An Excerpt Written by Bro. Martin Pina

### 1. The Mountain of SELF

- The crumbling mountain marked “SELF” represents pride, self-will, narcissism, and stubbornness. It looms tall but unstable.
- Above it, the throne of Christ radiates divine glory, showing that Jesus is above all carnal desire.

### 2. The Left Side – Influence of the World

- A man takes a selfie, unaware of the dark shadow behind him—symbolizing demonic influence or the unseen spiritual danger of vanity and pride.

- Floating around him are the logos of TikTok, Instagram, and YouTube—platforms often associated with self-promotion, distraction, and worldly validation.

- This part of the image depicts how social media becomes a mirror, not of truth, but of ego. The demonic cloud reveals the invisible manipulation behind it.

### 3. The Center – Baptism and Death to Self

- A young man kneels in the water, praying—symbolizing dying to the old man, repenting of sin.

- The Pastor, the shepherd, lays hands on him to baptize him in Jesus’ Name.

- The water flows from the mountain of “SELF” to the place of Acts 2:38 fulfillment — Repent, be baptized in Jesus’ name, and receive the gift of the Holy Ghost.

### 4. The Right Side – New Birth and Transformation

- Behind the Pastor are sheep, symbolizing new converts—no longer driven by self, but led by the Shepherd.

- The open Holy Bible and burning heart represent truth and love rooted in holiness and sacrifice.

- The pastor smiles—not in control, but under divine anointing—guiding the sheep away from destruction.

The Message:

“Verily I say unto you, Whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea... he shall have whatsoever he saith.” — Mark 11:23

This is that mountain: the mountain of SELF.

- Social media mirrors SELF, but the Word of God reveals TRUTH.
- The Acