to Sea to do a mighty Work for God.**

**Evil was percent with me it send Sanballat, and Tobiah to distract me and I sailed off course I hit sand and over my ears being tickled I began to build my foundation on the sand it was gorgeous and a lot of good was built and**

wonderful things happened I grew and I learned a lot but my foundation was on the sand.

I built a kingdom and the kingdom was perfect and gorgeous many were changed by the experience of my work. (But my foundation was built on the sand)

My work so I thought was perfect so I sailed out again to the deep see but my coppers were have empty I went to a piece of land and it was given to me I anointed the grounds and I started to build a house but over excitement I got my cart ahead of the horse so the work stopped and again my foundation was built upon the sand.

I sailed out again communed with a dragon and was confused but two Eagles three lions and a white Horse Lion and Buffalo lead me to a secret place where the Almighty dwelt and we communed broke bread and talked he told me to gather treasure with the Eagles one had a red beak and was a male and the other was female and had a star on her beak they lead this dumb lion and stabled my mind and got rid of the flies in my ear.

The Eagles encouraged me kept me sane and they loved me and showed me the meaning of true Friendship as did the White Buffalo and the white horse and Lion.

I sailed out again to do a work in the far out sea and the work was great but a cannon ball hit my sail that came from a ship I thought was my ally but the top of her sails was the enemies flag color. I took on damage. Then from the same ship I seen the white flag of parlay and the meeting voted peace so we were at peace then as I sailed to the next place another cannon ball hits the side of my ship causing worse damage then before then another Parlay and peace then the third time.

Heartbroken I wept and cried fasted and prayed and the Lord spoke and said Go back to the Harbor You Left reunited with the Captain of the House of Refuge and Grace and your family.

So I sailed back but my coppers were empty and I got back to my kingdom and got back on top to see a far and I saw the floods coming and my foundation was built on the sand.

The flood came and tore down everything my work was destroyed and it was my fault my house fell down my land was lost and I'm to blame.

I thank God for The Eagles who lead me to safety and helped me along the way in this journey.

**Yes my house and kingdom fell and great was the fall cause it was built on the sand it stood tall and long but it fell on top of me I was Buried in the sand. And my ship was torn into pieces and my coppers was empty. Truly I left full and returned empty and lost it all.**

**But yet God had mercy through all that. God warn me many times and told me but I thought I knew better so I did it my way instead of Gods way and I allowed Sanballat, and Tobiah lead me astray But thank God for the Eagles.**

**From deep in the sand my hands came up and I pulled myself up with some strength that was giving to me I believe only by God. I looked up and saw a hand of the Captain of the House of Refuge and Grace and my Loving Father who was waiting on his prodigal son to return and a loving mother and whole family and the whole church family who reached down a hand to help me up.**

**I then suffered for I lost everything but my family church family and my Captain lead me to the Rock and they looked at me and handed me a hammer and a pick and said rebuild the House rebuild the kingdom but this time do it right and this time build your house and kingdom on the Rock! Build it right and obey God!**

**Slowly but surely God had helped me build on the Rock and God has given things back to me.  
I am here only by the grace of God!**

**Sailors! Make sure your foundation is on the Rock and when the floods come your house will stand Sometimes there's no mercy but judgment I thank God Mercy Said No.**

## **Chapter 6. "Tried Faith"**

**Inside everyone there's a measure of Faith. Your faith is in you everyone has it. Not one person was born without a little measure of Faith. The important thing is and it's very crucial to your life, Where is your faith? Or what do you have faith in? Who do you have Faith in? Now Faith is belief, who do you believe in? What do you believe in? Who do you believe in? Everyone is a believer in someone or something.**

**Some believe in presidents, governments, governors, lawyers, and schools. Some people believe in Mother Nature, philosophy, psychology, theology, some believe in celebrity's those are heroes to some people that's where and whom and what their faith is in. The stage the big name the roaring of the crowd that's the belief the faith some live for.**

**There's many many things people have Faith in it causes problems in people lives their is marriage their jobs their finances.**

**But I won't to tell you that when this faith is tried it crumbles and falls apart it breaks in pieces and is forever destroyed. But there is a Faith that never fails when you put it in Jesus!**

**Hebrews 11:1 KJV**

**Now faith is the substance of things hoped for, the evidence of things not seen.**

**When you put your faith in God stronger then you ever had in your worldly things and people you will never be disappointed cause when you put your faith in God who cares for you and loves you he gives you the desires of your heart.**

**Faith in is the key to your Miracle as long as your Faith is in God. By Bro Ty Martin.**

**Faith is looking to the Horizon for something that's not there as tho it was there. By Sis Krista Reynolds. Faith move's mountains and shapes Miracle's. By Bro Gabriel Reynolds.**

**In your walk, with God, struggles and trials will come your way. If your faith is unwavering, and strong, God will see you through your struggles. Faith is the act that move God's hand, but sometimes there is a storm, battles, trials, and struggles that comes your way. The storm will make you, or it will break you.**

**Sometimes, in a storm you feel alone. In the midst of your troubles, your season of pain, and your hurt, you get frustrated. Your faith knows that God can move you out of the storm, but that the fact that it doesn't frustrates your faith sometimes. But the fact that God didn't take you out of the storm is that process of the storm is reshaping you. If you can endure the moment, God is equipping you, and the struggle of the storm is giving you strength to face the coming battle!**

**Jesus went to the cross for our salvation. He was beaten, and his flesh was ripped from his body. A crown of thorns was put on his head. His blood was spilled all over the road to Calvary. Jesus went all the way, he would not allow the angels who was ready to destroy the world. Jesus took our sin to the cross, freeing us from that sin.**

**He was wounded for our transgressions, he was bruised for our iniquities, the chastisement of our peace was upon him, he knew no sin, and he was a**

**sinless man. He took our sin upon him and covered it with his blood, setting us free, he was that ultimate sacrifice.**

**Jesus went through this process so that he could live in us, as the Holy Ghost, the promised comforter. There would be know washing away of sin if it wasn't for the blood. His blood has the power to wash us white as snow.**

**Acts 20:28 KJV**

**Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood.**

**Jesus payed the price for us with his blood.**

**John 3:16 KJV**

**For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.**

**Jesus's blood saves us from our sin, washes us, and makes us a new creature In Christ. We belong to God and he wants us to trust in him. In your struggles, and in your season of pain, he wants you to lean on him.**

**By Sis Stephanie Morehead**

**"Faith is the foundation of your spiritual walk, and is the fuel of the things that we pray for. Without faith, we cannot go anywhere, and we cannot grow. I believe that the Lord answers our prayers based on our level of Faith. Without faith, it is impossible to please God."**

**Tears get God's attention, but Faith moves his hand**

**James 1:2-4 KJV**

**My brethren, count it all joy when ye fall into divers temptations; [3] Knowing this, that the trying of your faith worketh patience. [4] But let patience have her perfect work, that ye may be perfect and entire, wanting nothing.**

**The trying of your faith- your faith, will be tried and tested. God does not always give it to you when you first ask. Sometimes there is a waiting process on your answer, sometimes God sends his angels, an enemy sometimes steps out and delays the answer, and sometimes there is a working and preparing process. You have to wait and be patient with your request so that God can meet it.**

**Luke 21:19 KJV**

**In your patience possess ye your souls.**

**Sometimes you got to be a little patient, wait a little bit, slow down and calm yourself. Breathe and let God lead you, guide you, and he'll come through for you in his time. He will come through and he will do it for your good.**

**Sometimes we get in such a rush to break open a shut door when there is one open. We need to walk through that door. Keep your faith in Christ alone!**

**By Billy Graham**

**If God today told us what he was doing in the world, we wouldn't believe it. Don't you think God has given up and God has abdicated and God has left the throne, he hasn't! He's still on the throne and those of us that know him put our trust in him alone. I don't put my trust in Washington. I don't put my trust in the United Nations, and I don't put my trust in myself. I don't put my trust in my money. I put my trust in the Lord Jesus Christ! When all the rest of it fails and crumbles, and shatters he'll be there!**

**God will always be there and He will never leave you**

**The reason why I have faith in Jesus was because of the price that he paid for my sins.**

**He was a man born of a virgin he walked this earth done many Miracles like raised the dead healed the blind eyes cleansed the Leper by touching his face. He was born without sin yet the Bible tells us he took all our sins on him on the cross so that we could be free from all sin and shame.**

**His blood washed our sins away when we repent. Without the blood of Jesus Christ we would not have repentance.**

**In the Old Testament law all the sacrifices of sheep goats calves so on was for the bloody so our sins would be forgiven for a year. Those sacrifices had to be without spot or blemish. Then it to be repeated a year later.**

**You see my sins condemned me what I deserved was to die on the cross but Jesus took my place. I couldn't die for the sins of the world because I was born and shaping in iniquity and in sin did my mother conceived me.**

**I was not without spot or blemish**

**Jesus who was born of a virgin he was God in the flesh and was born without sin and he went to the cross as the lamb without spot or blemish and on that cross he took our sins and his blood washed away our sins forever!**

**All we have to do is repent and we are forgiven Jesus was that ultimate Sacrifice that would save the whole world! If they only repent and turn away from their sins and turn to God. He had me on his mind when he was on the cross! That's why I have Faith in Jesus Christ.**

**"Sis Patty Powell"**

**I believe without Faith there's no prayer answered. We have the assurance of our hope. He will move mountains. We have convictions of things not seen. Trust in the Lord with all understanding and it works Faith and anything possible whoever believes it's a gift from God.**

**"By Bro Gammons"**

**Faith is a Revelation from God most people can't act open because they are waiting for emotions to move them. Faith is action not emotions.**

**Revelation 3:18 KJV**

**I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see.**

**1 Peter 1:7 KJV**

**That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ:**

**Tried Faith is tested Faith. Tested Faith is pure Faith. It is strong Faith. The scriptures teaches that we are all given the measure of Faith.**

**Romans 12:3 KJV**

**For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith.**

**"By Bro Jeff Smith"**

**We all have the same but I believe that it is like a musical in the body. When you use a musical the stronger it's becomes. Therefore tried Faith or strong faith is faith that is used everyday. It has become a culture in individuals life. A way of life. It's Faith that can be trusted.**

**Faith without works is dead God can't use doubt or dead Faith. Works without Faith does nothing the results are nothing. You got to have faith and put works with it.**

**“By Bro Ty Martin”**

There was a time in my life when I was working a full-time job we had a full-time Crawfish restaurant and also I was running a lot of rental parks and for A time there was so much stress that I had never encountered before and I come home one day broke down mentally physically emotionally and I told the Lord that the devil was trying to break me and I told the lord that I needed him days later I was under so much stress at one time with things breaking down Renters calling with water pouring into their homes water pipes busted at the Crawfish business and working the full-time job all in one day I pulled up at a gas station and for a moment I didn't know how I got there didn't know why I was there it goes to show you that when stress is allowed access into one's life it can destroy them a couple nights later I had a dream in the dream I was driving a car an the road was covered in snakes as I would drive they would bite the car and some would be run over then the dream started over and I drove the same path again and all that was left was the snakes that had been run over that were half dead got to the end of the road again and it started over and the same path that we drove we drove again and there was no snakes at all and what the lord was showing me in that dream was don't worry your path is fixing to open and be cleared from your enemies the scripture said those that trust in the lord shall renew their strength there's times when faith and confidence is all we have to lean on sometimes we just have to trust even when it don't make sense as the woman whose son died in her lap she came running to the prophet and he ask the question is it well with the child ,with your family, with your home ,and her reply was (it is well) even when her most precious gift had died her faith saying (it is well)

**How to Fight a Good Fight of Faith**

**Christian life is a battle; therefore, brethren fight on!**

**God's part we cannot do, our part He will not do, therefore, if we are faithful, God will look after our success.**

**“Fight the good fight of faith, lay hold on eternal life, to which you were also called and have confessed the good confession in the presence of many witnesses” (1 Timothy 6:12).**

**We must fight a good fight of faith, holding on to eternal life, to which we are called.**

**We must fight a good fight of faith in order to possess our possession in the Lord our God.**

**Beloved saints of God, we are not cowards or weakling but we are courageous soldiers of the cross taking on, on all challenges.**

**Christians are fighters and warriors in righteousness.  
Christian faith is a battle against evil and wicked forces.  
Fellow saints, we are in a spiritual battle.  
Battle against darkness.  
Battle against unrighteousness.  
War against the devil and satanic hosts.  
Battle against demonic forces in the heavenly realm.  
We must fight against sin.  
We must fight against false doctrine, apathy and apostasy.  
WHAT ARE WE FIGHTING?**

**Ephesians 6:12.  
12 For we wrestle not against flesh and blood, but against principalities,  
against powers, against the rulers of the darkness of this world, against  
spiritual wickedness in high places.**

**2 Corinthians 10:3-6.  
3 For though we walk in the flesh, we do not war after the flesh: 4 (For the  
weapons of our warfare are not carnal, but mighty through God to the pulling  
down of strong holds;) 5 Casting down imaginations, and every high thing  
that exalteth itself against the knowledge of God, and bringing into captivity  
every thought to the obedience of Christ; 6 And having in a readiness to  
revenge all disobedience, when your obedience is fulfilled.**

**There are many Christians who feel that words like fight, struggle, strife,  
and labor have no place in the daily experience of Christian life.  
Many believers think that Christianity centers only on life flowing like a  
stream without hindrances or resistance. (This is not truth)  
Some Christians go out of context by thinking that to fight a good fight of faith  
only relates to healing, prosperity and material things.**

**THE FIGHT OF FAITH IS A FIGHT AGAINST;  
Our eternal enemy  
(2 Corinthians 11:14-15) Satan transforms himself into angel of light.  
False teachers also deceive the Church with false teaching. (1 Timothy  
4:1-2)  
The fashions of this world. (John 17:14-16 / 1 John 4:4-6 / 5:18-20 / James  
4:4)  
Against the tendency of following the thinking line of this world. (1 John  
2:15-17)**

**WHEN DOES CHRISTIAN BATTLE BEGIN?  
It begins the very moment you are born again.  
The gate of heaven is ahead of you to enter but there are forces of the past  
pulling you back.  
Such as:**

**Old broken relationship.**

**Worldly friendship.**

**Unbeliever friends.**

**Devil and his agents.**

**Unbelieving relatives with their cunning craftiness, deception and manipulation.**

**Remember the Bible declares that from the time of John the Baptist until now, the kingdom of God has suffered violence and violence takes it by force.**

**Friend God has called you.**

**He has chosen you.**

**He has anointed you.**

**For such a time as this. GA**

### **(Power Of Faith)**

**When I was in the ninth grade I had a friend that was in football with me. And when I was out of town he had been hit by defensive player right in the back and the paralyzed from the waist down. How about three weeks later I was in church with my grandpa ( John R. Crist). And he was preaching about David dancing. And he looked at me and said Michael mark the time. I looked at the time and it was 9:25. He went on and told me to dance for a need that I have been praying for. And a dance with everything that I had. After church I went outside to call my friend and the phone didn't answer. As I walked towards the door to go back inside my phone begin to ring. And I answered it and ask him how he had been do it and he answered and said "I'm doing fine how are you"**

**And I said "I'm doing good but I have to tell you something" and he replied and said "first I had to tell you something" he said "I was in my room laying down and I felt to dance and I didn't know what I was thinking but I figured**

God had something to do with it I picked up my phone and it was 9:25 so immediately I got out of bed and begin to try to dance and I was given it everything I had and by the time I was done I was able to move like I had never been paralyzed in my life speaking in tongues with my mom and my dad in the room because they had found out I was healed” you see these are the miracles that still happen today I find in Hebrews 13:8 Jesus Christ is the same yesterday, today, and forever. Malachi 3:6 I am the Lord, and I change not. So after everything that I said remember that God still moves in these days anything can happen and probably will.

**(Change Your Perspective)**

1 Samuel 17 tells the familiar story of David and Goliath. I believe firmly that the difference between the victor and the defeated is perspective. The Israelite army was defeated day after day after day because of their perspective on the situation.

They heard Goliath come out for 40 days straight and defy the armies of God. The Israelites seemed to take this personal in that they coward to Goliath’s words. Fear gripped their hearts by the GIANT man. Again, in their eyes he was a giant. It was as if they saw “themselves” as grasshoppers because of Goliath's size.

From David’s perspective, it offended him that Goliath, merely and uncircumcised Philistine, would defy the armies of GOD. David hated the notion that God was being ridiculed by the words of this uncircumcised Philistine. David didn’t see Goliath as his personal enemy, he saw Goliath as God’s enemy. The battle was not Davids battle, it was God’s battle. The size of the enemy didn’t change who David’s God was.

God had already killed the lion and God had already killed the bear.... At the hands of David. What more was this uncircumcised man? After all, in God’s eyes, Goliath was no giant.

So when facing what seems like a giant in our lives, we need not be afraid, rather we need to trust that God will pull us through once again. As cliché as it may sound, don’t tell your God how big your giant is, tell your uncircumcised philistine how big your God is. (It is about perspective)

**(Gods Protection In A House Fire)**

I remember in 1996 we had a house fire I've had four month old twins just had brought him to the doctor this week I have three older children also that

**weekend we had a fire but lost everything my husband wasn't burned on his hands and poems my 4 month old twins were burned over 70% of their body for a whole year I watch my baby struggle fighting for their lives but with the help of the Lord they made it they had it going to go through a lot of intense surgeries skin grafts I didn't think my babies were going to live I wasn't in truth but Garcia's show me that my children were going to live and I thank him for that and I thank him for this true that I have and for healing them God is so good the 26 years old today and doing well by the grace of God.**

**That problem in our life that disappointment that broke your heart. You thought it was a tragedy. You thought it was by accident. It might have been sent by God. Because you see your body is not so important as your soul or your spirit your body is temporary it's going to go to the grave. But your soul you spirit will live forever and God is interested in saving your spirit and sometimes he allows your body to suffer in order to bring your spirit to himself.**

**You see Paul cried out three times Lord! Deliver me. God said no but I will show you what my grace can do. How many of you have problems and tragedy and dilemmas and disappointments in your life? Maybe God sent this wind to blow up the storm to wake you up. Because he wants you to repent of your sins and turn to Him so you can be saved.**

**I'm Talking about Tried Faith! Here in the Bible you read of a man named Job . Job was a perfect man The Bible records a perfect man of his time. A faithful man there was nobody greater in the Old Testament then Job he was a righteous and a patient man.**

**He loved him so much he told the devil to consider him. And the devil you find said let me take all he has and let me touch his body and he curse you to your face.**

**So God agreed and Jobe lost everything at once. His money his land his animals everything then at that moment after getting that news a servant came and told him all his kids got killed. Job suffered his Faith was tested.**

**Now there's other men in the Bible like Moses who lead a bunch of complaining children of Israel out of Egypt in a desert for 80 years before he could go to the promise land and because of acting in anger and not obedience he got to watch them enter in the promise land and he died.**

**Moses suffered but he didn't suffer like Job suffered. Jacob Suffered after his fight with an Angel he walked with a limp the rest of his life. But he didn't suffer like Job suffered. Noah built an Ark and preached the same message it's going to rain! He preached the same message for 100 years he said it's going to rain Gods gonna flood the Earth. For 100 years the same message!**

**And 100 years he was laughed at and mocked. Noah suffered but he didn't suffer like Job suffered.**

**Shadrach Mishack and a Bendigo was took from their homes given a name that was not theirs and was told to bow down and worship an golden idol but they refused to bow they were brought before the king Nebuchadnezzar, and he was angry at them and demanded thy bow the answered we are not careful to answer you o Nebuchadnezzar o king on this matter if God deliver us or he don't we still won't bow. They were throne in the fiery furnace and the furnace killed the guards and burned off the bonds on the three Hebrew Children and God walked in the fire and they came out not smelling like smoke. The Three Hebrew Children suffered but they didn't suffer like Job Suffered.**

**Daniel prayed three times a day. King Denarius signed a decree that everyone was to pray to only him or be throne in the lions den, all because Daniel interpreted a dream for the king and he gained the kings trust over all the wise men so the wise men wanted to get rid of Daniel. You find in the Word of God that Daniel defiled the kings orders and opened his windows and prayed to God so the whole world could see that he was not gonna give in. Daniel got thrown in the lions den and the king was sorrowful and said may your God save you. And you find that God sent an Angel to calm the lions and they were a warm comfort for Daniel. God delivered Daniel and the king threw the accusers in the lions den and made a new decree that the only God that is to be prayed to and worshiped was the God of Daniel. Daniel he suffered but he didn't suffer like Job suffered.**

**Now you got Joseph Jacobs favorite son because he was born of Rachael his favorite wife, now Joseph was a dreamer and he had a dream that made his brothers mad. Then Jacob his father made him a coat of many collars. Joseph kept getting in trouble over a dream and a coat and he was the favorite son and over his dream and coat and being the favorite son he got thrown in a pit and sold to slavery then winded up at Potifers house and things started to look up and then Potifers lying cheating wife wanted to lay Joseph down in her bed but Joseph fled but she caught him by his coat and Joseph left the coat. When the Potifer got home she lied and said Joseph tried to rape her and she showed him Joseph's coat. Now Joseph is in prison over a coat. I never seen a man get in so much trouble over a coat. But Joseph had a dream and it paid off in the end. Joseph suffered but he didn't suffer like Job suffered.**

**When Job heard he lost everything he said. Naked came I in the world naked shall I return thither the Lord giveth and the Lord hath Takeshita away Blessed be the name of the Lord. He never cursed God, the devil cursed Jobs body from head to toe, his wife told him to curse God and die. He lost his friends who declared he had sinned. But Job stayed Faithful and True to God.**

**He said Tho God Slay Me Yet Will I Serve Him!!! Then he heard that his friends that accused of having sin in his life had the same sickness he did and Job prayed God would heal them. That's when Job got healed and restored all he lost twice much as he lost and God gave him ten more children.**

**Job's faith was tried by fire, and he came out pure as gold.**

**"By Bro Johnny McFall"**

**Tried faith. Faith that's been tried, is an ongoing challenge. Faith will always be opposed by the adversary and those who listen to him. Thus the need for the continual encouragement of faith. Faith is on going. And because faith comes by hearing, and hearing by the word of God, the word of God is an ongoing requirement for the building of faith in our life's. It's a cycle that never stops. We can't preach enough faith. That's why the Apostle Paul said we walk by faith and not by sight. We needed faith yesterday, and we'll need it today and tomorrow. It's the one thing the devil prioritizes his efforts to destroy. For without it, it's impossible to please God. Simon, I have prayed for thee, that your faith fail not. I believe that's still a prayer of Jesus Christ for all of us. Faith will always help us thru no matter the battle. And that's what makes the trial of our faith so precious.**

**"By Bro Frank Miller"**

**Daniel 3 talks about three Jews who would not bow to Nebuchadnezzar's golden image. Shadrach, Meshach, and Abednego, they decided their lives was to serve the only one God, who we call Jesus today. They were thrown into the fiery furnace because they refused to bend to the selfish King's will. They didn't burn because they were protected by the fourth man in the fire. They wouldn't bend, they wouldn't bow, they wouldn't burn.**

**Daniel 6 talks about a order by King Denarius that everyone was to pray and only worship him. And he was their god and no one else. Daniel opened the windows 3 times. Every day Daniel would pray and after he read the King's order, he opened his window and would pray 3 times. The people who Daniel did this in front was jealous of him because he was able to interpret a dream. The king was so sorry but he honored his order and Daniel was thrown in the Lion's Den. The King couldn't rest but prayed to God that Daniel would be spared. An angel met Daniel while he was in the Lion's Den, and the lions were tamed to Daniel. He rested on a lion that was a pillow for his head, and a blanket to keep him warm. So the next day the King seen that the only one true God shares his glory and throne with no one. That is the God we call Jesus today, and he is a jealous God, and is one, and had delivered Daniel from the jaws of the lion. So King Denarius destroyed that decree and made a new one to pray and to worship the only one true God, and him alone.**

**And the accusers of Daniel were thrown into the Lion's Den, and the lions ate them.**

**Hebrews 11 talks about faith being the substance of things hoped for, the evidence of things not seen. The elders obtained a good report and that, by faith, we know and understand that the world was put together and framed by his, and his alone, words because he is God.**

**Then it talks about through the faith of Abel, Enoch, without Faith it's impossible to please God. The faith through Noah, Abraham, Isaac, Jacob, and Sara, these all died in Faith, having received the promises of God.**

**By the Faith of Abraham, Isaac, Jacob, Joseph, and Moses, all of them chose to suffer, rather than to enjoy sin for a season, and die.**

**And these scriptures following there is a common thread. None of God's followers had the scriptures available like we do to let them know how there end was. Their determination was to worship the only one God, and all of them did, so they suffered, and they held on to their Faith.**

**Child-Like Faith**

**The bible doesn't specifically mention having child-like faith but I want to talk a little bit on child-like faith.**

**Being a preachers kid I was always raised up in the evangelist field. There was times where I remember going to the prayer room at Van Buren United Pentecostal Church and I would pray and believe that God would give us a powerful service that night. I notice now that as a child I had faith believing that he was going to move for his people because I seen it happen at other places. If God did it there he can do it here. I always started my prayer off with giving God praise. God inhabits the praises of his people. The Lord desires his people to praise him and thank him. Even during times when we don't feel like it, remember that Jesus's flesh didn't want to die but he was willing to walk that hill of Golgotha to die for us. We have to take up our cross and walk with him.**

**I remember being 5 years old with an ear ache. We walked into the church house and I was in so much pain. I knew the power of prayer even at that very age of 5. I told papa it hurts so bad and he said let's go get prayer. Church service hadn't started. My pastor at that time, Bro. Steve Davis, layed his hands on my head and anointed me with oil. I knew I was going to be healed. Before service was even started I was healed and there was no more pain.**

**You don't have to have the big name preachers, evangelists, and prophets to pray over you. All you need is just a little faith, child like faith that God is going to heal. You can even pray for yourself right where you are. Just speak his name and you will get the attention of all mighty God.**

**Have faith as a grain of mustard seed and mountains will be moved.**

**God can do anything but fail. Trust in the Lord with all your heart and lean not on your own understanding. We may not know why God isn't moving right now but hold onto the faith you got and the promises of the Lord. Give them all to Jesus and he will turn your sadness into joy.**

**You may be wounded beyond measure but always remember no one was as wounded as Jesus was. When he was on the cross you was on his mind. And he sees just where you are right now and knows your pain. Someone out there has it a lot worse and we as children of the king who knows what Jesus can do, with the hurt we have, we can go help those who have no faith, and shine a little light to them. That will build up our faith and make us feel better knowing we helped someone.**

**No matter what you may be going through always remember that Jesus Christ knows your name and he knows every hair on your head. Before he formed thee in the belly, he knew thee, and he sanctified thee. Put on the whole armour of God. Never turn back and let the Lord fight your battles. Faith is the substance of things hoped for and the evidence of things not seen.**

**When we feel like we have been beat beyond measure, Christ died for us, and he is always on our side. If God be for us who in the world can be against us. Life is rough, it can be very rocky, but on Christ the solid rock I stand all other ground is sinking sand. Lord I am broken, my life is in pieces but your strength is perfect in all of my weakness.**

**Faith is as simple as a child singing**

**Jesus loves me this I know  
For the bible tells me so  
Little ones to him belong  
They are weak but he is strong**

**Yes Jesus loves me  
Yes Jesus loves me  
Yes Jesus loves me  
The bible tells me so**

**You may be weak, but he lifts us up.**

**I will leave you with this final song**

**Lift him higher  
Lift him higher  
Lift him up so the world can see  
He said if I be lifted up from the Earth  
I will draw all men unto me**

**Lift your praises to him and thank him for everything. He doesn't promise us roses and butterflies but when we have a thankful heart towards the Lord he will lift us up out of that valley.**

**Remember when we think about faith remember this**

**One more valley, one more hill  
Maybe one more trial, one more tear  
One more curve in life's road  
Maybe one more mile to go  
You can lay down your heavy load  
When you get home**

**There is coming a day where there will be no more tears and pain. Hold onto your faith because there might be a day where that's all you got to lean on. Just like Job when he lost everything he said thou he slay me, yet will I serve him.**

**I got my mind made up to serve the Lord all the days of my life. Keep on the firing line and never give up because the Lord never gave up on you. Why should we ever give up on him. Lean on him and he will see you through.**

**"By Harry Powell"**

**Bible says without Faith it is impossible to please God. If we have the faith and we believe and trust him. He will drive away our sorrows, fears, sickness, discouragement, and all your problems. The Bible says: If you have the faith of a grain of mustard seed, you can speak to the mountain to move and it will move. We must exercise our faith to see great results.**

**I believe the story of the Apostle Peter is one of tried Faith, During that last supper. Jesus had all the Apostles around the table for the last supper. He was telling them that he was to be crucified. Jesus said; one of you shall betray me. Of course it was Judas, but Peter had something to say.**

**Peter said; I will never leave or deny thee. Jesus said to Peter. Verily I say unto thee, that this night, Before the cock crows, thou shalt deny me thrice. It happened just like Jesus said. He ran into a dark place and wept bitterly.**

**The story goes on. In Matthew (28:17-20) He appeared unto them. Guess who was there with the other ten. That's right (Peter). I believe tried and tested Faith brought him back to Jesus and what we call him and the rest of the Apostles to do as it says in Matthew (28:19-20). I feel he was drawn back to do what Jesus called him to do. It was a little latter, Peter preach in Acts (2:36-41). What a Journey for Peter.**

**I was reminded of services at Jackie Brannon Correctional Center in McAlester Oklahoma, prison in 1989. We started out with four in service. It stayed that way for two months. It slowly began to grow for the next three or four years. We got up to twenty through twenty-five men per service.**

**Somebody told me it will never last. It won't grow and I heard so many negative things. We were stuck on twenty-five for five years, but I remained. Faithful and persistent. One service I came in and I got there about 5:30PM at three minutes til 6:00PM Not one came in. So I said Lord, it is just me and you. I did not know until later that night, Oklahoma Sooners were playing for the National Football Championship. I started to read my first scripture and in walked ten men, about ten minutes later thirty more came in. Right before I gave my title to preach on. Thirty more men came in. There were seventy men there that night. Largest Crowed since I had Been there, service was awesome. I was so excited and I said why are y'all not watching the game? They said we can see the score later. We wanted to come to church.**

**It was such a faith builder. I faced criticism and low numbers up and down. Some said throw in the towel, But this night my Faith exploded. All the tests the prayers, the ups and downs, criticism, I stayed committed and dedicated and God honored my Faithfulness.**

**One of the scriptures I read that night was, You have not because you asked not. We asked that night and God delivered. I was thankful for seventy men and how God increased my Faith.**

**One last story. In the 2000 or 2001, We we're having some powerful services, We needed to Baptize many in Jesus Name! I went to the Chaplain. He knew we were Pentecostal. I need to baptize a lot of men. There was no baptismal tank there. He said; even if we had a tank. You will never baptize anyone, in Jesus Name here. We were up against it. No tank and Chaplain was against us.**

**I did not get upset or mad. On the way home, I asked the two men that was helping me. Let's fast and pray next week. We did and I got a call. He said: I am the new Chaplain here, The other chaplain left for a missionary position in Ethiopia, He said: I hear you want to baptize many men. I said yes sir but there's no tank he said there is one now. I told hi I need to baptize them in**

**Jesus Name! He said that's no problem. So we baptized a lot of men the following Saturday.**

**When we face tests and our back is to the wall. God granted us a mighty victory. So you might be tested tried or even discouraged. Let God renew your Faith. Then You can tell then you can tell the world, the devil, and everyone. Look what the Lord has done!**

**My Papaw still preaching at the jail today let this Testimony encourage you.**

**In my personal experience I went through a lot of hurt. I put so much trust in men and they let me down. Men always will let you down and disappoint you. That is what humans do it's our nature, to disappoint fail hurt and wound. Man is not nor will ever be perfect until the hear God say We'll done. Some men do these things unaware and some do it cause they think it's funny and you lower then them. That's a wicked person.**

**This is why the Bible says to put your trust in the Lord and not have all your confidence in man cause if you idolize someone that person will without fail hurt you fail you disappoint wound you very bad because they are human and not God.**

**God wants you complete trust and confidence in him. Trust in him and lean not on your own understanding, in all ways acknowledge him and he shall direct thy paths.**

**As a Evangelist you meet many people who try to tell you your calling and the Devine Will of God in your life. If they are not your Pastor and they are not praying for you and fasting for you weekly or daily then they don't know nothing about what you are in ministry or the Will of God in your life!**

**Now God has and will send someone to help you along the way.in your walk with God and even help impact and shapen your ministry. But they will never tell you that you are not called to do this or that. No one knows the Will of God in your life but you.**

**There been times in my life where people I looked up to tried to control my Ministry and because I trusted them not knowing they were ravaging wolves in sheep's clothing it almost destroyed my Ministry.**

**Then there's the shut doors you know you know without doubt your called to Evangelize and you wait on the door to open and you wonder why it's not opening. Your Faith gets low and your discouraged. Then there's questions did I miss God?**

**Were those people right and I was listening to the wrong voice? Then a Preacher that knows nothing about you comes by the anointing of the Holy Ghost and tells you what your called to do but you are to walk softly and humble yourself and the doors will open. Your Faith is high then the voice of doubt and discouragement comes speaks and tells you that your not called and that was a false prophet trying to distract you off your course of doing nothing but warm a pew.**

**Then Boom! A door opens you walk in you preach the power of God falls and you know it's God you feel his hands all on you, and you feel the anointing of God on you and you see the people respond! Then the door closes it was just a one night preach.**

**For a moment your faith was high and your Thankful. Then a Pastor says when Your in the area let me know and we preach you several told you that so you do and it's thanks for letting me know bye. So you go back home.**

**I heard some Pastors say some preachers come and your glad to have them preach and some come around you thank them for being in service with ya you give them an offering and send them on down the road.**

**I heard that many times and I started to feel like I was that preacher. Give them an offering and send them on down the road. I heard it said to. To old of a coon to be treed by a feist. The feeling that's you to. I also heard many times if I'm gonna hear someone tell me how to plant corn I want someone who has corn in the crib telling me about it. You feel like they are saying you ain't got no corn in the crib.**

**To understand what I'm saying it's the fact that someone saying I'm not listening to no preaching from a preacher who ain't got no corn in the crib. Meaning no experience or it's a matter of you have no car no home your living off your parents or grandparents or you are poor. It makes you feel very low and small.**

**That's how the devil works he makes you think everyone is against you so that you just give up and walk away. Truth be told they probably never was talking about you but if they were you got to get to the place where you are not bothered by what people think and you keep being obedient to God. Sometimes you must remember who called you.**

**Sometimes you knock doors and it's the same old thanks for letting me know bye scoot scoot! Next! And your like these people are a bunch of liars. That maybe true then it may be a matter that it's not your time to be there yet.**

**You find some that you say. This is a man of his Word! But sometimes we get in a rush and we need to slow down and let God open the right doors that need opened and you can truly be used of God. Let God open the door don't try to beat it down a forced door is not a open door.**

**Now let me say this. I was told that people use Pastors a whole lot to preach meeting's because a Pastor has experience and they use the Elders more then anyone else. The youth gets push to the side and the Evangelist get noticed but unless they have a big name they say nothing or unless you part of the big Executive Council you say nothing.**

**Those things can be discouraging to others I seen young preachers and Evangelist backslide over it and I also heard about if they really loved God or if they were really called men would called them. I also seen men try and they got told no I don't advise it and they slandered the Evangelist. Also if the preacher wasn't one that brought the hype and shout shook and shive that wasn't a Evangelist.**

**I heard it all and I have to say. What happened to try the Spirit and far as experiences how can one gain experience if one never gets him up to learn. I hear Elders say all these young preachers that ought to get out and start churches somewhere. Why not preach them and train them and help them? One cannot gain the courage to start a church if no one gives him the opportunity to gain experience behind a pulpit.**

**I have had Pastors tell me I love to have you but I just cannot afford it right now. Then you hear they had a three night revival or a month long one and you realize they was trying not to hurt your feelings but they wanted a big name Evangelist.**

**That happened to me and yes it hurt and it did get me down for a wile but God opened up other doors that appreciated my Ministry see the others the devil was doing every way to distract me and discourage me and cause me to walk away from God but I didn't why cause God had me.**

**Yes don't get me wrong there are some Pastors that can't afford a revival and they need a Fellowship to help sponsor a revival for the and allow them to call in a Evangelist rather they are in the same organization or fellowship or independent it shouldn't matter as long as they preached the Apostolic Doctrine.**

**I also seen Pastors go out there and preach a month long revival wile the Evangelist sat home and sit on the sidelines and get overlooked. Someone said the reason why it's so hard for Evangelist to make it is because a Evangelist stepped in the place of a pastor's and that's what hindered revivals for Evangelist that's why Pastors preach the Revivals now. I say if a**

**Pastor has a church then he needs to Pastor not preach a month revival he needs to Pastor his flock not someone else's. And a Evangelist needs to Evangelize from church to church and from door to door in his community or on his Job when he's not on the road preaching the Gospel. Now Pastors have every right to go preaching a one night in a meeting or conference nothing wrong with a week vacation nether that's why you have helps in a church.**

**When all these things get to you, you. Red to understand your faith is being tried and tested. If anyone thinks a Evangelist don't get discharged think again so many times Evangelist get into a place of discouragement because of liars people in Executive Council lying hold sin that's under the blood in their faces and tyrants holding them back from their calling and calling Pastors and ruining their name.**

**Don't get down and discouraged cause doors shut and don't open stay humble and be strong and hang in there a unexpected door is about to open.**

**I got into a state of depression and I was sad my wife was trying to encourage me and build up my faith I told her If I Be A Man Of God the he open six doors for me to preach and God open those doors and they were unexpected doors but that's how God works.**

**Your Faith is being tested. If you are feeling what I have wrote here and it hurts. Give it to God let him have it he help you heal from this.**

**"By Bro Jade Tolbird "**

**Give it all to God! Your failures your brokenness and mess ups. Hey your mess ups are a opportunity for God to make you new. Don't let your past decisions keep you bound, He is able! We are not bound by our past we are able to give it to God and let him have it.**

**God knows where you are at and he wants to see if we are going to give in when things get a little tough or fight and press on and declare tha Jesus is the Lord!**

## **Chapter 7. “When Your Born In Fire You Can’t Live In Smoke”**

**This story is mainly about things that I feel led to write. I will talk about a Balance in God in sound Biblical Doctrine. I will go in depths of what God called us all to be. Why reaching souls is important.**

**Are Your A Leader Or Are You Another Scribe And Pharisee?**

**"Servant leadership In the kingdom is not about seeking position and power. It is about following Jesus as he serves others and suffers on their behalf. Servant leaders follow Jesus by doing what he says to do first in whatever context they find themselves."**

**Show Me A Pastor That's Strong On Biblical Doctrine And Standards Of Holiness And Just As Much Strong On Compassion And The Love Of God And True Godly Love For Souls! And There You Have A Pastor That's Balanced! I Thank God For A Pastor That's Real Not Fake And Cares For Others!**

**We need more preachers like that and Saints as well!**

**Strong in The Truth Of What The Bible Says Grounded Stedfast Unshakable Planted In Truth The Bible!**

**Wise As A Serpent Harmless As A Dove!**

**BALANCED!**

**Achan's sin didn't just cost him and his family.**

**His sin cost 36 men their lives, and forever altered those families.**

**Everything we do has a far greater reach than what we see....**

### **Balance:**

**You can only balance something with an equal weight at the opposite end.**

**When it comes to living for God, He said “be ye holy for I am holy”. The word “holy”, here, has one definition of being balanced.**

**Just going to the “house of God” doesn't bring you into balance with God. You must let what you hear, change you, to bring you into balance with the God of the house. God's plan is to form you into His image in this earth. Everything He does is to help move us into that image**

**The things we chase after, that are not of God, create an imbalance in our lives. That's why we feel at odds when we try to approach Him...we're out of balance with Him. Only way to gain balance with God is to remove the things that create an imbalance. Sin, rebellion, unbelief, lack of obedience.....all things that load the scales against us.**

**THE FIX: Repentance, water baptism, and being filled with His Spirit (Jn 3:5, Acts 2:38) remove those things and help us to begin to walk in that perfect balance with Him.**

**We're not saved, brought into balance with God, by our own works, but by our obedience to His Word**

**Bible tells us to “lay aside the weights that so easily beset us”....ie...get rid of those things that create an imbalance within/around us.**

**Go to God, ask Him to help you remove anything that separates you from Him. Find balance with God, and you'll have peace in your heart!**

### **TRUTH**

**2 Cor 2:11 — Lest Satan should get an advantage of us: for we are not ignorant of his devices**

**.....unless you just want to be!**

**Some folks do not want to hear THE Truth. And satan loves it! He enjoys the fact that a people formed in God's image would turn and reject the very God that formed them.**

**In the days of Noah, they rejected The Truth, as well. They held to it, until it thundered. Noah had preached righteousness for 120 yrs. God gave them many years to hear and obey.**

**That moment of realizing He was right came upon them suddenly. The Truth was revealed. The rains came. Those that rejected Him were washed away.**

**There IS coming a day when the whole world will once again be shocked back into knowing The Truth! The Trump of God will sound, those Born Again will rise, and the church will leave this world to its fate.**

**God loves us dearly....but Like Noah's day....you're running out of time. Don't let the enemy of God lull you into believing lies. God said He was coming back...are you ready???**

**Get IN the Word of God...**

**Let the Word get IN you**

**“Blessed are those that do hunger and thirst for righteousness, for they shall be filled!”**

**To many folks living with an “Identity Crisis”!!**

**You are not the label the enemy has placed on you. Remove it!!!!**

**Change how you see yourself. Change how you allow it to make you feel, act, and/or react.**

**People NOT Politics!! Unity!! Wake Up!!**

**The Lord gave me a treasure yesterday that I never want to lose. I’m so thankful for what the Lord is doing not only in my own relationship with Him but in the body of Christ as a whole.**

**I don’t care what your life looks like right now. You better stay close to God because you don’t want to lose out on this Revival. Pray more than you ever have, worship more than you ever have, and witness to souls every chance you get because there’s a great harvest happening not later, but now!**

**So many things try to creep in the way of our purpose of why we go to Church and why we show compassion towards others.**

**And so many look at you and see in their own eyes and flesh that nothing goes right so they assume you are a fake a fraud or a joke and no matter what seed you sow it seems you read destruction.**

**When You Sow Love and Compassion And You Reap Hate and persecution You Sow Encouragement And Hope And You Reap Rebuke And Scorned You Sow A Burden And Vision And Prophecy From God And Reap Questioning And Unsure And You Sow A Seed To One That Asked Help And You Reap When You Asked Help Rebuke And Mockery And Criticism.**

**I Know The Last Scripture You Want To Hear Is Galatians 6:9 But That’s God’s Promise Hold On To It Because It Will Happen!**

**Galatians 6:9 KJV**

**[9] And let us not be weary in well doing: for in due season we shall reap, if we faint not.**

**Psalms 126:5-6 KJV**

**[5] They that sow in tears shall reap in joy. [6] He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him.**

**That’s his promise.**

**15 years ago My Pastor Ben Petrella spoke this to me saying. The Lord Put This On Me To Tell You Be Not Weary In Well Doing You Keep Weeping On God You Keep Pressing You Keep Pushing Just Don’t Be Weary!**

**In 2015 he Told Me Again same thing then in 2017 at A Youth Rally at his Church He Told me Again then few months ago in 2020 he preached that scripture and**

**preached right at me Again and look at me and said BE NOT WEARY AND WELL DOING BECAUSE YOU WILL REAP WHAT YOU SOW!**

**I'm telling you Hold On To Gods Promises it's Coming!**

**(Apostolic Pentecostal Doctrine In 1990s And 2021)**

**Standards.**

**This is just a thought on some things.**

**The early 1800s you see all ladies wearing and yes uncomfortable dresses tight and you couldn't breathe all the ladies wore dresses then in 1851 women started wearing pant-like clothing then you go from there women putting on mans apparel or manlike apparel but the Christian ladies did not do such thing any of the denominations they put on dresses that covered the body as the hookers took more and more off revealing so many parts of their body along with painting their faces like Jezebel the false prophetess of hell anointed by Satans wickedness and evil power among nose jewels ear rings ring on every finger are use licks all over the hands and feet which God said in the scriptures was the sign of a Harlot.**

**Men had beards always have some shaved but all of them had clean cut hair unless you was a native Indian. In fact you had some Indian men join white culture and they cut their hair like the white men.**

**But then in 1960 long hair and beard men came to play in the rebellion free will do as you want as you please. But you find that the Christian men shaved their kept their hair clean cut and clean trimmed beard and some shaved their face. Most in the Apostolic Pentecostal ranks shaved their faces refusing to look like the world choosing to be separated from the world according to the scriptures in the KJV.**

**Ok you see little bit of change in the world over the years now let's talk about the Apostolic Pentecostal Doctrine clothing standard and outward appearance in 1990s through 2021 there's a major difference I came in the world in the year of 1994 and when I began to grow and old enough to understand I watch a major change in the church I was in and the circle we were in I watch 2 church splits inside the church I was in at the time and then I saw 1 church split outside that same church. But let's discussed the change saw.**

**We will talk about the outward appearance later in another post we talk about the inward appearance and what does God see when he looks at you.**

**The 1990s standard on women dresses not so tight that it reveals areas that makes guys blush 2 and half inch is the highest on heel of the ladies shoes elbows covered at all times skirt length to the ankles no higher then mid cafe and som was med leg and no split period.**

**Long hair ladies not brought it with gold nor braided nor permed not trimmed off not burnt off completely natural uncut hair.**

**Men hair clean cut faced shaved hair Comb back or parted big shaved on side or spiked.**

**No tv no video game**

**And you didn't date a girl unless you were straight up going to marry her. And I came out of a place that got weird and you loved who you married which was approved by your mother Father Pastor and it was someone you didn't know and who they picked and I only seen two that were very happy with each other and their marriage is not in shambles right now. Rest are either separated or they flat out hate each other and their children suffer for it.**

**Back to clothing and standards men wearing pink shirts was wrong and that's not even heaven or hell issue but that's what I was raised up hearing.**

**But heard what I saw some of this is flat out nonsense and not even biblical at all but was preached like it was sound Bible Doctrine. They took the scripture about being obedient to a man submitting to a man of God Amen that's right Obey them that have the rule over you for they give an account for your souls. Hallelujah! That's right that's obeying God's word! But I watch them take that scripture and started throwing people in hell over a beard and having long sideburns like Elvis Presley.**

**Long sideburns was out all the way back in the Bible days just like beards which Jesus had along with John Peter Matthew and Some had long sideburns. John the Baptist would have been thrown in hell because he had a beard and died with one.**

**But it was grafted in Apostolic Pentecostal Doctrine by one man back in 1967 in some jobs outside of church is frowned of as unprofessional but homosexuality is professional their to.**

**Now understand something back in that day of the 1990s a bunch of churches held on to this the wear long sleeves shaved their face cut their hair and not shaved on the side but a even clean trim and they looked like clean Godly men.**

**And when they praise oh what power it brought and women long long uncut hair I seen the hair long all way down to the floor not permed but natural long and I seen one lay her long uncut hair over someone sick and prayed to God for healing and God healed that person that long hair was that women's Glory God Gave her! The power of God fell the took their time having church I seen angels and the blue silver blue Smoke mist and white fire on the heads of those praying and touching God!**

**then the 2000s hit and it all changed. I look at Apostolic Pentecostal standards and it makes me sick. Yes we do holidays that we used to not do and I'm not saying your going to hell over it but looking at some things here really scares me.**

**The sleeves got shorter and shorter over the years and the dresses the men's hair are getting longer and the women's hair are getting shorter all in the name of looking pretty they put on makeup gloss their nails changed the color of their hair and fingernails!!! Men's pants so tight they walk effeminate look effeminate talk**

**effeminate!!! Some growing beards and it's all in the name of preacher can't tell me how it's wrong. In the words of Elder John R Crist a beard today is a mans makeup!**

**I seen a lady claim to be Pentecostal Apostolic following the old paths get up and sing at a Pentecostal Apostolic Church with makeup lipstick and dyed hair and gloss nails with sparkles just like the World did. Her boots went up over her knees and I shouldn't be able to tell you that but her skirt was stopped where her boots started it was funny but it wasn't a joke Bro Carson Was preaching about how to look walk and talk Godly but he said I see more legs and thighs At church then Popeyes and what's said it's not new converts it's seasoned Saints and their children!**

**Welcome to the Apostolic Pentecostal standard of 2021 instead of older women teaching the younger it's oh we got to be patient with our children it's ok for them to look pretty.**

**I'm sorry but anything outside of natural beauty is not pretty or beautiful and looking like a hooker is not at all pretty to Holy Ghost Filled Men.**

**Oh so you been looking huh! You can't help but see what marches up the platform and struts in front of you especially if you're single.**

**Lay nothing up that will cause your brother to fall.**

**Along with this dress change the move Of God rarely happens the out pouring miracles stopped the blind stay blind the deaf stays deaf the layman stays laym the disfigured hand or diss formed leg stays the same.**

**Am I saying you have to go all the way back follow every little detail of the old Elders Standard and dress code? No I'm not! But cover the inappropriate places don't drag attention to yourself don't paint your face like jezebel those long top boots wear them but put on a skirt that covers your knees and everything else that only your husband should see.**

**I had a Baptist man tell me I am not gonna make my ladies wear dresses because the dresses those Pentecostals wear today I see things that shouldn't be shown in public and I ain't no difference the the strip poll dancer the pants on my women cover up what needs to be covered.**

**That's very sad y'all.**

**Are we Really a light to the World or are we Use to the Dark?**

**(A Warriors Heart With A Champions Spirit)**

**So many times things come in your way and gets you a little frustrated mad hurt even, it's a matter of life things happen things goes wrong disagreements take place and we as men women stumble and make mistakes.**

**You can go out of town out state out of country but until you truly forgive that wrong doings that happened to you, you will never get it out of your mind.**

**It will haunt you it will stay deep in your Conscience in your mind tormenting you in your dreams.**

**You can goof off act crazy go find some high to distract yourself but until you truly forgive that wrong doing. It owns you and it will forever rule your life!**

**You got to get it behind you by truly forgiving it and letting it go and not dwell on it no more filet that rule your life get it behind you walk forward and pull souls out of the fire be the example to others focus on helping souls as well as yourself and go shake that persons hand and smile at them and say I love you God bless you.**

**And pray for the Mercy of God to fall on them instead of his judgment!**

**Then your truly free and you can go anywhere with a clear Conscience because it don't own you. It don't have you no more your showin it good as payment for the evil it shown you.**

**Just like the Bible said render evil with good!**

**LET IT GO!**

**STAY PUT!!! BE STILL AND KNOW THAT I AM GOD!**

**Where Are Those Hungry Saints With The Heart Of A Warrior With The Spirit Of A Champion?**

**Having The Form Of Godliness And Denying The Power There Of!**

**David had the heart of a Warrior as he watched his fathers sheep a bear came out and he took his rod and slew the bear and saved his sheep then a lion came out to take a little lamb but once again you Find David with the heart of a Warrior runs out there and grabs the lion by his beard and kills that lion. And later David by the obedience of his Father left the sheep to go feed his brothers that were in war with the Philistines and there was a giant named Goliath who cursed God and the Israelites and mocked them.**

**And you find In the Bible how David gets so angry at the giant and asked Why is Gods army so afraid of the uncircumcised Philistine named to Goliath who was no match for God. Later in that chapter you find how David faced the Giant. He had the heart of a Warrior David did and you find in the Bible where David knocked Goliath down on his face and David Ran and took Goliaths own sword and with it cut his head off own sword and the whole philistine army fled David had the heart of a Warrior but the spirit of a champion!**

**A Warrior conquers his battles but the enemy keeps coming back, but the Champion eliminates the threat forever destroys it Overcomes the enemy and it never comes back!**

**The heart of a Warrior with the spirit of a Champion.**

**Surely when a cry or a travail comes out your mouth and you don't know why the tears or the reason but you feel the call to pray and you feel a agony of weeping and traveling before God purpose unknown but the pain in your stomach gets to a point where it rises up and feels like fingers tugging your heart then tears begins to fall and you got to let it out as you begin to speak in a unknown tongue Surely the Spirit knows how to pray and make intercessions with groaning!**

**Just let it come out let it happen you might be standing in the gap for a soul or maybe your brother or sister is fighting and needs help from God!**

**Go ahead and let it out don't hold it in let it out God is trying to use you in this!**

**Romans 8:26-27 KJV**

**[26] Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. [27] And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God.**

**This is how a Warrior prays because he or she is not just a Warrior but he or she had the heart of a Warrior and the Spirit Of a Champion! Oh when a champion gets on his or hers knees and began to cry and shake and groan making intercessions! The devil starts backing up he can handle that kind of prayer he flees at that because that's the kind of prayer that Gets God involved! That kind of prayer Pierces the Darkness with light and it pierces through the Spiritual battle ground and it causes the enemy to fall.**

**There's a war going on in the spiritual realm the angels and demons fighting God spoke the the Ark Angel Gabriel to go speak to Daniel the first time he prayed about a certain thing. And the Bible tells us how the prince of Persia withstood him and kept him twenty two days but Daniel kept praying kept on making intercession and it pierced through the spiritual warfare and God sent the Ark Angel Michael down to fight relieving Gabriel to come and give the Message to Daniel!**

**Keep on praying keep on pushing this is a warfare between Heaven and hell! And we all got to keep pushing and seeking God we all got to take up our cross and follow Jesus and pray and get closer walk with God!**

**If your born in the fire you can't live in the smoke the smoke kills you it chokes you up you got to get out of the smoke when God loosed Shadrach, Meshach, and Abednego they did just stay there in the fire they got out of the fiery furnace and didn't smell like smoke. They walked on and lived for God you simply can't just stay in the smoke of the fire nor stay in it but walk through it!  
Tried by fire came out pure as gold all the impurities burned out of you!  
You can't live in the Smoke!**

**Ephesians 6:10-18 KJV**

**[10] Finally, my brethren, be strong in the Lord, and in the power of his might. [11] Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. [12] For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. [13] Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. [14] Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; [15] And your feet shod with the preparation of the gospel of peace; [16] Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. [17] And take the helmet of salvation, and the sword of the Spirit, which is the word of God: [18] Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;**

**The old song says fight on soldier it's gonna be worth it all in heaven when we crown Him Lord of all... another song said it's a struggle for survival as we daily meet the foe we're out there on the battlefield and sometimes we stand alone.**

**Yes we stand alone sometimes, but keep on standing keep on living for God! Keep on pushing forward keep your head up and never give in to the devils lies!**

**Just like David he didn't run from the lion or the bear he had a heart of a Warrior and he did run from the battle of the Giant, oh now. He ran to that giant he said You come to me with a spear and a sword! But I come to you in the name of the Lord! He put a stone in the sling he began to sling it in a circle the he let one side of the sling loose and the stone in the sling flew out and hit the Giant in the head.**

**Did David stop there oh no he had the heart of a Warrior, he ran to the Giant took the Giant's own sword and then cut his head off the Giant! David had the heart of a Warrior but he had the spirit of a champion!**

**David didn't just conquer the battle he overcame the battle.**

**I am more than a conqueror I am a overcomer! By the blood of the Lamb and the words of my Testimony I'm not ashamed of my testimony I have a testimony that God has given me and I will tell it I will lift up my God because he walks in front of me!**

**David's story went on you find how David when he became king there was war after war he lost his family and all he had and God told him to pursue and you read how David overcame the enemy and too all he lost and even more The Heart Of A Warrior With The Spirit Of A Champion!**

**Also you read in the Bible about a King named Jehoshaphat the king of Judah the Bible talks how all of Moab came against them and you find that king Jehoshaphat fell on his face before God and began to pray and then praise and worship God!**

**2 Chronicles 20:14-22 KJV**

**[14] Then upon Jahaziel the son of Zechariah, the son of Benaiah, the son of Jeiel, the son of Mattaniah, a Levite of the sons of Asaph, came the Spirit of the Lord in the midst of the congregation; [15] And he said, Hearken ye, all Judah, and ye inhabitants of Jerusalem, and thou king Jehoshaphat, Thus saith the Lord unto you, Be not afraid nor dismayed by reason of this great multitude; for the battle is not yours, but God's. [16] To morrow go ye down against them: behold, they come up by the cliff of Ziz; and ye shall find them at the end of the brook, before the wilderness of Jeruel. [17] Ye shall not need to fight in this battle : set yourselves, stand ye still, and see the salvation of the Lord with you, O Judah and Jerusalem: fear not, nor be dismayed; to morrow go out against them: for the Lord will be with you. [18] And Jehoshaphat bowed his head with his face to the ground: and all Judah and the inhabitants of Jerusalem fell before the Lord, worshipping the Lord. [19] And the Levites, of the children of the Kohathites, and of the children of the Korhites, stood up to praise the Lord God of Israel with a loud voice on high. [20] And they rose early in the morning, and went forth into the wilderness of Tekoa: and as they went forth, Jehoshaphat stood and said, Hear me, O Judah, and ye inhabitants of Jerusalem; Believe in the Lord your God, so shall ye be established; believe his prophets, so shall ye prosper. [21] And when he had consulted with the people, he appointed singers unto the Lord, and that should praise the beauty of holiness, as they went out before the army, and to say, Praise the Lord ; for his mercy endureth for ever. [22] And when they began to sing and to praise, the Lord set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.**

**When the Worshipers and Singers leads the battle! People who never touched a sword couldn't tell you how to hold it but could tell you all about how to play a harp or a tambourine or drum or trumpet they most likely could tell you how to sing but knew nothing about war! You find that they with their voices with their instruments no doubt lead the battle dancing shouting and praising and Worshiping God! Moab no doubt said their crazy what a bunch of imbeciles! But all Judah as well and king Jehoshaphat began to sing shout and worship God! And the did it on the battle field and not a sword was took out it's shelve they just had church! And God came down and began to touch the enemy and they slew each other! And none of Judah's blood was spilt! God fought the battle but Judah got the Victory because God gave it to them!**

**That's how God works when we trust in him and praise him and worship Him He will go before us and win the battle!**

**When The Worshipers Lead The Battle!**

**It's just like Jericho not a sound was made not a voice heard but in the seventh day after the seventh time the blow of the trumpets sounded and they started to shout and the walls fell flat!**

**Now let me bring this to your attention please. What is a shout? A shout is a high pitched sound that breaks the air of its silence. And what does the Bible say about the devil? The devil is the prince and the power of the air and when you shout unto**

**God what do you think you are doing? When you began to shout praises unto God you are breaking the devils Back!**

**Mark 16:17 KJV**

**[17] And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;**

**Do you know who you are? Your a child of God! He Called You Made you in his Image!**

**God Gave you power!**

**You have the power to cast out demons in Jesus name That's Gods power to you they have to submit to your authority and leave by your commandment!**

**2 Timothy 1:6-7 KJV**

**[6] Wherefore I put thee in remembrance that thou stir up the gift of God, which is in thee by the putting on of my hands. [7] For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.**

**God gave you this and you have the strength to be the Overcomer he called you to be!**

**Much Prayer Much Done Little Prayer Little Done No Prayer Nothing Done!**

**Chapter 3. (Working Progress)**

**These last two chapters was for this purpose one to know who you are and for you to be encouraged and also balanced in what you do we all are a working progress and we must allow God to mold and shape us to a perfect vessel he can use.**

**2 Timothy 1:6-7 KJV**

**[6] Wherefore I put thee in remembrance that thou stir up the gift of God, which is in thee by the putting on of my hands. [7] For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.**

**Fear Not Gods on your side and he will lead you!**

**Acts 1:8 KJV**

**[8] But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.**

**Called for a purpose! Made in his image fearfully and wonderfully made one of his marvelous works his kingship his Masterpiece of all his creation.**

**Can you look at yourself in the mirror and say I am a working progress?**

**When you build a house or mold a flower pot or you burn all the impurities out of gold it's a working progress. As a child in christian school one of the songs that was sung, He's still working on me to make me what I ought to be.**

**I am a working progress because I allow him to work in my life. Will you let him work in yours or will you push him off and try to work it yourself?**

**I seen several do that and I watched their lives get so messed up. And yea it's hard but really not that hard. I find it easy to live for God because Life and work is so hard and sometimes it gets harder yet with God it's life worth living.**

**Sometimes I get aggravated upset angry with people because they hear you and what your saying but question you or they simply ain't listening to you because they think they know what's best. Like they did to Jeremiah.**

**I like Jeremiah was in a working progress you see Jeremiah said I will not preach again I'm done it's over they just laugh at me make fun and lie on me and won't listen so I'm not waisting another breath towards them. But God put it on him so hard hot and heavy it was like fire shut up in his bones and you find once again Jeremiah running to them to preach the word once again to a people determined not to listen.**

**Two things this teaches one Gods Love and Mercy two God will make you miserable till you have to obey him or run away from him and his will for your life then your life will be a total wreck.**

**God has to work in us all and keep working I find that praying to him and getting a relationship with God is the best thing to do you won't go wrong there.**

**Jeremiah 18:1-6 KJV**

**[1] The word which came to Jeremiah from the Lord, saying, [2] Arise, and go down to the potter's house, and there I will cause thee to hear my words. [3] Then I went down to the potter's house, and, behold, he wrought a work on the wheels. [4] And the vessel that he made of clay was marred in the hand of the potter: so he made it again another vessel, as seemed good to the potter to make it. [5] Then the word of the Lord came to me, saying, [6] O house of Israel, cannot I do with you as this potter? saith the Lord. Behold, as the clay is in the potter's hand, so are ye in mine hand, O house of Israel.**

**We got to let God keep molding us and making us no it don't feel good to be put on or back on the potters wheel and be molded to Gods perfection in our lives free of muck and mar and sin. Sometimes he puts us in the fire and we are tried by the fire and know it don't feel good when the impurities are burned out of our lives but we must be remade to Gods perfection and we must be tried by the fire to be as pure as fine gold!**

**We are a working progress.**

**That's when we can show compassion and A Goy Love for one another and sinners that are not in church to win them and reach souls and help them reach Heaven we all are a working progress!**

**2 Corinthians 11:13-15 KJV**

**[13] For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. [14] And no marvel; for Satan himself is transformed into an angel of light. [15] Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.**

**This is talking about self righteous Pastors who's has nothing to do with souls except bend the to their Will and as the Bible says make them a twofold child of hell as they are.**

**Look at what the Bible says.**

**Jude 1:11-16 KJV**

**[11] Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gainsaying of Core. [12] These are spots in your feasts of charity, when they feast with you, feeding themselves without fear: clouds they are without water, carried about of winds; trees whose fruit withereth, without fruit, twice dead, plucked up by the roots; [13] Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever. [14] And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, [15] To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him. [16] These are murmurers, complainers, walking after their own lusts; and their mouth speaketh great swelling words, having men's persons in admiration because of advantage.**

**Going the way of Cain pleasing their own agendas not really caring for the souls just lording over them and twisting the scriptures to their own doctrine making it say was it didn't say.**

**Jeremiah 23:1-6 KJV**

**[1] Woe be unto the pastors that destroy and scatter the sheep of my pasture! saith the Lord. [2] Therefore thus saith the Lord God of Israel against the pastors that feed my people; Ye have scattered my flock, and driven them away, and have not visited them: behold, I will visit upon you the evil of your doings, saith the Lord. [3] And I will gather the remnant of my flock out of all countries whither I have driven them, and will bring them again to their folds; and they shall be fruitful and increase. [4] And I will set up shepherds over them which shall feed them: and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the Lord. [5] Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth. [6] In his days Judah shall be saved, and Israel shall dwell safely: and this is his name whereby he shall be called, THE Lord OUR RIGHTEOUSNESS.**

**Here you find how God got angry his sheep were scattered and being eaten by wolves and lions bears and the pastors and shepherds were in there eating and getting fat and lording over their subjects which Got God very upset.**

**But they bring up you must be submitted to the Man of God and obedient and how dare you question my authority!**

**Then they bring up the scripture obey them that have the rule over you for they give a account. Like I said lording over the sheep and if you really look at that scripture you see how the scripture says the will give a account for your souls... give account not hold account!**

**Every man and woman will give account for their own soul and what they say to others they give account. Pastors preachers and all in ministry will give a account for every message they preached and what they personally said to you rather it's good or bad and you will give a account for obeying or disobeying what they said rather it's good or bad and in our case we must do good even if it's leaving a cultish hellish church.**

**And far as questioning authority the Bible tells you to do so it said to know them that labor among you and more so those that are over you in the Lord. And yes we are to respect the office of a Pastor and any minister but if they are wrong and miss using the scripture and twisting it then as you already read in the scriptures that's a false prophet and false teachers and preacher making themselves a minister of righteousness but are pure darkness and anointed by hell.**

**Too selfish and not selfless.**

**Self Righteousness Or Selfless Service?**

**Matthew 18:26-30 KJV**

**[26] The servant therefore fell down, and worshipped him, saying, Lord, have patience with me, and I will pay thee all. [27] Then the lord of that servant was moved with compassion, and loosed him, and forgave him the debt. [28] But the same servant went out, and found one of his fellowservants, which owed him an hundred pence: and he laid hands on him, and took him by the throat, saying, Pay me that thou owest. [29] And his fellow servant fell down at his feet, and besought him, saying, Have patience with me, and I will pay thee all. [30] And he would not: but went and cast him into prison, till he should pay the debt.**

**Do you see the difference in the two?**

**One had compassion and forgave the debt the other act like a lord over the fellow servant and demanded payment.**

**So many times we forget the debt we owed, and who payed that price.**

**We grown comfortable and spoiled and we no longer consider our brother.**

**We allowed pride to come in our hearts because we have money we let it get in our head and now we are better then everyone around us.**

**This is not a popular subject but it's important in this day and time, we have so many that are in church doing what the world does. Going through the day not a care in the world having a good old time.**

**So many are so selfish they act so Holy and righteous but it's self righteousness.**

**We got to get to the place in God where we are more Selfless and we are giving a Selfless Service to the broken family the broken in heart the wounded fragile saint that is about to give up.**

**How? By getting a relationship with God! Getting a close walk with God showing Love and compassion towards others.**

**We have gotten to a place where it's all about the position in church a seat at the table or a place in leadership among the churches or the organization and they walked on by their brother who was attacked by thieves.**

**Luke 10:30-37 KJV**

**[30] And Jesus answering said, A certain man went down from Jerusalem to Jericho, and fell among thieves, which stripped him of his raiment, and wounded him, and departed, leaving him half dead. [31] And by chance there came down a certain priest that way: and when he saw him, he passed by on the other side. [32] And likewise a Levite, when he was at the place, came and looked on him, and passed by on the other side. [33] But a certain Samaritan, as he journeyed, came where he was: and when he saw him, he had compassion on him, [34] And went to him, and bound up his wounds, pouring in oil and wine, and set him on his own beast, and brought him to an inn, and took care of him. [35] And on the morrow when he departed, he took out two pence, and gave them to the host, and said unto him, Take care of him; and whatsoever thou spendest more, when I come again, I will repay thee. [36] Which now of these three, thinkest thou, was neighbour unto him that fell among the thieves? [37] And he said, He that shewed mercy on him. Then said Jesus unto him, Go, and do thou likewise.**

**The Apostolic Preacher a Evangelist walks up sees the man on the ground and walks fast and on by like he never sees him he's running to go preach and get his nine hundred dollar check!**

**Then a Pentecostal Pastor walks up sees him in the corner of his eye keeps telling n walking dont even care his tithe ain't big enough! So he's nothing to stop and help he don't have time to help that man!**

**But then a drunk staggers out the bar room and sees the man. He yells Hey!!! Hey!!! mans hurt man is Hurt!!! He goes and gets a friend out the bar and they both go and help the wounded man they do what they can to clean the blood and calls the ambulance to come get him and they all together in the bar help pay the doctor bill and make sure the man got the right help!**

**The samaritan the half bread the abomination the heretic from birth by his sinful parents! The Samaritan the drunk sinner so high puffing smoker. Hey what's up cuss smelly rank sinner samaritan! Helps the wounded fallen man!**

**But God said for us the church folk preachers Pastors to do this!**

**1 John 3:16-17 KJV**

**[16] Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. [17] But whoso hath this world's good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?**

**The rooster with the sore on his head... all the other birds in the pen wants to peck it and unless farmer/pastor unless you get that hen/church/soul they others will peck it to death.**

**I Do This So My Brother May Live!**

**What kind of price will you pay to save your brother or a lost soul.**

**I have made up my mind to live for the Lord at all cost even if in means to sacrifice myself, the bible said plainly**

**Romans 12:1-2 KJV**

**[1] I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. [2] And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.**

**We got to stop being so selfish and do what God had called us to do to reach out to our fallen brother and restore him to reach for a lost he'll bound sinner thats heading straight to hell and the only thing that is standing between that soul and hell is you and I!**

**What are we doing with our hands? Are they Holy? Or are they Bloody?**

**We were called to be a witness and to bring a light in this darkness but we gotten so self centered that we gotten use to the dark and we set out to please our flesh and to entertain ourselves with the pleasures of this world and our brother is dying!**

**What will you do so that your brother will live and not die!**

**Prideful Pastors not even caring what they do or say they act like the stud horse in the pasture strutting around looking over his subjects the prideful beast.**

**The Good Humble Pastor full of love and compassion he knows he is not the Shepherd he's the Under Shepherd the Hireling Of God! the Good Shepherd The Chief Shepherd The Shepherd!**

**The Youth Will Live By The Actions Of The Elders More Then What They Tell Them!**

**Everyone wants a move of God in their church but no one wants to pay the price to make it happen nor sacrifice!**

**The price that has to be paid has to come with a humble spirit a broken and contrite spirit and heart.**

**No arrogance no pride no self righteousness all that does is destroy a good church good souls in the church it robs their Hope and love! Arrogance and pride and power hungry political status race for leadership puts Ichabod on the doors of the church God will leave! God will not dwell in power phonetic hypocrites that runs the show their way and refuse to care about the Saints and feeding Gods sheep because of what other preachers see them as. It's sorry how instead of being sensitive to God and lead by the Spirit of God it's all about position and playing Church and lording over Gods sheep.**

**The responsibility of all ministers more so to Pastors over churches is this!**

- 1. Be Bold.**
- 2. Show Compassion.**
- 3. Always be Humble.**
- 4. Never be Arrogant.**

**We are a servant to the church to serve the Word of God to all that will except it with Love Compassion Humility Boldness but never arrogant always warning the lost and the church not to play with their lives but to repent and get right we are supposed to pull them out of the fire not compete with them or other ministers but to work together saving souls pulling them out of the fire so their blood will not be on our hands but so many of us ministers have forgotten that it's a matter of who you are now how old you are were you came from what church you attend how educated you are!**

**And there's people going to hell all around us and we don't even see it cause we are to busy worrying about The position it's all politics now it's who you are and where you are and who's your pastor!**

**Are Your Hands Holy or are they Bloody?**

**I can go on and on on this but ima end it with this.**

**We must pray now! We must touch God for our lost world now more then ever! If we focused more on soul winning and teaching our children how to love God instead of political statice and being someone at a table. They they wouldn't be out there trying to fit in in the world!**

**If I can say it like this Save your children! Moms Dads Save your Children! Don't let them be beaten by tyrants that just want to ride authority make sure you have them in a save environment with A pastor that is concerned for their soul and loves them!**

**Everyone be Selfless Servants and Consider Someone besides Yourself.**

**So what is the purpose and reason for Pastors and I mean Real Pastors. Ask yourself. What is a true real Pastor?**

**What is a Pastor?**

**Ezekiel 3:18-20 KJV**

**[18] When I say unto the wicked, Thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked way, to save his life; the same wicked man shall die in his iniquity; but his blood will I require at thine hand.**

**[19] Yet if thou warn the wicked, and he turn not from his wickedness, nor from his wicked way, he shall die in his iniquity; but thou hast delivered thy soul. [20]**

**Again, When a righteous man doth turn from his righteousness, and commit iniquity, and I lay a stumblingblock before him, he shall die: because thou hast not given him warning, he shall die in his sin, and his righteousness which he hath done shall not be remembered; but his blood will I require at thine hand.**

**Ezekiel 33:7-8 KJV**

**[7] So thou, O son of man, I have set thee a watchman unto the house of Israel; therefore thou shalt hear the word at my mouth, and warn them from me. [8] When I say unto the wicked, O wicked man, thou shalt surely die; if thou dost not speak to warn the wicked from his way, that wicked man shall die in his iniquity; but his blood will I require at thine hand.**

**Jeremiah 6:16-17 KJV**

**[16] Thus saith the Lord, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein. [17] Also I set watchmen over you, saying, Hearken to the sound of the trumpet. But they said, We will not hearken.**

**I set a Watchman! I set a Shepherd! I Gave a Pastor after mine own Heart!  
I called them and I set them up to watch for your souls to preach and sound the alarm to blow the trumpet to tell you to seek after the old paths to warn you of my judgment and wrath and I call them not only to save you but to save themselves for if they do not blow the trumpet if the do not sound the alarm or preach to you and warn you of my judgment and wrath you die in your sins and your blood will be on their hands!**

**What's the responsibility of a pastor?**

**To preach to warn to reach out to show compassion for the lost to encourage the wounded saint to lead the other ministers and Saints in soul winning to take the church outside the four walls and run through the smoke of hell and pull them out of the fire!**

**Pull souls out of the mouth of hell don't let one soul get by you with you reaching for them in love and compassion for their well being!**

**Don't let a soul go to hell if you can stop him or her from going there.**

**So many lives are at stake here and today our ministers are more concerned about the status quo instead of pulling and hell bound soul out of the burning!**

**Instead of Acts 2:38 Jesus name Baptism and Holy Ghost Salvation they hear all about the standard of tv no tv high heels no heels spiked hair or it's part in the middle pink shirts on men is sissy or women strutting around like a man with long hair in a skirt!**

**Are you Apostolic in Standard Are Are You Apostolic In Loving Souls and Trying To Save Them From A Burning Hell! You Get Them To Church and Preach Acts 2:38 and get them To The Altar And let God Dress Them Up!**

**We push more souls into the fires of hell then pulling them out! I seen more sinners that could tell you how to be saved but they could tell you how your supposed to dress in a Pentecostal church and rather or not your following the standard or not, then tell you how to be saved.**

**We got to get back to the Truth of the Bible and start feeding Gods Flock and reaching after more of his sheep then trying to sheer them outside of the fence. We got to just get them I. The Shepherds pasture and let the Shepherd sheer them! Another words Get the Souls to The Altar in repentance And let God Dress them and clean them you just love them and preach about Gods Mercy and warns them of his Judgment!**

**The life of a soul without Jesus is very delicate and some are really strong willed and focused it's that little bit of Faith that God put in us all but they are still fragile and must be handled with care. Every soul is different and you have to approach them different some you have to give them hell and express it hot Bible said others saved by fear pulling them out of the fire. And some you have to simply show love and be a friend and show you care for them and that's how you win them Bible said some having compassion making a difference.**

**Jude 1:22-23 KJV**

**[22] And of some have compassion, making a difference: [23] And others save with fear, pulling them out of the fire; hating even the garment spotted by the flesh.**

**Be wise as a serpent and harmless as a dove.**

**A dove wild and untamed yet so gentle if someone caught it it wouldn't attack or bite or try to protect itself it's simply at the mercy of its capturer completely harmless.**

**A snake on the other hand wise cunning and slow as it sneaks its way towards the dove it knows that one wrong move the dove is gone so it takes its time watching the dove and slowly inch by inch gets closer and closer to the dove til it's by inches beside the harmless dove and then quickly it strikes catching the dove.**

**The Bible tells us on the matter of dealing with souls to be wise as the snake slow cunning and get closer and closer inch by inch until it's in your grasp and they are harmless and at your mercy. And then it says to be harmless as the dove... show mercy love kindness and compassion... that's how you win them over to God!**

**Matthew 10:16 KJV**

**[16] Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.**

**Proverbs 11:30 KJV**

**[30] The fruit of the righteous is a tree of life; and he that winneth souls is wise.**

**And also so many today instead of reaching the lost they try to still Saints and say it's because they don't preach truth and we have more truth that's also not what God wants from us.**

**Here's a post of a friend who experienced this heartache.**

**It takes a very arrogant and egotistical person to reach into someone else's church family and try to pull at those precious members of the body. I thought we were called to reach the lost, not reach the saved? Have we forgotten we are on the same team and that this is Gods kingdom and not a family business? A personal kingdom does not equal Gods kingdom. The church is bigger than one building. No judgment but we should really consider this, if people are members of a church already.... be thankful they are part of Gods body and joining your building won't make them any greater.**

**Its time we get in unity and Fellowship each other and together take the church outside the four walls and reach the lost souls that are on their way to hell! That's what God called us to do not pull saved Saints off a church pew because we don't "think" they got full truth.**

**Church hear me.**

**Focus on reaching the lost if God be before us who can be against us yes we will be persecuted for his name sake that's worth it to me as of now instead of scaring people we must show them we are a help and the light and the way preach Salvation Paul said I only Preach Christ and him crucified we must be about our fathers business and compel them to come so Gods house may be filled O taste and see that the Lord is good Stop Giving Bad News and TELL THE GOOD NEWS JESUS LOVES YOU DIED FOR YOUR SINS GAVE YOU A CHOSE TO BE FREE FROM SIN OR TO RAP THE BROKEN CHAINS AROUND YOU.**

**PREACH YOU MUST BE BAPTIZED IN JESUS NAME FILLED WITH THE HOLY GHOST SPEAKING IN TONGUES AS THE LORD GIVE UTRINS**

**Genesis 2:7 KJV**

**[7] And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.**

**John 3:3-8 KJV**

[3] Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God. [4] Nicodemus saith unto him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born? [5] Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. [6] That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. [7] Marvel not that I said unto thee, Ye must be born again. [8] The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

**Acts 2:1-4 KJV**

[1] And when the day of Pentecost was fully come, they were all with one accord in one place. [2] And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting. [3] And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. [4] And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance.

**John 3:8 KJV**

[8] The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

The wind is the breath of God the fire on the heads was the spirit of God falling down  
The Holy Ghost!!!

**THE TONGUES WAS THE SOUND THERE OF**

**YOU GOT TO BE BAPTIZED YOU GOT TO BE FILLED WITH THE HOLY GHOST TO  
MAKE IT TO HEAVEN!!!**

**Matthew 28:18-19 KJV**

[18] And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. [19] Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

**THAT NAME SIGNALER**

**THE NAME FATHER SON HOLY GHOST ARE TITLES NOT NAMES!!!**

**IF I HAD KIDS I BE A FATHER A SON AND I HAVE A SPIRIT OTHERWISE I BE  
DEAD BUT U DINT CALL ME FATHER SON SPIRIT YOU CALL ME GABRIEL!!!!**

**1 Timothy 3:16 KJV**

[16] And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory.

**JESUS CHIST WAS GOD ALMIGHTY IN FLESH SAY HE WAS JESUS IN FLESH HIS SHADOW WAS GOD WERE DOES THE FLESH END AND THE SHADOW BEGAN GODS THE SHADOW JESUS IS THE FLESH THEREFORE JESUS IS GOD!!!**

**Matthew 16:15-19 KJV**

**[15] He saith unto them, But whom say ye that I am? [16] And Simon Peter answered and said, Thou art the Christ, the Son of the living God. [17] And Jesus answered and said unto him, Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven. [18] And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. [19] And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.**

**Acts 2:38-40 KJV**

**[38] Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. [39] For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call. [40] And with many other words did he testify and exhort, saying, Save yourselves from this untoward generation.**

**What's is a preacher?**

**Preachers are called and ordained by God not man preachers are Servants telling the Good News which is the Gospel!**

**Preaching the Word of God to reach the lost not by condemning them to hell!!!**

**But by telling them God loves them preaching them Jesus Christ and him crucified telling them there's hope in a hopeless situation!!!**

**Being a preacher you got to be humble Consecrated walking in the spirit having a real depth in the Holy Ghost areal walk with God!!!**

**You got to be instant in season and out of season you must be tuned in the Holy Ghost!!!**

**And how you do that you bury your self in a pew or floor and cry out to God Press your way in the spirit!!!!**

**How? You push everything else out your mind and press push do what ever you have to do to get into the depths of the Holy Ghost you got to fast destroy the flesh and seek Gods face with determination and fervency!!!**

**Being a preacher dot mean your better then everyone or you have a right to power trip over someone God never called preachers to be arrogant and cocky and put your knows up at people your not a preacher if that's u you an idiot!!!**

**We preachers got to have a Love and a Compassion and reach the lost and build up Gods Empire not mans empire!!!**

**Why preachers act like they own the world and be so arrogant and cocky and better then thou art and if your standards not like mine ur going to hell no your an arrogant idiot being a preacher you cut your chances of being saved in half because you got to preach Gods Word and tell what God Said YOU GOT TO LIVE WHAT YOU PREACH AND YOU GOT TO LIVE GODS WORD!!!**

**SO WHY ARE YOU TRYING TO OUT PENTECOST ONE ANOTHER YOU GOT YOURSELF TO SAVE AND SOULS TO REACH QUIT PUTTING YOUR BROTHER DOWN!!!**

**Every sinner has a future every saint has a past reach the lost don't judge them have a love and compassion for them and help them up remember one time you was that s sinner.**

**Encourage to The backslider to come back to church help them while they're down don't kick him while they're on the ground show them real love and a true Kindness be real!!!!**

**God never intended for us to pray for ourselves only but for the needs and protection of others as well to pray and to try to reach the lost.**

**When trouble rises and darkness surrounds you and it seems there's no place to run and fear settles in.**

**Quit looking around and look up u see a light may be small but reach for it that's God And when you reach to the light it start coming to you hope for it Patiently wait for it and when you begin to cry out and pray before God The Light Will surround you and your troubles and will vanish you darkness but you Got To Hope for what seems Hopeless and Believe it will Happen and Patiently Wait For it!**

**It's called Faith Without it we are lost in the darkness!**

**How do we pray for our brother and lost love ones and broken and wounded souls?**

**By being sensitive to God here's a prayer I did when God woke me up one morning.**

**It's 2AM cant sleep if your reading this yes it's for you and I hope you know I love you and won't stop Praying for you!**

**(Prayer)**

**You Spirit Of Hell I rebuke you in the name of Jesus!  
Get your hands off my family my mother my brother my sisters and sister-in-law get your hands off my best friend and his family get your hands off all my friends and**

**their family get your hands off my Youth Group Get you Hands off my church family in the name of Jesus!**

**God Bless them get a hold of them wake them up save them get ahold of the backsliders and wake them up bring them back convict the runner running from you prick his heart and change his life for the good!**

**God get ahold of all these souls that are troubled and in need of your mercy your help did you not die for them did you not say you are always with them hear their cry God avenge them their enemies and restore joy in their hearts peace in their minds Love and compassion for souls!**

**God save the list don't let them burn forever in Hell God pull them out of the Fire I plead your mercy over all of them you see where they are where they are at what they are doing you know all the numbers of the hairs of their head God wake me up after their hearts draw them closer to you to the alter of repentance!**

**God remove the bitterness out their lives and the hate of them that abused them I mind and body give the reasons to live give them Hope reach their lives and show them you care when it seems no one else does God I'm sick and tired of loosing people and I'm ready for you to prove you are God I want to see Revival everywhere I'm ready to see souls changes and lives restored and hearts changed families reunited back together and not separated look down on this and anoint this and effect hearts and tare down every strong hold of Hell down to the ground my God please Move for your people did you not say to call upon you and speak your name and you move to have faith and believe and we shall have what we ask God please Restore to me all that I have lost In Jesus name AMAN!**

**Sometimes I cry tears flow down tears of sadness tears of joy tears and heartache and pain tears of morning and groaning tears of weeping tears of praying. But regardless of what kind of tea yourself fall God bottles all my tears up.**

**Yes at times things people say hurt me they talk about the false accuse me they scandalize my name!**

**But regardless I talk about them a lot down on My knees and prayer before God he hears my cry he hears my plea he gives me peace in mind and spirit he sees my burden for lost souls.**

**He's called me to preach the gospel teach Bible studies reach the lost anyway I can people put me down but the Bible said let the heathen rage full day imagine a vein thing!**

**What they say and do at times made me cry at times really upsets me but regardless at the end it makes me stronger!**

**So I will be what God has called me today!**

**He's able to do just what he said he will do he will fulfill ever promise to me I will not give up on God because he never gave up on me!**

**I will travail I will pray I will fast I will do all it takes to see those that I care about live for God I will do all that I can to reach them and save them for I will save those who will hear me.**

**Remember that God is faithful to the faithful if we pray and travail and talk to God and plead for God to save our children when Zion travailed she brought forth her children Rachel was weeping for her children she would not let up until God brought them back if we want to see our love ones saved people we care about our friends we must not give up we must remember the promise that God is giving us!**

**Because God is able when it seems like a hopeless case he's able when just seems that your prayers are not doing no good God is able The devil wants you to give up but God keeps saying give me more tears I need a few more bottles to fill up and when you get enough bottles of tears filled up God will give you your miracle travail weep cry mourn groan wail and let the tears fall and plead for God's mercy remember mercy said no!**

**Whatever it takes Pull them out the fire!**

**What are we doing for our youth?**

**I talked with a man yesterday who's was raised in church and he told me when he was a kid the church and youth pastor done all kinds of things for the youth church camp youth services they pushed to get the youth involved in church.**

**I am almost 27 and in my younger years as a child and a teenager we didn't have that I tried to get it going and the pastor said the regular every church service is a youth service. And I watch the youth of that church grow in arrogance anger bitterness and yes I was one of them hurt and angry and bitter. And some of those youth ain't in church today and so far not one outside of me are in the ministry**

**Now I seen other churches do it and I watch their youth and they grow in compassion love kindness full of the Holy Ghost and today several are preachers head singers in church and even pastors!**

**Such a difference there. I mentioned the past because Covid is not an excuse here this been going on for years before this minor pandemic and yes I said minor I had it I almost died but that could easily happen with the flu. Now off the Covid nonsense back to Youth!**

**So many churches wonder why are the youth leaving. Some are leaving because there's no other youth but them and some are searching for a on fire move of God because they're hungry for a great move of God but all they get and receive is drama and pain and heartache and oh yes get over it, so they leave.**

**This may not even get halfway read before some says o Gabes just upset again he needs to let go of his hurt. I'm over what happened to me but I see my friends hurting and some talked to me about it and I hear their cry and I feel their hunger for some kind of breakthrough in God.**

**One told me he couldn't feel God where he was at but he felt it at another church pretty much because the youth was wide open in leading worship and the youth whole was praising and worshipping God.**

**So here's my point what Arles you doing to get the Youth Involved?**

**What are you doing to get them Active?**

**What are you doing to get them motivated and worship praise and soul winning playing games all the time is not what the all want or need they don't need to build things or play a certain game they need a out pouring of the Holy Ghost a Youth Church night operated by the Youth!**

**Someone that's on fire that knows and lives the Bible and full of the Holy Ghost and is not arrogant or self righteous but passionate for souls and Youth!**

**That will preach When Your Born In The Fire You Cannot Live In The Smoke!**

**What I'm saying is the youth is choking and struggling to breath! and what are you doing about it?**

**If we don't do something to reach these kids and Young Men and Women the streets will take them and love them for a season of pleasure and leave them dead in a ditch or in jail thinking about how miserable they are or if they full of the Holy Ghost they gonna search for that place where revival is happening another words they simply leave your church for that one.**

**But most of the time it's the streets.**

**What are you doing with the Youth?**

**Don't let the youth go to hell pull them out the fire.**

**(I Don't Want A Person To Burn Forever In Hell Because I Didn't Reach Them)**

[25] Wherefore he is able also to save them to the uttermost that come unto God by him, seeing he ever liveth to make intercession for them. [26] For such a high priest became us, who is holy, harmless, undefiled, separate from sinners, and made higher than the heavens; [27] Who needeth not daily, as those high priests, to offer up sacrifice, first for his own sins, and then for the people's: for this he did once, when he offered up himself. [28] For the law maketh men high priests which have infirmity; but the word of the oath, which was since the law, maketh the Son, who is consecrated for evermore.**

compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd. [37] Then saith he unto his disciples, The harvest truly is plenteous, but the labourers are few; [38] Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

[3] Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; [4] Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. [5] Remember ye not, that, when I was yet with you, I told you these things?

[16] So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. [17] Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: [18] I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see. [19] As many as I love, I rebuke and chasten: be zealous therefore, and repent. [20] Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. **Acts 2:1-4,38-42 KJV**

**[1] And when the day of Pentecost was fully come, they were all with one accord in one place. [2] And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting. [3] And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. [4] And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance. [38] Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. [39] For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call. [40] And with many other words did he testify and exhort, saying, Save yourselves from this untoward generation. [41] Then they that gladly received his word were baptized: and the same day there were added unto them about three thousand souls. [42] And they continued stedfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers.**

**I pray God sets your Altar in your life on Fire, with the Holy Ghost Fire in Jesus Mighty Name.**

**When dealing with souls you got to be gentle you got to be careful you can do more harm then good. You got to be wise as a serpent yet harmless as a dove. God called you to be a witness and that's what we all must do. Allow God to use us for the sake of others and show them compassion and love and we pull them out of the fires of hell.**

**Bro Sammy Noble.**

**I speak a REVIVAL to every area of your life! I see your whole life reviving & on fire! Your faith will revive! Your health will revive! Your finances will revive! Your dreams will be revived! #claimit In Jesus' name. Amen.**

**"THE FIRE YET BURNS"**

**"If the Holy Spirit was withdrawn from the church today, 95 percent of what we do would go on and no one would know the difference. If the Holy Spirit had been withdrawn from the New Testament church, 95 percent of what they did would stop, and everybody would know the difference." A.W. Tozer**

**"Oh for radically Bible-saturated, God-centered, Christ-exalting, self-sacrificing, mission-mobilizing, soul-saving, culture-confronting pastors!" John Piper**

**"When the church is absolutely different from the world, she invariably attracts it. It is then that the world is made to listen to her message, though it may hate it at first." Martyn Lloyd-Jones**

**"The church has lost her testimony. She has no longer anything to say to the world. Her once robust shout of assurance has faded away to an apologetic whisper. She who one time went out to declare now goes out to inquire. Her dogmatic declaration has become a respectful suggestion, a word of religious advice, given with the understanding that it is after all only an opinion and not meant to sound bigoted." A.W. Tozer**

**"The Church is looking for better methods; God is looking for better men. The Holy Ghost does not flow through methods, but through men. He does not come on machinery, but on men. He does not anoint plans, but men...Men of prayer." E. M. Bounds**

**Ladies and Gentlemen: The answer is NOT leaving the Church! Hebrews 10:25 is still valid and mandated! The ".... So much the more as ye see the day approaching" is incontrovertible evidence that we must continue to ".... Assemble ourselves together!" Not less; but MORE!!!**

**The answer is uncomfortably and unquestionably valid and true! We must do whatever it takes to:**

**GET THE FIRE BACK!!!!**

**The FIRE continues to burn voraciously!!!! Oh that we would be consumed by this Holy Fire once again!**

**This was written by Elder John Crist.**

**I'm talking about living in the Fire!**

**WHEN YOUR BORN OF FIRE YOU CANNOT LIVE IN THE SMOKE!**

**We got to stay in the fire we cannot live outside of the fire we choke in the smoke!**

**Revival that changes hearts and lives is in the Holy Ghost Fire we cannot grow cold or get Lukewarm we got to come alive and burn and be the light God called us to be!**

**It is amazing to me how someone can be doing so good, and something get in their selfrighteous crawl and stagnate their relationship with God.**

**Haughty and a prideful spirit goes before a fall.**

**Let's remember this the next time we think we got our ducks in a row and we got it all together.**

**Oh please Christian world, bring back the ministry of the mirror. Because if you ever get a good look at your self, you will zip your LIP about other folk that you THINK don't have it all together.**

**Let's get a hold of our self pray through and let the church roll on.**

**Or....just keep playing God and acting (the difference between you and God is he is not acting) like you know more than you know!**

**Before long you will have relegated your self to being part of clique, who are spiritual yuppies, who think they have arrived...cutting and slashing and devouring our wounded, until there is just this lil nucleus of folk that think that they're the only one going to heaven cause they don't wear red ties...ect. (red tie, just an example)!**

**If you see your brother overtaken...ye which are SPIRITUAL, in the the spirit of meekness RESTORE...!**

**I don't even think you have right to claim the Holy Ghost if you don't have a spirit to restore!**

**If we really looked at our self in the spiritual mirror with an HONEST (NOT HAUGHTY) HEART...WE WOULD HAVE MORE MERCY.**

**If I error on the side of anything I want it to be mercy. Cause if I understand the word right, if I can't give it then I won't receive it. Idk about you but this is one man that need his mercy!**

**We are saved by a barrowed righteousness... thank God for his righteousness... thank God for the Holy Ghost...thank God for the Blood.**

**If he can forgive me then I can forgive anybody!**

**1 Corinthians 6:9-11 he named a lot of problems they had and he was trying to show them things that they Had and have in common, list a few... Such were some of you; but we are washed, sanctified and justified in the name of the Lord Jesus, and by the spirit of our God.**

**Thank God for the Holy Ghost. It does more than just help your dress it should help your attitude.**

**Renew a right spirit with in me oh God... restore unto me the joy of thy salvation!**

**HOLY GHOST FIRE IS HEAVEN SENT AND THE GATES OF hell SHALL NOT PREVAIL...**

**The Holy Ghost and Fire! Once you've been hit by that Holy Ghost FIRE, you'll never be the same! You'll KNOW if that Fire seared your belly and singed your lips.**

**God is on the move in His people. He is using us as His mouth pieces to speak His Living Word, tell that we are overcomes by the word of our testimonies and the blood of our precious Lamb sacrifice Jesus Christ; that they know the goodness of God and come to repentance. Speak through us Lord. Send us out. Use us for Your glory. Let Your Holy Ghost Fire all In Jesus name!!!**

**Exodus. 15 vs 7 & 9**

**And in the greatness of your excellence you have overthrown those who rose against you; you sent forth your wrath; it consumed them like stubble. The enemy said, "I will pursue, I will overtake, I will divide the spoil; my desires shall be satisfied on them. I will draw my sword, my hand shall destroy them.**

**Prayer:**

**Oh Lord my God,**

**In your infinite mercy, in the greatness of your excellence, please overthrow those who rose against me and my family in Jesus name.**

**Lord, Please consume their evil enterprise with holy ghost fire in Jesus name.**

**My father my God, The desires of my enemy shall not come to fulfilment over my life and my family in Jesus name.**

**Lord,**

**In your infinite mercy, empower me to pursue, overtake and divide the spoil of machineries of my enemy in Jesus name.**

**Lord, I receive grace to acquire and collect every good things that have been taken out from my life in Jesus precious name. Amen.**

**It is time we stop being passive about souls. We need to pray and let the Holy Ghost fire consume us again. Let it create a fire within us to make us active about spreading the good news. The good news is the gospel of Jesus Christ.**

**More then ever we must get on fire for God and push forward and not look back. God has brought us this far he carry us the rest of the way we just got to stay focus and not get distracted by the pleasures of sin!**

**When Your Born In The Fire You Cannot Live In The Smoke!**

**Getting a deeper walk with God getting closer to God as we can walking with him having a friendship with him is more important then anything else.**

**We got to be open to whatever will start the fire we got to go get new wood to start the fire and let God use whom he will to start the fire! And we back off and let him work and not put the fire out!**

**We cannot start a fire with yesterday's ashes we got to go get new wood!**

**The children are looking for a place where the Fire is at so let us be sensitive to God and get out of the way and let him Start the Fire so our Children won't turn to the streets!**

**We Got To Start A Fire In Our Churches Before Our Children Turn To The Streets. The Won't Keep Looking For The Fire Some As Already Gave Up And Are On The Streets! And I Heard People Say They Didn't Want To Live For God. But Truth Is We Are To Blame!**

**I believe what the Lord is trying to tell us is that we're stronger together and there's strength in unity. There's no need for the body of Christ to fight against each or no need to be divided. If we're truly part of the body of Christ then we should love one another and exalt each other daily. No room for jealousy the feet can't say because I'm not the head then I'm not important, I'm not needed we're all a part of God's body if we're walking and living according to God's holy word. Just 1 person alone can handle 1000 that's good but look what happens when 1 more join in the fight 2 can take on 10,000 now that's great. There's no doubt when we're all on one accord and focus on kingdom business there's just no limit to what God can perform through us. I believe when the children of God join in one force miracles can happen, souls will be delivered. Diabetes must bow, cancer has got to flee. The days of miracles are not over God is still working miracles. God never changes. The church of the living God must go back to its roots the old landmark. God really want to show his us that he is truly able but its up to us to activate the power that is within us and that power comes by being filled with the holyghost Acts 1:8. It's time to put some stuff flying and some people packing. If they don't want to go then let them go. I'm thirsty for an**

**Azusa street revival that happen many years ago around Topeka Kansas. **Souls at the altar repenting weeping in tears and preacher who preaches in tears his reward is far greater then any intelligence metal of speaking sermons can get in a organization!**

**(A Lesson In The Garden)**

**Jesus was in the garden with hand picked disciples who fell asleep on him leaving him alone with a sorrowful spirit and heavy heavy heart.**

**The tears gushed out his eye lids Bible records it was like great drops of blood pouring down his face as he wept with a burden asking God to let the cup pass from him but saying the words.**

**It's all About That Close Walk With God.**

**Let's talk about how to get there what he commanded us through his Word.**

**I'm skeptical, Of almost everything.**

**I don't like it when news has unsourced references, or editorial phrases or words in it. Corrupted truth is a lie**

**I especially don't like it when conspiracy theories have editorial non-sourced references or phrases. Sensationalism and verbal manipulation doesn't establish truth...**

**If you are preaching substance, leave the fluff at home. Otherwise you are nothing more than fictional entertainment.**

**(Fellowship With The Brethren)**

**This book is simply about Fellowship.**

**The reason we were created.**

**How we should treat our brother.**

**And what we are to do with fallen brethren.**

**The Bible says**

**Hebrews 10:25 KJV**

**[25] Not forsaking the assembling of ourselves together, as the manner of some is ; but exhorting one another : and so much the more, as ye see the day approaching.**

**1 John 1:7 KJV**

**[7] But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin.**

**That's the main reason God created Adam and Eve it was because he hungered for Fellowship.**

**(How Do I Treat My Brother?)**

**Saying says**

**To always treat others as you want to be treated.**

**Another says**

**Always try to be nice but never fail to be kind.**

**Another says**

**It's not about the outward appearance but the inside of the heart and how you treat people.**

**Another says**

**The first thing that changes when you get the Holy Ghost it's how you treat others.**

**Another says**

**You don't have to see eye to eye to make it to heaven but you best stand Shoulder to shoulder or your not going.**

**Another says**

**It's not about building a church off of mans standard and calling it Bible doctrine it's about loving souls and pulling them out of the fire.**

**Another says**

**It's not how to out Pentecost or Apostolic the other it's about getting your hands dirty picking your fallen brother up and helping him be restored and bearing each other's burdens.**

**Another says**

**To fall on the altar broken and being in agony on someone else's behalf interceding for their behalf will bring them out of captivity.**

**Another says**

**Fellowship is the key and the way to Heaven that was the whole purpose why God made man and then put on flesh and died for man it was the fact of us all to get ahold of his commandment to Love one another.**

**Ok these were all said by great men of God that we're far more Greater then I ever be. A few things I have said in this post.**

**Lot of these things the Bible stands strong on it.**

**I sorry to sound arrogant in this but a lot of preachers and Saints could be lost because they will not live these things mentioned above.**

**But There's Mercy to Get It Right!**

**And the reason they could go to hell is not about the high heel or the wedding ring on the finger or the fact they are double Married or the fact that they do Christmas or**

**the fact that they don't dress the same way you do it's how they treated their fellow brothers and sisters.**

**I'm sorry to sound harsh but I'm not sorry for telling the Truth!**

**They could be lost because they lied and did not show mercy when the Bible commanded them to show mercy!**

**They could go to hell because they disfellowship their brother not for believing a false doctrine like teaching Muslim or Buddhism or Mormon or Blaspheming the Holy Ghost, BUT SIMPLY BECAUSE THE DISAGREEMENT OVER WEDDING RINGS CHRISTMAS SLEEVES AND TV AND HIGH HEELS!**

**I sat in a church where every night it was about how apostolic Pentecostals were to dress half the night and the other half was about the ladies High heels.... someone please explain....**

**I Thank God for the church I'm at now who preaches what the Bible says and we practice it and live it!**

**Again I'm sorry if this is coming off harsh but I'm not sorry for the truth!**

**But they could be lost because they have ought against their brother and refuse to go reconcile with the like the Bible says!**

**But God is a Merciful God he gives many chances of two to reconcile that will reconcile.**

**Again I love my Church I Love the FELLOWSHIP we all have and the concern for each other's well being and TRULY WE ARE FAMILY!!!!**

**That's a Church when you whole congregation is like one big FAMILY that's what God LOVES!!!**

**All of you rather you go to church or don't you best fellowship and love one another and reconcile with each other and never offend if you can do so yes that's hard but if you do get it right and reconcile!!!**

**If we can't get alone down here how can we up there dear Elder Pastor Friend of mine as we talked on this he said between him and the one refusing to reconcile he said one of us is going to hell and Bro Gabriel I'm trying to have my hands clean cause I don't want to be post.**

**Here's Bible Proof!**

**Hebrews 12:14 KJV**

**[14] Follow peace with all men, and holiness, without which no man shall see the Lord:**

**God means business on this you may not go to Heaven if you can't follow peace with each other or reconcile with your brother and sister!!! End Of Story!**

**Again what makes you think your going to Heaven when you can get along with your Brother and Sister in Church God said to love and keep the peace with all men that means outside the church! But it said MORE SO WITH YOUR BROTHERS AND SISTERS IN THE CHURCH!!!!**

**Again I'm sorry if this seems arrogant and harsh But God said if you can't Love One Another you can't be my disciple and if you hate your brother you walk In Darkness and you a child of darkness and you know not what your doing because your not in the light and that means it could cause you to be lost.**

**To make Heaven your Home you got to be transformed from a child of Darkness to a Child of Light!**

**How REPENT YOU KNOW THIS!!!!**

**Those of you who don't your instructions is the Book Of Acts 2:1-40**

**Be sure to read Matthew 1:21-23 Matthew 28:19 Mark 16:16-17 Luke 24:47 John 3:3-8 Acts 2:1-4,38-39 Acts 4:12 Acts 10 Acts 19 John 3:16 1 John 3:16-17**

**Now listen y'all that already knows these scriptures knows that God came to save the world. How can he when we show them how it feels to be shunned and turn away from and a joke!**

**Many walked out the church and their blood was on a preachers hands.**

**I'm so scared that when I face my God he's gonna look at me and say Gabriel you shut the door in this young man or ladies face and my door was wide open Gabriel you disfellowship this person over the outward appearance and never considered the inside never gave her or him a chance you wrote them off and your hands are covered in their blood!!!**

**That's how serious I'm taking this did I build Gods kingdom or did I build my own?**

**What am I? a Child Of Light? Or a Child of Darkness?**

**Ask yourself that tonight. Or as you done many times roll your eyes and pass it on by and forget it.**

**Forgiveness! Jesus as he was beaten and torn apart and hung on a cross, a innocent man God in flesh the only one perfect person who took all our sins on Himself yet he never sinned! Before his death said forgive they know not what they do. God for gave them that repented of their sins and remember didn't know more and gave them a clean slate he gave us all a clean slate all of us that repeated!**

**And we the human race with our judge mental selves keep a track record of everyone's wrongdoings and never forget it and never let them forget it and God told us commanded us to forgive them help them get back up there each other's burdens and make heaven or home then we crucifying each other fighting each other throwing stones at each other in killing the innocent!**

**When we face guard what will we hear him say well done so good and faithful servant or depart for me I don't know you you sorry worker of iniquity what will God say what will God see in our hands will he see holy hands or bloody hands are we really building the kingdom of God or are we building our own kingdom and fellowship in certain brothers when God said to follow peace to fellowship to keep the peace of all men in holiness for without no man shall see the Lord!**

**Again I'm sorry if this is harsh but I'm not sure if you're telling the truth we better wake up and we better mean business about winning souls to God and helping our brother up when he falls and quit kicking them while they are down the Bible teaches because we took not his council nor took heed to his words therefore he laugh at our Calamity and mock when our fear comes!**

**Is God merciful? You better Believe it. But Sometimes Gods Mercy turns to Judgment and it will be Judgment for all of us. But how will he judge us?**

**That's the question here.**

**The Bible said I'll laugh at your calamity at Hallmark when your fear comes because you would not take heed my counsel he wouldn't listen to my words he wouldn't take it you did your own thing and close your doors in the face of the innocent and hurting in the wounded in the thirsty and hungry hear that rich man that let poor Lazarus die!**

**(Gods Love A Restored Hope)**

**Matthew 6:9-13,16 KJV**

**[9] After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. [10] Thy kingdom come. Thy will be done in earth, as it is in heaven. [11] Give us this day our daily bread. [12] And forgive us our debts, as we forgive our debtors. [13] And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen. [16] Moreover when ye fast, be not, as the hypocrites, of a sad countenance: for they disfigure their faces, that they may appear unto men to fast. Verily I say unto you, They have their reward.**

**Notes here Jesus told them to start their prayer by calling God who is in heaven there's another verse of scripture in**

**Matthew 7:11 KJV**

**[11] If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask him?**

**Again God was called Father. So many preachers pastors and Saints mis understand God and make God as the great big bad the punisher of sin. Many were made to feel like it's too late they messed up so much there's no chance to be saved.**

**But let me point out something about Gods Love! God not only loved us so much he bleed and died for us but he wanted us. to call him Father!**

**So many times there was one who was so scared because a man told them God was mad at them, and I seen them run away from church and away from God believing they was forever damned to hell no chance to be saved because they thought God was so angry at them. Why? Because they were never told about how much God who wants to have Father relationship with us Loves them!**

**Look at it this way Someone told you that God was Angry with you you most likely be little bit scared worried even, but if someone told you hey your daddy is mad at you you be like. Ok let me go talk to him we can get this straight because you know your daddy loves you.**

**God in the Flesh said how to pray by saying this Our Father thou art in Heaven!**

**I seen so many people loose hope because they felt like there was simply no love in God for them they truly felt that they were born to die and go to hell there was no hope.**

**As a taxi driver I see this every day some bitter some paranoid some angry some scared to death drug attic's alcoholics homeless dirt poor and very wealthy rich but all had in common as some us Pentecostal Apostolics they feel no hope no love no chance of making it to heaven, some made themselves believe that there is not a loving God nor a hell just life and that's it because how can a God who supposed to love us throw us to the wolves over a mistake.**

**And all that comes with not providing that there's a God who truly Loves us and is for us and wants to help us and be a Father to us!**

**My brother who a wile back was in a terrible place and the devil reeked havoc in his life and several situations was very dire and my mother would be crying in the middle of the night all night long. But today because of a LOVING GOD and a praying Mother and family church family my brother a different man sits on the pew at our church!**

**Proving the UNLIMITED UNENDING MERCIS OF GOD!!!**

**God was all about Love and he commanded us to show that same Love he showed us to one another! Preachers preached so many standards and against so many different holidays ect that most likely will not send you to hell but they preach it**

**like it will. But what's not preached is what God himself said and commanded to do! This is the biggest standard that should ever be preached and this is the real HEAVEN OR HELL ISSUE and they is this LOVE YOUR BROTHERS AND SISTERS TREAT THEM RIGHT AND DO GOOD TO THEM HELP THEM GET BACK UP AND BE A FRIEND!!!!**

**If you can't do that your going straight to hell you are damned with no hope of being saved! Unless you Obey God! And reconcile with your Brother!**

**If we can't do this the outside sinners will not see a Loving God therefore they will not see any Hope!**

**1 John 2:10-11 KJV**

**[10] He that loveth his brother abideth in the light, and there is none occasion of stumbling in him. [11] But he that hateth his brother is in darkness, and walketh in darkness, and knoweth not whither he goeth, because that darkness hath blinded his eyes.**

**If your in Darkness then you will be cast into outer darkness with weeping Gnashing of teeth! That place is called Hell!**

**This is how serious God is about how he Loves all in the World and how we should do the same!**

**Yes standards and how we dress talk walk is important but if we can't love our Brother and treat each other right and stand Shoulder to Shoulder! Then like Jesus told the pharisees we are nothing but a children of Satan a child of darkness hypocrites.**

**Some preachers preach this that everyone's names are in the book of life that's why God can blot out the names!**

**If that's the case listen we are to pray over situations and people but God gave us hands and feet along with the Holy Ghost and sometimes we got to walk in the lions den or snake pit to get that sinner or lost sheep/backslider that's wounded broken and in pieces then we best go get them and bring them to God!**

**And if the homosexuals name is in the book of life then we better do our ever loving best to make absolutely sure their name stays in the book! If the liar thief murderer cheater drug attic alcoholic Child molester rapist etc. name is in the book of life then we got to do our part of making sure their name stays in the Book Of Life!!!! Stop throwing them into hell with no mercy or any such like less God decides to not show us mercy!**

**We got to show Gods Love and preach it and Show others Gods Mercy and that there is hope for them!**

**This is the most important thing we all got to get ahold of!**

## **A Letter To A Pastor From His Friend.**

**It's a blessing to have brethren that's interested in you And the work your trying to accomplish. Thank You for kind text today Brother, it was appreciated. I'm strengthened today because of you. Text/call somebody in your field of labor tomorrow and let them know you love them and the we're blessed to serve in the kingdom with them.**

**We're your not too busy for that.**

**How do we take the Bible?**

**Just like it says it!**

**Nothing less the what it says and nothing more then What is in that Bible!**

**We got to uphold what God has written and not add to it nor play around with Gods Words!**

**(Shekinah White Fire Blue Smoke)**

**"The Glory Of God"**

**On the date of April 19 2021**

**This Morning in Prayer At**

**Souls Harbor Apostolic Temple Church In Lufkin Texas**

**I grabbed two tambourines and began to play them in my hands and I cried and wept I felt the Angels around me and memories flooded my mind of the Shekinah Glory of God hit a church that used to attend years ago.**

**I was a little child when I saw this back in 1998 something woke me up from off the pew everyone was crying and weeping in a traveling prayer. I was so scared I didn't know what it was that got ahold of me and woke me up from my nap but when I looked around I saw a blue silver smoke all in the room it was sorta like a thick mist a seen white fire dancing in the pastor and assistant pastors heads as well as everyone that was praying and crying and traveling in unity and one accord. And I also seen white figures around the folks praying I didn't know it at the time but I fully believe those were Angels.**

**I remember that happening over and over in 1998 and 1999 and the early 2000s but it stopped when a split happened in the church. I saw it one more time on January 29th 2006 when I got the Holy Ghost Bro Chad Moore Preach Clicks Clans and Clashes he talked about the clicks and clans forming in the church and how they began to clash and somewhere in between the clashing the innocent got hurt and wounded and the sincere saint got wounded and hurt and some destroyed.**

**That night the Saints of God got together from the Oldest to the youngest child the all began to pray and once again that blue fog smoke mist came down and the white fire danced on their heads and this time something happened I felt the tears I felt the fear of God come over me and I knew tonight was it and I got the Holy Ghost that night fifteen years ago.**

**At Souls Harbor Church I felt two hands on my shoulders when I was playing with those tambourines and remembering that experience of my childhood and when I got the Holy Ghost and these words came to me bf I cannot shake it.**

**This is something I want to see again but it will only Happen when we all get in unity and One accord one mind with God and a move of God and stop rushing everything!**

**This is a Ministry that I do whatever I have to to make it happen again!**

**The devil will try his best to distract you and discourage you from getting closer to God.**

**(Old Ashes Dont Make A New Fire)**

**Are the Angels in your face? Are they excited about what you are doing? Are the curious of what your feeling or are they hanging their heads in shame because your playing church and God, and you refuse to move when God is dealing?**

**Has the fire in your soul gone out of you? Why are you so cold? You wonder why everywhere you go or look your surrounded by darkness and there is no light it's because you got comfortable in Zion you got use to the dark and now everything is going wrong and you can't see no Light.**

**Your trying to live off the fire of ten years five years three years and all you get is smoke.**

**When your born in the fire you can't live in the smoke of the past you got to let the Spirit break out a refreshing fire of God ignite in your souls in your hearts minds nothing else matters you got to pull away from all the noise and get close to God.**

**You got to get where God can show himself to you the Shekinah White Fire and Blue Smoke there you see the Angels in the mist wanting to be apart and feel what we all feel!**

**It takes dedication and submission to God resisting the devil and drawing nigh to God getting into that secret place in God.**

**Where are you at with God? Are you living in the fire or the smoke of old ashes?**

**You can't make a fire out of old cold ashes you got to go get new wood and kindle to make a new fire.**

**Get into the Fire don't choke on the smoke of your past! Make a new Fire.**

**Don't Let The Fire Of Your Altar Go Out!**

**Power Doesn't Come With A High Position It's Just Perks. Power Comes With Prayer To God And Sacrifice Of Fasting.**

**Bro Gabriel Reynolds.**

**If You Want Power More Then Pie You Fast.  
Bro Johnny Carroll.**

**Was sitting out by a camp fire in Lufkin Texas talking with dear friends Bro Jeff Smith and Bro Chris Morehead two great powerful Pastors Of God.**

**The story was told of a old man of God who desperately wanted to see an Angel he wanted to see just one of Gods Angels he wept and cried over it and he prayed and fasted about it.**

**As time began to pass he got a little down he for sure wanted to see and Angel and haven't saw one yet. One day he went into his church way early before service and he prayed to God and talked to Him about seeing an Angel. He was serious and very determined he was not looking back or around until God Said look up or turn around or he heard the voice of a Angel.**

**You see the story went on how he kept on praying hour after hour weeping crying and boldly talking to God and finally the door outside door open and a man came in and started praying it was getting close to church time.**

**The pastors heart sunk a little but he kept praying and seeking God to show him a Angel. As the door open and the people came in to pray the call of the Service got closer and still he hasn't seen an Angel.**

**He began to get himself up discouraged because he didn't see no Angel no vision nothing he said God I thought you was going to show me an Angel.**

**As he turn to see the church family he was shocked and amazed! Because on each person that was there there was a Angel standing there with them.**

**There was an Angel on each soul that was there and they began to have church the singers on the platform there were Angels with them as they were singing and when the people began to worship the Angel that was with them got in there face looking like it was trying to see why or maybe feel what they were excited about or why they were weeping like they were wondering what they were feeling.**

**He also saw those who just stood there and watched and didn't move the Angel that was with them had their heads hung down like they were sad and ashamed.**

**A Faithful Preach pleaded with God to See Just one Angel and saw many but those Angels that were sad and hung their heads because of the ones they where in charge to watch over wouldn't move wouldn't get involved in the dealings of God!**

**This is one of many Story's I'm not gonna mention this preachers name but he is very close to me I love this Elder. I'm only gonna say a little of this mans testimony he told me he seen two Angels and their feel were on the floor and there heads**

**touched the ceiling of that place and there was blue silver smoke mist is the building and the people were in prayer and great Travail.**

**I'm talking about the Shekinah Glory of God. Falling down in the church. Where the miracles signs wonders happened the disgorged hand foot arm or leg shorter then the other grew to the normal and the paralyzed people got up and walked the blind saw the dead raised the wounded healed the separation reunited! The death began to hear and the number mute spoke! And the Angels revealed themselves to the people.**

**What will it take to get back to this?**

**Today Sunday May 16/2021 One of our dear brothers who plays the Base at our church stood up behind pulpit and gave his testimony and he began to speak things and as God filled his mouth with anointed encouraging a Words as God moved upon him. You could hear it as his voice went to the next level of boldness as God began to speak through him.**

**He made a statement that God spoke directly to him. He said.**

**You Cannot Live For God With A Shut Mouth.**

**That is so true so true Like this man we received the Holy Ghost and God put a fire in us and we can keep it burning and make it bigger and we can shout it to the roof tops or we can let it burn out and freeze the wood and shut up if you please. But know this one thing.**

**YOU CANNOT LIVE FOR GOD WITH A SHUT MOUTH!**

**Matthew 12:34 KJV**

**[34] O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh.**

**Wicked and perverse the heart of man is without God evil and vile and corruption comes off the untamed tongue.**

**Thats why we got to pray and have a relationship with God more so a Pastor Preacher Evangelist Ect we got to get into that secret place in God.**

**You hear many preachers say many times I feel on my heart to say or to do this or that and some take heed some use what I said earlier the heart of man is wicked and corrupt but Understand that God speaks to the heart of man and when you are in that secret place in God.**

**Their are depths in the spiritual realm of God. Today on May 17th 2021 I'm only 27 years of age had the Holy Ghost 15 years preached for 11 years I only began to get into a small piece in that realm I know their are greater men then I who can talk about these things and much more those that are Alive today you have Elder John R Crist. Elder Cecil Grantham. Elder Bill Buie. Elder Johnny Carroll. Elder Tolbird. Elder Ronnie Parker. Elder McConnaughey. Elder David Story. Elder Hurby Hitt.**

**And Bro Efran Palacios Bro Chad Hatton. Bro Jeff Smith. And Bro Ben Petrella. These are few of the many mighty Men of God that has Walk the fine line fasted prayed seen the Shekinah Glory of God the some even saw The Blue silver smoke mist in the church as the people were down on their face talking in other tongues. They can tell you greater story's of their experiences in The Spiritual Realm.**

**Then you have those that gone on to be with God you have Elder Verbal Bean. Elder Charlie Wiklif. Elder John Parks Sr. Elder Bruce Campbell. Elder Bailey. And his wife Sister Bailey. Elder Denis Johnson. Elder Jackie Carroll, Elder Earnest Oliver. And his mother Sister Maggie King. Elder Rudy Thrasher. Elder Armando Deloa. Elder Chandler. Elder Sammy Noble. Elder Noris Poole Elder Troy Hancock. Elder R.A. Hancock. They were the most powerful men of God of Old time the foundation of Pentecostal Apostolic Revival. They broke the ice they dug the ditch with the shovel and made a impact on the world! They could tell you the Story of their Experience in the Spiritual Realm.**

**But this is my experience and it's just a small peek of a long journey that I'm on I'm not as great as these others but let me tell you about what I seen and felt in God.**

**I told you how I seen the blue smoke mist and white fire dancing on the heads of the Pastors and Saints and preachers and I was scared and didn't know what was happening to me.**

**As I grew older and able to understand and as I received the Holy Ghost and began to preach I wind up watching on YouTube Sister Vesta Mangun preaching about Soul winning and Prayer and the Warriors that knows how to weep. And how to wear your heart on your sleeve and not your feelings.**

**She impacted my Ministry all though I never met her but deeply wish to meet her.**

**I began to seek a deeper walk with God many times I prophesied it happened and I began to feel something different in my life I'm my book When Brokenness Has A Voice I spoke about my hurt and pain. That hurt and pain help me become what I am. I was able to be a help and a anchor for some others that listen to me. Only by my experience of many of the pains I took and they we're going through.**

**Recently it's like I stepped into another level of the dealings of God. I felt God pull something that was buried deep inside me that was cold and bitter and angry that I smothered down with hate. God pull that out of me and I felt so much better I felt his warm comfortable hands grab my heart and I felt peace like I don't understand nor can explain I just know it's all alright.**

**I began to see things like before and hear things and yes I know some got up and said God said and God said nothing of the sort they just used that to be arrogant and make what they said carry more weight when it was a bunch of baloney.**

**But when you fasted prayed and got into that secret place in God and you are walk with God you have that Bond like Enoch and Jesus did God will talk to you and you will feel that pull on your heart.**

**I don't know if everyone feels it like this but I can't stop the tears when I feel Led by God to go speak in someone's life or tell them God said. Sometimes it's just a boldness and a confidence that God spoke but here lately it felt like my heart was on fire and being pulled to that Brother or Sister with words that came that felt like fire in my belly burning inside me I don't know how to explain it but it's like if I didn't obey the urgency of God he would never speak to me again nor use me and I would die and be lost without God it's like I can't afford not to be Obedient to God.**

**Like recently it hit me so hard to Tell a brother a certain thing and I questioned it I do that a lot I battle is it God or is it just me is it God or is this my zeal that's very excited and wants to say something then it's like those warm hands gets hot and burns my chest and I feel a pull and tug to go to that brother and there was no relief from it until I told that Brother What God said. It had to be God and I hope to hear a testimony from that brother very soon but meanwhile I must trust God and hold to his choices he knows best.**

**The Spirit of the prophet is subject to the prophet but when the burn and the tug pulls don't invoke God against you by not being obedient.**

**When you truly have a walk with God you fast and pray and your in that secret place in God listen and let God pull that heart to where he want it to go a the words that Pierce through your soul let it flow! But do it with Compassion Love and gentleness not with a arrogance that does nothing but harm to the soul and run them away. But you got to be obedient to God sensitive to his voice and his dealings in your life when he tells you to speak into someone's life you most certainly got to open your mouth and let God speak through you.**

**Again you cannot live for God with a Shut Mouth.**

**Have you ever looked in the mirror and asked yourself Am I A Christian.**

**I spoke to you about having a relationship with God. This is a short version of a message that I got in prayer.**

**First I want to bring your attention to this scripture.**

**Romans 10:8-11 KJV**

**[8] But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach; [9] That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. [10] For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. [11] For the scripture saith, Whosoever believeth on him shall not be ashamed.**

**Acts 2:21 KJV**

**[21] And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved.**

**So many believe call on the name of the Lord and Believe and confess with your mouth Jesus is Lord and your saved and they stop at that. They throw out baptism and the commandments of Jesus Christ forgetting what he said to be baptized in the name of the Father Son Holy Ghost. Now Father Son Holy Ghost are titles not names and the Bible says that the Son was Jesus who came to save the world from sin. And he said when he started preaching I come in my Fathers name which makes the Fathers name Jesus and then you find Jesus later saying I must go unto my father so he can send you the comforter which is the Holy Ghost in my name which means the Holy Ghost name is Jesus. That's also told Mather 1:18-23 the Holy Ghost was conceived into Mary and Mary gave birth to the Holy Ghost and named the Holy Ghost Jesus And saved the people from sin and he was called Emmanuel meaning Gods with us in the flesh.**

**God wanted a close relationship with us so he put on flesh according to 1 Timothy 3:16 walked on this earth saying I and my father are one before Abraham was I AM the Jews tried to stone him for making himself God not knowing that he was God in a fleshy body so we could look upon him and live. Jesus said I and my Father are one and Phillip you see me your seeing the Father I'm one and the same. If you do not believe that I am the Father and He Is Me you die in your sins.**

**Jesus wanted us to know him to have that close relationship with him all men and women he called us his bride and that he loved us that much and he wanted us to take on his name thus saying be baptized in the single name of the Father Son and Holy Ghost.**

**That's why Peter the Head Disciple of Jesus Christ stood up when they were pricked in their hearts saying what shall we do in Acts 2:38 you find Peter saying Repent And be Baptized In The Name Jesus Christ And Received the gift of The Holy Ghost.**

**Peter said the name Jesus Christ not the titles. My point of bringing this up is so many Call themselves Christians and don't truly know God like they think they do. They separated the name Jesus the one true God into three different gods that's a lie and abomination to God.**

**Now let me say it like this. You say your a Christian Right and you refuse to be baptized in his name Jesus because Jesus said Father Son Holy Ghost Paul preached he said These three are one!**

**When a woman gets married she took on her husband's name. For example John Smith And Sarah Jones got married Sarah Jones has become Sarah Smith and will be known till she dies as Miss Smith. I'm order for us to truly be Christians we got to take on the name Jesus Christ in water baptism.**

**Romans 6:4 KJV**

**[4] Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life.**

**If we deny Jesus name Baptism we denied being a Christian it's important and is a heaven hell issue Bible says John 3:3-5 we must be born again or we cannot see the kingdom of God we got to be born of water and of the Spirit or we CANNOT ENTER INTO THE KINGDOM OF GOD!!! You got to go down in the name Jesus or your none of his you didn't take on his name which is the Jesus Christ so you are not a Christian. Likewise you got to be baptized with the fire the Holy Ghost speaking in a heavenly Language that you don't understand just that God gives the utterance.**

**To truly become a believer you got to be filled with the Holy Ghost speaking in other tongues that you can't understand get and baptized in JESUS CHRIST!!!**

**That's the relationship with God and he wants to live inside us to lead us Guide us and use us.**

**When we get sensitive to God's Dealing listen to what he is telling you and leading you that's the heart of a real Christian.**

**So we all must strive closer to God be completely obedient to his Word that's written by Holy Men Of God That had a RELATIONSHIP with God that wrote these Holy Words as they were moved on by the Holy Ghost!**

**It's very important that we get that close relationship with God and get into that secret place in God!**

**We got to be sensitive to His touch and his dealings and his will get out of our own self will and pride and we must offer up selfless service unto him.**

**It's all about him nothing else matters just him pulling away from all the noise and following him getting that special relationship with him.**

**Jesus is all we need!**

**The Toughest Battle You Ever Face Is Standing For A Purpose And A Reason And A Cause By Yourself And Only Thing That Keeps You Intact Is The Hand On Your Shoulder And The Promise That He Is Not Going Anywhere. But It Sure Hurts In The Process.**

**That's why you got to get closer to him and know your relationship with God and trust in your walk with him! In living for God you will be tried in the fire.**

**We are talking about being hooked up in God and being sensitive to him.**

**I want to tell you a short story in the closing of this chapter.**

**(When The Children Starts Praying)**

**Matthew 21:16 KJV**

**[16] And said unto him, Hearest thou what these say? And Jesus saith unto them, Yea; have ye never read, Out of the mouth of babes and sucklings thou hast perfected praise?**

**A man named Bro Johnny Carroll came and preached Revival. That man prayed 8 or more hours a day alone in the church walking the halls and praying. He fasted many many days God used him in a mighty way God gave him dreams and visions.**

**But let me tell you about the children. First this man came to pray with the children in school at the Christian school that I attended as a child we all heard him pray then all of a sudden you could feel the change in the atmosphere as if you could feel God walking back and forth and a little girl walked up to him and told him in prayer she said to him.**

**Sir I Want The Holy Ghost. He later his hand on her head and held her little arm up and she started speaking in other tongues. Then while that was happening you could hear the ladies start crying and weeping and praying from the Sr to the youngest child.**

**Hey y'all writing this I cannot stop the tears from flowing there was a move of God working that day it was a prayer Revival.**

**Finally I heard a young man cry out and started weeping then all around me I could hear to sobbing cry's of the young men women and children and even the adults Bro Carroll started praying for the children as the rest of the school teachers that were there several got the Holy Ghost. I remember feeling the love and the peace of God all around me and Gods loving embrace it was like while he was doing all this he stopped and hugged me and then kept moving.**

**The flame of one preachers prayer life changed the souls of a lot of kids life it started a fire in each of them that they never forget.**

**Now understand during that time there was hell going on and it got worse and the only things that saved all of us when we were kids was that prayer Revival.**

**But when the children started praying. Hey all that poison all that hurt and pain of drama and hell that was happening that prayer meeting that happened day after day for a week what was only supposed to be 30 minutes turned to 2 and 3 hours praying crying and weeping sobbing children desperately seeking for a move of God and a touch feeling his presence all in the room.**

**It was such a great revival and God healed and helped and encourage us to keep feeling us up with Holy Ghost and renewing us with his spirit.**

**When The Children Starts praying The Strong Holds Of Hell Fell Down!**

**I can still hear their cry's echoing in my ears and the bold strong presence of God all in there.**

**Fulfillment of the scripture.**

**Matthew 21:12-16 KJV**

**[12] And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the seats of them that sold doves, [13] And said unto them, It is written, My house shall be called the house of prayer; but ye have made it a den of thieves. [14] And the blind and the lame came to him in the temple; and he healed them. [15] And when the chief priests and scribes saw the wonderful things that he did, and the children crying in the temple, and saying, Hosanna to the Son of David; they were sore displeased, [16] And said unto him, Hearest thou what these say? And Jesus saith unto them, Yea; have ye never read, Out of the mouth of babes and sucklings thou hast perfected praise?**

## **Chapter 8 (A Light At The End Of The Tunnel)**

### **“Let there Be Light”**

**You have to seek for him, not for people. It's a dead end road trying to find anyone's approval. We have to go to heaven regardless if others choose to go with us or not... turn your eyes upon Jesus, look all in His wonderful face, and the things of earth shall grow strangely dim in the light of His glory and grace.**

**REVIVAL OF THE OLD PAST IS THE RESURRECTION OF THE PRESENT AND THE HOPE FOR THE FUTURE!!! THE OLD WAY IS NOT DEAD THEY OLD REVIVALS ARE NOT OVER THE OUT POURING OF THE HOLY GHOST IS NOT FINISHED!!! THE GREATEST REVIVAL THAT HAS EVER TOUCHED EARTH WILL HAPPEN WITH US!!!**

**WHO WILL STAND WITH ME!!!**

**The Bible Says To Treat Evil With Good! The Bible Said To Feed Your Enemy When He's Hungry Give Them A Drink When He's Thirsty!**

**Can You Do That? Can You Lift Up The One Who's Tearing You Down? Can You Talk Good About The One Who's Talking Bad About You? Can You Do Good To Evil?**

### **Proverbs 25:21-22 KJV**

**[21] If thine enemy be hungry, give him bread to eat; and if he be thirsty, give him water to drink: [22] For thou shalt heap coals of fire upon his head, and the Lord shall reward thee.**

### **Romans 12:18-21 KJV**

**[18] If it be possible, as much as lieth in you, live peaceably with all men. [19] Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. [20] Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. [21] Be not overcome of evil, but overcome evil with good.**

**We got to shine a light in this darkness not make it more darker.**

**Some people say to God show me a sign show me a sign make away make away. And then God makes away moves a mountain gives a car truck suv ect to you splits the Red Sea you walk on dry land or even allow you to walk on water. And you again question the Will of God? And you say God give me a sign.**

**His ways are thoughts are not our own and it most certainly higher then ours.**

**Stand Still And Know He Is Lord!**

**What does God have to do or say to you or who does he have to send to tell you for you to know Gods will?**

**God been shining through your darkness stood right in front of you looked you in the eye told you and you wouldn't see it.**

**If You Call Yourself A Preacher Then You Need To Be More Concerned About Altar Jammed With Souls Then Your Statics Quo! You Should Be More Interested In Pulling Souls Out Of Hell Then You Little Book Of Rules And Orders!**

**Nothing Else Matters But This Here Running Through The Smoke Of Hell!!! And Pull Them Out The Fire!!! Making Sure They Know How To Be Saved And Make It To Heaven!!!  
NOTHING ELSE MATTERS!!!**

**You Got To Have Compassion And Love For Souls Showing Them You Care And You Are There!!!**

**A Dried Eyed Church In A Hell Bound World Will Never See Revival But Its Own Destruction!**

**Don't Let A Soul Get By You And Plunge Head Long Into Hell That You Can Keep From Going There!**

**Don't Waste The Blood Of Christ! Don't Abandon A Soul To Hell Let That Holy Ghost Fire Out Of You And Allow Others To Feel It!**

**Years ago I was told my Ministry was on hold and not appreciated cause I was a kid times changed and no one didn't want no kid telling them anything about God and also I was told I was too dumb and stupid as others talked about track records and my past.**

**I was told later when I got older that my that if I am to be a preacher I have to get a vehicle cause times changed and I have to ha a way to get around to preach. And people know my past.**

**Today I'm told basically I have a track record a past and I have mental issue I'm slow dumb crazy how can I preach or pastor ect did I lie when I said God called me to preach? Some said I seen no proof of the hand of God on his life or how he's a preacher.**

**This used to bother me bad but that's what the devil intended to he wanted me to shut up and just sit down and do nothing.**

**That's the most dangerous but like a great Man of God Said you cannot live for God with a shut mouth God called me and no matter what people say or do I got to obey God.**

**Peter had a past James Matthew Mark Luke all the 12 disciples had a past even John who was the only disciple that did not leave Jesus sad even to his death.**

**And o yes their past slapped them in the face.**

**No no I'm not trying to make anyone think I'm having a potty party I'm not I'm making a point.**

**Live for God hear God listen to God and let the fault finders Past track record holders holder records of your past rage about how you can't do what God called you to do how dare God even calling you and just do what God called you to do and don't forget to listen to your pastor take his counsel but when men tell you you can't do something that God told you to do you remember it's better to obey God then man!**

**My Bishop Bro Hitt Told That To Someone when that someone told him he couldn't obey God.**

**The devil brings up Past failures. God heals Your Past shapes Your Future And Says Follow Me!**

**There's a light at the end of this tunnel but sometimes your that light in the darkness and you got to let that light/Holy Ghost out and shine out that Light.**

**Understand something when everything just don't work and what your doing just don't seem the normal or it's like your kicking against the pricks If you don't fit in... then you're probably doing the right thing.**

**Mean wile be that light that shines in darkness.**

**I'm so tired of "clicks" I'm tired of groups that don't want to let anyone else in! I'm sick and tired of popularity! I'm tired of people thinking they are better then others!**

**I'm tired of seeing new souls coming into church doors and all they see is a bunch of "clicks". They walk in and then they leave without talking to or meeting a new person.**

**These new souls are hopeless, and if we aren't carful we can drive a hungry person further away from the peace and hope of God!**

**We have got to be more intentional about visitors!**

**Here are some ideas**

- take them to lunch after service and Cover their meal**
- invite them to coffee**
- offer a weekly Bible study (if your too busy, first your priorities are backwards, and second find someone else to teach the Bible study)**

**These are lives we are dealing with here! You have an opportunity to change someone's eternity! Take it an run with it!**

**Sometimes you will always come last when all you want is to come first. You just have to learn to be ok with it. Put God first, care for yourself know your worth, and know that God put you first before you were ever created! Jesus You have been so good to me that I can't complain. Sometimes we tend to fight for a spot that isn't our to behold! Only the Lord is first, all others are after Him! That position belongs to him and him alone, and sometimes we over look that and strive to be number one in everything, which leaves us constantly feeling inadequate and not enough. When in fact He created us equipped us and formed us! Being first with God will get you through anything.**

**Prayer is a privilege, God Almighty awaits the moment that you speak to him in prayer, and remember when you are done to be still, and listen.... KEEP THE LINE OF COMMUNICATION OPEN. GOD WANTS TO SPEAK TO YOU**

**The God Who Created The Whole World Is That Same Jesus! We Could Not Bear The Sight Of The Almighty God! No One Can Look On His True Form And Live So He Made Himself A Body To Dwell In And Called That Shell His Son And Allowed That Shell To Have His Spirit For A Soul! He Walked This Earth And Died For Us Rose Again! We Couldn't Look Upon His True Self So He Put On Glesh So we Could Look Upon His Face And Live.**

**God Put On Flesh And Walked This Earth!**

**Genesis 1:1-5 KJV**

**[1] In the beginning God created the heaven and the earth. [2] And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. [3] And God said, Let there be light: and there was light. [4] And God saw the light, that it was good: and God divided the light from the darkness. [5] And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.**

**John 1:1-5,9-14 KJV**

**[1] In the beginning was the Word, and the Word was with God, and the Word was God. [2] The same was in the beginning with God. [3] All things were made by him; and without him was not any thing made that was made. [4] In him was life; and the life was the light of men. [5] And the light shineth in darkness; and the darkness comprehended it not. [9] That was the true Light, which lighteth every man that cometh into the world. [10] He was in the world, and the world was made**

by him, and the world knew him not. [11] He came unto his own, and his own received him not. [12] But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: [13] Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God. [14] And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

**Somebody needs me to talk to them.**

**You are out there in this ethereal social world we call Face Book.**

**I am reaching for you.**

**To that one/ones that are intimate with the "terrors of the night," you are acquainted with a knowledge and reality that many do not and hopefully will not ever understand.**

**The night hours are the toughest!**

**Normally you can talk to anyone; but in the darkness of the night, where once the deepest intimacies could be shared; the most vulnerable secrets poured out in absolute trust; is simply not there.**

**Hadn't been there in a long while.**

**Not coming back.**

**So dark!**

**Black as midnight!**

**Oppressive and seemingly hopeless!**

**But; the Psalmist David said, in chapter 27 and verse 1:**

**“The LORD is my light and my salvation; whom shall I fear? The LORD is the strength of my life; of whom shall I be afraid?”**

**What kind of picture are you painting of yourself.  
Are you tearing down or building up?**

**(This Is Not Everyone)**

**The devil isn't always the only one who paints the beautiful pictures.**

**Sometimes, we humans do it in order to LOOK like we are at peace and living a beautiful, perfect life, living for God; when in reality there's dark skeletons in our closets that no ones knows about, and we want to keep it hidden and tell ourselves it's all good and no one knows, and we continue to pretend living for God.**

**We continue to hurt others who are struggling and act like we are perfect because we don't want anyone knowing what the truth is.**

**Sodom and Gomorrah painted themselves up to look real beautiful to people like Lot. So full of water and greenery and lushness, yet God said they were so full of sin and evil in His eyes.**

**So my thought today is, what kind of picture are you painting of yourself? Are you being honest and real about who and what you are?**

**Or are you painting a pretty picture to cover up the real you inside?**

**If you sow in the flesh you reap corruption if you so in the Spirit you reap Life everlasting. That which is flesh is flesh that which is Spirit is Spirit. So what are you sowing in?**

**“LORD, IT’S DARK IN HERE!”**

**Under the helmet.**

**The welder plies his trade and facilitates his training; to bring two metals together as one.**

**He uses a huge but precise amount of amperage, a welding rod perfectly suited and manufactured for that exact job of attaching two pieces of metal that need to become one, in an integral part of the whole plan.**

**It does not matter how bright the lights outside, the sunniness nor the cloudiness of the day.**

**Under the fabricators welding helmet it is dark. The darkened glass shield is not JUST for the protection of the naked eye, but it is to be able to see, not only the two components that need to be facilitated into his purpose, but to be able to judge the heat necessary to do so, made obvious in part by the bright, almost undefinable, white color of the super high temperature of the weld.**

**You see; a weld is not just an adhering of two components. It is so much more than a superficial bonding achieved by any powerful gluing agent on the market of availability.**

**Rather, two metals don’t just adjoin; they cease to be two separate entities, and through the process of intense heat, light almost as bright as the sun, and made able to be seen by the Master Fabricator, through the use of a helmet that brings a total darkness, only lit and illuminated by the creator of the thing in process.**

**It is not a glued together proposition. The two components become one in the process of welding; or more succinctly put, “MELDING.”**

**You may be saying today, “Lord it sure is dark in here; and I am scared and uncertain as to the outcome of what I am going through!”**

**But know this first of all: It is in the darkness, lit and illuminated “only” by His divine skill and purpose, that we become the thing He has purposed IN US for His Kingdom!**

**Secondly understand that you, though uncomfortable, confused and fearful; are in His Hands! You are safely in Good Hands! Gods Hands!**

**And thirdly, I have heard it said, and personally know it to be true; “He does His best work in the dark!”**

**Of course this is why He spoke into the swirling vortex of the eternal nothing before time and said, “Let there be Light, and there was Light!”**

**And besides..... Have you ever seen an old time blacksmiths shop that was well lighted? No! ‘Cause the “light” he creates from the heat, lights the purpose of the task he is creating out of that darkness!**

**The precise and intense heat; producing the light in the oppressive darkness of nothing; produced the Divine Purpose and Creation!**

**From Bethlehem’s Bright Star, to the Cross where the sun hid its face and darkness seemed to reign upon the land, to the earth quaking and the dead walking in the streets; and then.....! And then.....**

**Did he?**

**Where is your war cry soldier?**

**Yes you are beaten yes your wounded and your hurting over the friends you have lost in battle, your down on one knee and the blood dripping from your fresh wounds and your covered in scars of past battles and your weary and angry and hurt of the betrayal that was dealt you, and the friends that has failed before you that you tried to help get back up and refused your help because they were weary in well doing and the stayed down and you had to move on and you lost them.**

**Now here you are on one knee and the puddle of blood on the ground from where you are sitting that came from the freshly cut wounds of your soul.**

**Where's your war cry soldier?**

**Rise up Wounded soldier and shout your war cry your in a battle now is not the time to faint your life is on the line!**

**It's time to think of the cost of giving up and staying down it's time to think on the reason of why you are fighting! The battle is not over there's a war going on and you are needed for battle so Rise up wounded soldier! The deep calleth to the deep!**

**Where's your war cry? It's time to put the enemy to the run it's no time to faint to give in but to let your light shine in this darkness that's surrounding you! Shine your light so others may see it and not Parrish in the darkness!!!**

**When You Live By Whats In It For Me You Always Wind Up With Nothing!**

**We cannot live by selfish gain but to live by selfless service. Bible says what does it prophet a man if he gain the world and loose his own soul or what would a man give in exchange for his soul?**

**To gain the whole world and all it riches and never know the Lord... you lost it all nothing is better then knowing the Lord and hearing his voice and heeding to his calling!**

**(Called Out For A Purpose)**

**God called Jonah to go preached to Nineveh he ran from it and on the ship as the held on to the ships wheel and the wave of the storm beat across the ship one said the gods are angry with us and we will all parish from it the through ships tackle and food ect out the ship and the storm still beat the ship all looked hopeless but down below Jonah sat there knowing that the Lord was angry with him for not heeding to the call.**

**He sat and thought it's my fault all these people are in danger because I disobeyed God.**

**He arose from where he was at and went and told them I have Sinned against My God that's why the storm is here because of the wrath of the one true God of Israel whom I serve.**

**With fear they asked Jonah what do we do that we can be spared from the wrath of your God?**

**And so you know the story they threw Jonah overboard and God made a whale swallow him whole and for three days he sat there burning as the whale's stomach acid dripped all over his head and body yet he didn't die but was tormented.**

**He said it was like three days of hell it burned him God was trying to get his attention and he did Jonah prayed and repented and the whale threw him up out of its belly on the beach and he went into the city preaching God's destruction to the city and you see God's mercy upon them because they repented for their wrong doings!**

**Today God is calling rather it's to preach to pastor to go to a certain church corner or place and preach reach a soul or simply to help someone cross the road! Or the fact that he's calling you out of darkness to his light or out of the world of sin into the Altar of repentance however it is you was called out for a Purpose a reason in a time such as this!**

**Don't set there and be idol Do what God told you God is on the throne!**

**You are the salt of the earth a city on a hill so let your Light Shine! You and me may be the only Light of Hope a discouraged broken hearted soul sees.**

**When You're Born In The Fire You Cannot Live In The Smoke.**

## **Chapter 8 (Foundation Built On Sand)**

**I set out on my Journey my vessel was full and my goods were new like a happy sailor I caught the tide and went out to Sea to do a mighty Work for God.**

**Evil was percent with me it sent Sanballat, and Tobiah to distract me and I sailed off course I hit sand and over my ears being tickled I began to build my foundation on the sand it was gorgeous and a lot of good was built and wonderful things happened I grew and I learned a lot but my foundation was on the sand.**

**I built a kingdom and the kingdom was perfect and gorgeous many were changed by the experience of my work. (But my foundation was built on the sand)**

**My work so I thought was perfect so I sailed out again to the deep see but my coppers were have empty I went to a piece of land and it was given to me I anointed the grounds and I started to build a house but over excitement I got my cart ahead of the horse so the work stopped and again my foundation was built upon the sand.**

**I sailed out again communed with a dragon and was confused but two Eagles three lions and a white Horse Lion and Buffalo lead me to a secret place where the Almighty dwelt and we communed broke bread and talked he told me to gather treasure with the Eagles one had a red beak and was a male and the other was female and had a star on her beak they lead this dumb lion and stabled my mind and got rid of the flies in my ear.**

**The Eagles encouraged me kept me sane and they loved me and showed me the meaning of true Friendship as did the White Buffalo and the white horse and Lion.**

**I sailed out again to do a work in the far out sea and the work was great but a cannon ball hit my sail that came from a ship I thought was my ally but the top of her sails was the enemies flag color. I took on damage. Then from the same ship I seen the white flag of parlay and the meeting voted peace so we were at peace then as I sailed to the next place another cannon ball hits the side of my ship causing worse damage then before then another Parlay and peace then the third time.**

**Heartbroken I wept and cried fasted and prayed and the Lord spoke and said Go back to the Harbor You Left reunited with the Captain of the House of Refuge and Grace and your family.**

**So I sailed back but my coppers were empty and I got back to my kingdom and got back on top to see a far and I saw the floods coming and my foundation was built on the sand.**

**The flood came and tore down everything my work was destroyed and it was my fault my house fell down my land was lost and I'm to blame.**

**I thank God for The Eagles who lead me to safety and helped me along the way in this journey.**

**Yes my house and kingdom fell and great was the fall cause it was built on the sand it stood tall and long but it fell on top of me I was Buried in the sand. And my ship was torn into pieces and my coppers was empty. Truly I left full and returned empty and lost it all.**

**But yet God had mercy through all that. God warn me many times and told me but I thought I knew better so I did it my way instead of Gods way and I allowed Sanballat, and Tobiah lead me astray But thank God for the Eagles.**

**From deep in the sand my hands came up and I pulled myself up with some strength that was giving to me I believe only by God. I looked up and saw a hand of the Captain of the House of Refuge and Grace and my Loving Father who was waiting on his prodigal son to return and a loving mother and whole family and the whole church family who reached down a hand to help me up.**

**I then suffered for I lost everything but my family church family and my Captain lead me to the Rock and they looked at me and handed me a hammer and a pick and said rebuild the House rebuild the kingdom but this time do it right and this time build your house and kingdom on the Rock! Build it right and obey God!**

**Slowly but surely God had helped me build on the Rock and God has given things back to me.**

**I am here only by the grace of God!**

**Sailors! Make sure your foundation is on the Rock and when the floods come your house will stand Sometimes there's no mercy but judgment I thank God Mercy Said No.**

## **Chapter 9. (Gods Love A Restored Hope)**

**Matthew 6:9-13,16 KJV**

**[9] After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. [10] Thy kingdom come. Thy will be done in earth, as it is in heaven. [11] Give us this day our daily bread. [12] And forgive us our debts, as we forgive our debtors. [13] And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen. [16] Moreover when ye fast, be not, as the hypocrites, of a sad countenance: for they disfigure their faces, that they may appear unto men to fast. Verily I say unto you, They have their reward.**

**Notes here Jesus told them to start their prayer by calling God who is in heaven there's another verse of scripture in**

**Matthew 7:11 KJV**

**[11] If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask him?**

**Again God was called Father. So many preachers pastors and Saints mis understand God and make God as the great big bad the punisher of sin.**

**Many were made to feel like it's too late they messed up so much there's no chance to be saved.**

**But let me point out something about Gods Love! God not only loved us so much he bleed and died for us but he wanted us. to call him Father!**

**So many times there was one who was so scared because a man told them God was mad at them, and I seen them run away from church and away from God believing they was forever damned to hell no chance to be saved because they thought God was so angry at them. Why? Because they were never told about how much God who wants to have Father relationship with us Loves them!**

**Look at it this way Someone told you that God was Angry with you you most likely be little bit scared worried even, but if someone told you hey your daddy is mad at you you be like. Ok let me go talk to him we can get this straight because you know your daddy loves you.**

**God in the Flesh said how to pray by saying this Our Father thou art in Heaven!**

**I seen so many people loose hope because they felt like there was simply no love in God for them they truly felt that they were born to die and go to hell there was no hope.**

**As a taxi driver I see this every day some bitter some paranoid some angry some scared to death drug attic's alcoholics homeless dirt poor and very wealthy rich but all had in common as some us Pentecostal Apostolics they feel no hope no love no chance of making it to heaven, some made themselves believe that there is not a loving God nor a hell just life and that's it because how can a God who supposed to love us throw us to the wolves over a mistake.**

**And all that comes with not providing that there's a God who truly Loves us and is for us and wants to help us and be a Father to us!**

**My brother who a wile back was in a terrible place and the devil reeked havoc in his life and several situations was very dire and my mother would be crying in the middle of the night all night long. But today because of a LOVING GOD and a praying Mother and family church family my brother a different man sits on the pew at our church!**

**Proving the UNLIMITED UNENDING MERCIS OF GOD!!!**

**God was all about Love and he commanded us to show that same Love he showed us to one another! Preachers preached so many standards and against so many different holidays ect that most likely will not send you to hell but they preach it like it will. But what's not preached is what God himself said and commanded to do! This is the biggest standard that should ever be preached and this is the real HEAVEN OR HELL ISSUE and they is this LOVE YOUR BROTHERS AND SISTERS TREAT THEM RIGHT AND DO GOOD TO THEM HELP THEM GET BACK UP AND BE A FRIEND!!!!**

**If you can't do that your going straight to hell you are damned with no hope of being saved! Unless you Obey God! And reconcile with your Brother!**

**If we can't do this the outside sinners will not see a Loving God therefore they will not see any Hope!**

**1 John 2:10-11 KJV**

**[10] He that loveth his brother abideth in the light, and there is none occasion of stumbling in him. [11] But he that hateth his brother is in darkness, and walketh in darkness, and knoweth not whither he goeth, because that darkness hath blinded his eyes.**

**If your in Darkness then you will be cast into outer darkness with weeping Gnashing of teeth! That place is called Hell!**

**This is how serious God is about how he Loves all in the World and how we should do the same!**

**Yes standards and how we dress talk walk is important but if we can't love our Brother and treat each other right and stand Shoulder to Shoulder! Then like Jesus told the pharisees we are nothing but a children of Satan a child of darkness hypocrites.**

**Some preachers preach this that everyone's names are in the book of life that's why God can blot out the names!**

**If that's the case listen we are to pray over situations and people but God gave us hands and feet along with the Holy Ghost and sometimes we got to walk in the lions den or snake pit to get that sinner or lost sheep/backslider that's wounded broken and in pieces then we best go get them and bring them to God!**

**And if the homosexuals name is in the book of life then we better do our ever loving best to make absolutely sure their name stays in the book! If the liar thief murderer cheater drug addict alcoholic Child molester rapist etc. name is in the book of life then we got to do our part of making sure their name stays in the Book Of Life!!!! Stop throwing them into hell with no mercy or any such like less God decides to not show us mercy!**

**We got to show Gods Love and preach it and Show others Gods Mercy and that there is hope for them!**

**This is the most important thing we all got to get ahold of!**

# Chapter 10. (“Self Righteousness Or Selfless Service”)

**Matthew 18:26-30 KJV**

**[26] The servant therefore fell down, and worshipped him, saying, Lord, have patience with me, and I will pay thee all. [27] Then the lord of that servant was moved with compassion, and loosed him, and forgave him the debt. [28] But the same servant went out, and found one of his fellowservants, which owed him an hundred pence: and he laid hands on him, and took him by the throat, saying, Pay me that thou owest. [29] And his fellow servant fell down at his feet, and besought him, saying, Have patience with me, and I will pay thee all. [30] And he would not: but went and cast him into prison, till he should pay the debt.**

**Do you see the difference in the two?**

**One had compassion and forgave the debt the other act like a lord over the fellow servant and demanded payment.**

**So many times we forget the debt we owed, and who payed that price.**

**We grown comfortable and spoiled and we no longer consider our brother.**

**We allowed pride to come in our hearts because we have money we let it get in our head and now we are better than everyone around us.**

**This is not a popular subject but it's important in this day and time, we have so many that are in church doing what the world does. Going through the day not a care in the world having a good old time.**

**So many are so selfish they act so Holy and righteous but it's self righteousness.**

**We got to get to the place in God where we are more Selfless and we are giving a Selfless Service to the broken family the broken in heart the wounded fragile saint that is about to give up.**

**How? By getting a relationship with God! Getting a close walk with God showing Love and compassion towards others.**

**We have gotten to a place where it's all about the position in church a seat at the table or a place in leadership among the churches or the organization and they walked on by their brother who was attacked by thieves.**

**Luke 10:30-37 KJV [30] And Jesus answering said, A certain man went down from Jerusalem to Jericho, and fell among thieves, which stripped him of his raiment, and wounded him, and departed, leaving him half dead. [31] And by chance there came down a certain priest that way: and when he saw him, he passed by on the other side. [32] And likewise a Levite, when he was at the place, came and looked**

on him, and passed by on the other side. [33] But a certain Samaritan, as he journeyed, came where he was: and when he saw him, he had compassion on him, [34] And went to him, and bound up his wounds, pouring in oil and wine, and set him on his own beast, and brought him to an inn, and took care of him. [35] And on the morrow when he departed, he took out two pence, and gave them to the host, and said unto him, Take care of him; and whatsoever thou spendest more, when I come again, I will repay thee. [36] Which now of these three, thinkest thou, was neighbour unto him that fell among the thieves? [37] And he said, He that shewed mercy on him. Then said Jesus unto him, Go, and do thou likewise.

**The Apostolic Preacher a Evangelist walks up sees the man on the ground and walks fast and on by like he never sees him he's running to go preach and get his nine hundred dollar check!**

**Then a Pentecostal Pastor walks up sees him in the corner of his eye keeps telling n walking dont even care his tithe ain't big enough! So he's nothing to stop and help he don't have time to help that man!**

**But then a drunk staggers out the bar room and sees the man. He yells Hey!!! Hey!!! mans hurt man is Hurt!!! He goes and gets a friend out the bar and they both go and help the wounded man they do what they can to clean the blood and calls the ambulance to come get him and they all together in the bar help pay the doctor bill and make sure the man got the right help!**

**The samaritan the half bread the abomination the heretic from birth by his sinful parents! The Samaritan the drunk sinner so high puffing smoker. Hey what's up cuss smelly rank sinner samaritan! Helps the wounded fallen man!**

**But God said for us the church folk preachers Pastors to do this!**

**1 John 3:16-17 KJV**

**[16] Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. [17] But whoso hath this world's good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?**

**The rooster with the sore on his head... all the other birds in the pen wants to peck it and unless farmer/pastor unless you get that hen/church/soul they others will peck it to death.**

**I Do This So My Brother May Live!**

**What kind of price will you pay to save your brother or a lost soul.**

**I have made up my mind to live for the Lord at all cost even if in means to sacrifice myself, the bible said plainly**

**Romans 12:1-2 KJV**

**[1] I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.**  
**[2] And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.**

**We got to stop being so selfish and do what God had called us to do to reach out to our fallen brother and restore him to reach for a lost he'll bound sinner thats heading straight to hell and the only thing that is standing between that soul and hell is you and I!**

**What are we doing with our hands? Are they Holy? Or are they Bloody?**

**We were called to be a witness and to bring a light in this darkness but we gotten so self centered that we gotten use to the dark and we set out to please our flesh and to entertain ourselves with the pleasures of this world and our brother is dying!**

**What will you do so that your brother will live and not die!**

**Prideful Pastors not even caring what they do or say they act like the stud horse in the pasture strutting around looking over his subjects the prideful beast.**

**The Good Humble Pastor full of love and compassion he knows he is not the Shepherd he's the Under Shepherd the Hireling Of God! the Good Shepherd The Chief Shepherd The Shepherd!**

**The Youth Will Live By The Actions Of The Elders More Then What They Tell Them!**

**Everyone wants a move of God in their church but no one wants to pay the price to make it happen nor sacrifice!**

**The price that has to be paid has to come with a humble spirit a broken and contrite spirit and heart.**

**No arrogance no pride no self righteousness all that does is destroy a good church good souls in the church it robs their Hope and love! Arrogance and pride and power hungry political status race for leadership puts Ichabod on the doors of the church God will leave! God will not dwell in power phonetic hypocrites that runs the show their way and refuse to care about the Saints and feeding Gods sheep because of what other preachers see them as. It's sorry how instead of being sensitive to God and lead by the Spirit of God it's all about position and playing Church and lording over Gods sheep.**

**The responsibility of all ministers more so to Pastors over churches is this!**

- 1. Be Bold.**
- 2. Show Compassion.**
- 3. Always be Humble.**
- 4. Never be Arrogant.**

**We are a servant to the church to serve the Word of God to all that will except it with Love Compassion Humility Boldness but never arrogant always warning the lost and the church not to play with their lives but to repent and get right we are supposed to pull them out of the fire not compete with them or other ministers but to work together saving souls pulling them out of the fire so their blood will not be on our hands but so many of us ministers have forgotten that it's a matter of who you are now how old you are were you came from what church you attend how educated you are!**

**And there's people going to hell all around us and we don't even see it cause we are to busy worrying about The position it's all politics now it's who you are and where you are and who's your pastor!**

**Are Your Hands Holy or are they Bloody?**

**I can go on and on on this but ima end it with this.**

**We must pray now! We must touch God for our lost world now more then ever! If we focused more on soul winning and teaching our children how to love God instead of political static and being someone at a table. They they wouldn't be out there trying to fit in in the world!**

**If I can say it like this Save your children! Moms Dads Save your Children! Don't let them be beaten by tyrants that just want to ride authority make sure you have them in a save environment with A pastor that is concerned for their soul and loves them!**

**Everyone be Selfless Servants and Consider Someone besides Yourself.**

**Food for thought!! We the Great and Powerful Nation that The United States Of America have Freedom because of how we fight!! Whenever we attack or being attacked, we do not pull our bombers, fighter jets, tanks , missiles and other powerful weapons that he have and send in ground troops to defeat our enemies, when the battle is steady heating up! I used this only for an example of our Spiritual warfare that we're fighting!! Since the Bible says that if the footman weary you what will you do when the horsemen come!! We're in a major warfare against spiritual wickedness in high places, rulers of darkness, false prophets and the list goes on! Spiritual weapons as fasting, praying and holiness are weapons that we must not stop using to win the war that we're in! Defeat is in sight, keep on fighting a strong and good fight? Don't slack up but intensify your attack on God's enemies!**  
**Pastor Tommy Cotten.**

**Jesus is about to come back!! What happened to all the children in the days of Noah that never made it on the Ark? Pastor Tommy Cotten.**

**Previous generations simply didn't know (because they didn't have google to tell them everything) and they knew they didn't know. That brought a cautious humility. Today's generation will be arrogant in their conviction that they know, but it will be all the wrong things that were spoon fed to them by those that blasphemously lead us like the pied piper. Today, we arrogantly stand upon the lies we've been fed hardly understanding our own destruction. This is the unraveling of our society and ultimately, of our very own souls.**

**Misplaced confidence in manufactured information.  
Pastor Ben Petrella.**

**If ministry leadership is your identity, then Christ isn't.

**You know that old saying: When you're talking Bad about me, make sure you tell them the GOOD I did for you first? It makes SO MUCH MORE Sense these days. When you know your worth and you know WHO YOUR DADDY IS nothing can stop you, nothing! When your family and friends and in laws, etc, when they all talk about you or lie to you, just remember this: GOD SEES ALL! That saying Only GOD Can Judge Me? That ought to scare people into running to Jesus! But in the words of a Great Man, the BEST Man I EVER knew, Love Them ALL! Let GOD sort them out!! Remember that the next time the Enemy uses ignorance to attack you!! Bro Derek Savoie.**

**The bride groom doesn't need a friend that's trying to get cozy with his bride and God doesn't need a ministry that seeks to be drunk upon the infatuation/adoration of His church.**

**A true friend will always turn the attention of a bride to her bride groom. That's his job. That's his calling. That's his mission.  
Pastor Ben Petrella.**

**What is the biggest choice you had to make today? Where to eat? What to wear? Whether or not to take a nap? No, you've made some big choices today without even realizing it. Your action or inaction is a declaration of intention. Some by action, have forgiven. Some by action offer condemnation. Some by action, seek forgiveness, and some seek strife.**

**Joshua 24:15 choose you this day whom you will serve.**

**Your choices have consequences, and you will eat the fruit of them whether they be bitter or sweet. Every action is a declaration, a vote, an execution of intent.**

**Don't tell me what all the devil have done to you, until you tell me what all you have done for God.  
Pastor Tommy Cotten.**

**When Jesus called Peter to step out of the boat (at Peter's request) we tend to focus on the one step where he stood on top of it and we preach faith...but I believe the object lesson here was for Peter to be stripped of his pride, self sufficiency, and arrogance to see the peril of life for what it is and cry "Save Me!" That's the power point of the story. Jesus knew Peter's tendency to be impulsive, and bold. He knew Peter was comfortable on the water in a boat and wasn't easily frightened by a storm. "O Thou of little faith" was more a statement of fact than a rebuke. If humanity can lay down it's postured pride and step out of the trappings of our self sufficiency for just a moment so we can see our need of a savior! Don't strive to walk on the water, Strive to recognize your humanity and cry "LORD save me!" Then get back in boat and sail on.  
Pastor Ben Petrella.**

**If Your Gift Comes With A If... It's Not A Gift It's A Bribe.  
A Gift Is Always Free. A Bribe Always Has A Price And A If.  
Pastor Ben Petrella.**

**If we that are filled with the Spirit of God should take on the mission, attributes, and purpose of Christ, then Christ is ultimately calling us to BE Jesus to the world. Through our service, through our humility, and ultimately through our personal sacrifice. To love those that nobody loves, To find the lost and forgotten, and to be that hope to the hopeless. Not simply to speak of hope, or speak of Christ. But to be hope, and to be the pure light of Christ in someone else's life.**

**And once again I see my need of the altar.  
Pastor Ben Petrella.**

**The enemy of our soul tries to convince us that we are broken beyond repair. He wants us to focus on the problems instead of the master. In Genesis one we find a world without form, void and covered with water. The spirit moved on the face of the waters and God begins to speak. He removes the excess water, he creates light, he causes dry land to appear, brings forth all the vegetation, creates the fowls of the air, fish in the sea and all the beast of the field. All this he did by speaking it into existence. Numerous creations every day until the sixth day when he went silent and with his hands made man out of the dust of the earth. The earth that was broken now sustains billions of men and women made in the image of God and billions of plants and animals. There is no telling what God can do with our broken lives if we will let him move, speak and touch us!

God Is A Problem Solver!  
Sis Salina Flores.**

**Thought for today: OFFENSE kills!  
Y'all can we stop getting offended? Can we Stop cutting people off and talk about the problem? What happened to what the Bible says? The Bible says if you have ought against your bother or your sister go to that person and talk about it. Offense will take you places you would never expect. It will destroy your heart, your mind, your soul and your spirit without you even knowing it. Don't allow the enemy to separate you from people who love and care about you because of offense or miscommunications. Don't allow the enemy to lie and manipulate you. Don't allow the enemy to destroy your thoughts towards others. The enemy hates Unity think about that.

**Somebody would have to be historically illiterate to deny that a man named Jesus walked this earth. There are plenty of non biblical references to him. So if he existed, and one understands that there is more historical integrity to the bible than there is to the writing of Plato, then one must accept the statements Jesus made about himself. Therefore He is either lord, liar, or lunatic (evidence that demands a verdict). There's again extra non biblical reference to the things Christ has done in front of witnesses. Death on a cross is not the prophesied end game of a liar. Witnessed factual miraculous events are not the ability of a lunatic. So there's only one option left.**

## **Chapter 13. (“The Impact Of The Ministry”)**

**The last few weeks has been such and great thing, Revival each service Bro Blayne Muse. Preached his heart out to us and my Brother Elliot Tarver got the Holy Ghost.**

**Bro Blayne Muse. Preached about (Somebody Effected Everybody)  
He talked about how Jesus came to saved the world, the compassion he had for the lost.**

**And he preached how we must be like Jesus who set out to make a difference who was wrongfully accused mocked laughed at and made fun of, yet he continued to go out and preach.**

**They hung him on a cross but he changed the whole world.  
He set out the Apostles who went out to preach to those that could hear and be saved they went to all nations so some might be saved.**

**He talked about God lifting us up when we fall and we are down. Israel was in captivity in Egypt and the walked with their backs bowed over because of the weight they carried on their back working as slaves to the Egyptians. But a man came named Moses and led them out of captivity he made a impact on their lives! When they walked out of Egypt God heard them and they walked straight and free men and women!**

**He went on and said How we are to Effect others around when you see your brother fall get them back up to their feet and When they can't walk another step, pick them up and carry them. That's the whole point we got to hold each other up!**

**That message really touched means to see my brother pray back through to the Holy Ghost was so Awesome!**

**God is doing a new thing and he is restoring things in our life. The Ministries Voice are shaking the earth and God is pouring out His Spirit on All Flesh!**

**Galatians 6:1-2 KJV**

**Food for thought!! We the Great and Powerful Nation that The United States Of America have Freedom because of how we fight!! Whenever we attack or being attacked, we do not pull our bombers, fighter jets, tanks , missiles and other powerful weapons that he have and send in ground troops to defeat our enemies, when the battle is steady heating up! I used this only for an example of our Spiritual warfare that we're fighting!! Since the Bible says that if the footman weary you what will you do when the horsemen come!! We're in a major warfare against spiritual wickedness in high places, rulers of darkness, false prophets and the list goes on! Spiritual weapons as fasting, praying and holiness are weapons that we must not stop using to win the war that we're in! Defeat is in sight, keep on fighting a strong and good fight? **When Jesus called Peter to step out of the boat (at Peter's request) we tend to focus on the one step where he stood on top of it and we preach faith...but I believe the object lesson here was for Peter to be stripped of his pride, self sufficiency, and arrogance to see the peril of life for what it is and cry "Save Me!" That's the power point of the story. Jesus knew Peter's tendency to be impulsive, and bold. He knew**

**Peter was comfortable on the water in a boat and wasn't easily frightened by a storm. "O Thou of little faith" was more a statement of fact than a rebuke. If humanity can lay down it's postured pride and step out of the trappings of our self sufficiency for just a moment so we can see our need of a savior! Don't strive to walk on the water, Strive to recognize your humanity and cry "LORD save me!" Then get back in boat and sail on.**

**If we that are filled with the Spirit of God should take on the mission, attributes, and purpose of Christ, then Christ is ultimately calling us to BE Jesus to the world. Through our service, through our humility, and ultimately through our personal sacrifice. To love those that nobody loves, To find the lost and forgotten, and to be that hope to the hopeless. Not simply to speak of hope, or speak of Christ. But to be hope, and to be the pure light of Christ in someone else's life.**

**And once again I see my need of the altar.**

**Pastor Ben Petrella.**

**The enemy of our soul tries to convince us that we are broken beyond repair. He wants us to focus on the problems instead of the master. In Genesis one we find a world without form, void and covered with water. The spirit moved on the face of the waters and God begins to speak. He removes the excess water, he creates light, he causes dry land to appear, brings forth all the vegetation, creates the fowls of the air, fish in the sea and all the beast of the field. All this he did by speaking it into existence. Numerous creations every day until the sixth day when he went silent and with his hands made man out of the dust of the earth. The earth that was broken now sustains billions of men and women made in the image of God and billions of plants and animals. ## **Chapter 14. (The Apostolic Harbor Crusade)**

**An old Harbor was built. A shelter for ships that were out on the sea an old light house was built shining a light in the darkness so the ships can come dock.**

**Every sailor have situations that happens out on see the Captain goes out on deck and begins to watch his crewmen work the ship then Suddenly a shout from the crows nest. Sail ahead! Sail ahead!**

**The captain walks to the front of the ship with his first mate and looks through his scope and sees a ship he recognized and he says to the first mate. Look yonder there is our Allie they are raising up the enemy flags blow them out of the water! We cannot divert from our path!**

**They fired a warning shot the shot hit the water far from the enemy ship they fired the second warning shot cause the ship kept coming the enemy kept coming and fired back so the third shot met it's mark they blowed the enemy ship out of the water but it was not without consequences they took damage on their ship. It wasn't a good thing it was dire that they find refuge.**

**The captain looked at the damage then looked at the sea that was dark because night as fallen then he saw the flicker of a light he look through the scope and saw the old light house he said to his first mate. Look yonder look yonder there's the light house beyond the light house is the Harbor where we find refuge and we can fix our ship.**

**We are as ships sailing out on the sea the church is the Harbor and the Pastors Preachers and Evangelist are the light House if you please trying to shine Gods light out in the darkness of the sea so the ships will not sink.**

**Things creep up in your walk with God and try's to destroy you and hurt you so you fight no matter if it was your Allie with enemy flags you fought and took on damage but you cannot stay out on sea seek the light from the light house and sail towards the Harbor!**

**Talk to your pastor hear the words of the preacher and evangelist recover in the Harbor! The church is the Harbor Where you have refuge reinforcements restoration it's the House of God!**

**The Light House is Jesus Shining through the Men of God dedicated and sound in the Word of God!**

**Don't stray too far in the darkness that you cannot see the Light House and get back to the Harbor!**

**Go out preachers pastors evangelists we are the Apostolic Harbor Crusade. We are the voice in the darkness the Light House Saints go get your life boats there's some recked ships that that has souls that need saving that needs to be brought to the Harbor!**

**What are we doing coast guard what do you see? I see people in the water holding on to pieces of the ship what are you doing coast guard go get the people bring them to the Harbor!**

**We Apostolic's must make it our business to pull the souls out of the drowning darkness and bring them to the light and when we get damaged or wounded hurt we must go to the church and the preachers elders in God and recover get reinforcements and restored and let God take over us and heal us and let his light shine through us. We get damaged at times weary but if we wait on the Lord he renew our strength.**

## **Chapter 15. (The Results of Prayer and Fasting)**

**Well prayer is very powerful thing to do and it is the most important thing to do if we want to be saved.**

**Prayer is simply talking to God. Asking God for something or telling him about your situation is praying to God.**

**God wants a relationship with us one like we have with our parents, friends, family spouse. God wants a greater relationship with him than that.**

**Things happen when you pray forgiveness healing miracles all happen when you pray asking God and believing it will happen.**

**I see many things happen through prayer. God rescued me from a lot of hurt and pain, and he healed me of my wounds that were so excruciating for me. I wept cried of so much hurt. God heard me, and he removed the problem from my life. There is power in prayer and you must build your life up on prayer. God moves for those who love him.**

**When I was a kid, I saw a preacher who went to the church hours before Time to start. His name was Bro. Johnny Carroll. He went there and prayed hours and hours before service.**

**As a child, I would see things in the spirit not knowing what I was seeing then I heard, Bro. Johnny Carroll talk about angels and how they would give people messages in the Bible. I would see and pre-service prayer before church started Bro. Johnny Carroll, walking back and forth praying and I saw clear as a bell a man the glowing white he had wings that were huge and long. He was tall. He walked behind Bro. Johnny Carroll, with his hands on his shoulders, Bro Johnny Carroll prayed, I told my mother I said. There is an angel walking with Bro. Carroll.**

**Who is Bro. Johnny Carroll that an Angel would walk by him like that what manner of man is he? Let me tell you what kind of man he is. He is a man born of a woman few days in full of trouble. He's a man of clay and dirt formed in the hands of a Just God.**

**What I am saying, there is no difference in you or Bro. Johnny Carroll. But Bro. Carroll had a walk with God. He was a man of prayer. He had a relationship with God. He prayed eight hours a day. He fasted many many days. That's the difference. It's not who he is, but the manor of walk he had with a Mighty Great and Just God.**

**Bro. R.A. Hancock said. Much prayer much done little prayer little done no prayer nothing done.**

**If you need God to move and get things done for your good it's going to take more than just talking about what you need to happen prayer moves the hand that rules the world. When you pray it gets Gods attention and your faith sacrifice and fasting gives you the results of your request to God.**

**This can come not, but by prayer and fasting the depth of your prayer and the sacrifice of your fasting makes your dreams a reality.**

**I can tell you about prayer that God answered on my behalf it wasn't always yes sometimes it was no and many times it was not yet. But through prayer and tears, God took record and bottled up all those tears. He took record of my fasting, and he moved on my behalf, because of my dedication to prayer and fasting.**

**Acts chapter 10 talks about a man named Cornelius, who was a devout, man. He was dedicated to God. He was God-fearing. The Lord sent an angel to Cornelius, to tell him that his prayers and offerings came up as a memorial to God to another words. It moved God's hand. The man got God's attention by his prayer and his giving.**

**Cornelius had a life of prayer. He feared God and God gave him some instructions to do. He reached out to Peter a man of God. Meanwhile, Peter came to a city and went up to the house top to pray. As he prayed, he got hungry. Us preachers we love to eat, don't we. The Bible says as he made ready he went into a trance. He saw a great sheet with all manner of four legged beast file of the air and creeping thing, and God told peter to arise, kill and eat. Peter said, Lord, no unclean thing has ever went in my mouth. The Lord said what I have cleansed don't you say it's on unclean. Three times this happened and when Peter got the message, the Lord said go find Cornelius and you will tell him what he must do to be saved.**

**There were two versions from two people. One was a preacher, named Peter the other was a sinner named Cornelius both fear. God both were faithfully praying to God. Through their prayer God was able to speak to both Cornelius, who was a Gentile, and Peter, who was a Jew. Jesus, spoke to Peter to go preach to the Gentile and his family, so they could be saved.**

**When you pray to God you're stepping in a place that separates the natural to the supernatural god don't operate in the natural he operates in the supernatural his thoughts are not our thoughts his way as you're not on Waze but his Waze is perfect in my life God answers prayers in his tab and it works out better that way.**

**It is prayer or failure without prayer. There is no hope in your life like a car has to have gas to run without gas. Your car will die and won't run a car needs oil after a few miles. You got to get a oil change or your motor will blow up and die. In your Spiritual life has to run on prayer and fasting to keep your spiritual man alive and thriving.**

**When You stop praying your spiritual man slows down you starve' s God out of home you stop fasting your spiritual war gates weak, and you get very lost with no sense of direction.**

**Every saint's more so, pastors preachers, evangelist, prophets, and apostles. Hast to have a life of prayer a daily walk and dedication with God, taking the time to talk with him and get a closer relationship with God without doing this daily you get cold in God and comfortable in doing nothing it will cause you to walk away from church.**

**Prayer can do what God can do and God can do much more than whatever you ask him to do. God desires your friendship God desires to be close to you he loves you that much he died for you he bled for you wounded for your transgression the Bible says and Bruce for your iniquities the Bible says God cares more about you than you care about yourself. God loves you that much that he gave his life for you so that you could have a chance to be saved and all God wants you to come to him faithfully and boldly in prayer.**

**Matthew 21:22 KJV**

**And all things, whatsoever ye shall ask in prayer, believing, ye shall receive.**

**What do you need from God? God wants to give you your hearts desires, but you must ask him in prayer. Believing Bible said in all things whatsoever. You shall ask in prayer believing you shall receive it. God will love to give it to you but many people ask if they ask a miss because I asked with doubting they ask non-believing if they would only believe they will receive the request.**

**When people pray We expect God to do what we prayed for right then when he wants to do much much more exceeding abundantly above all, we can understand, or even imagine.**

**People reaching above your expected reward! That someone praying you get more then you asked God wants us to think bigger than we do and he wants us to take the limits off of him and ask him to do what he wants to do in our lives, and keep getting closer to him and as he opens the doors for you to walk in them, but keep praying keep building up your prayer life! What do you want to see God do?**

**The strongest soldiers weep on their knees in prayer, they are a part of Gods Mighty Army.**

**The most fearful thing to the devil is something he doesn't want to see happen and that is for the Whole Church to get on their knees and pray.and seek God and Fast and roar out to God making intercession before the throne of a almighty God!**
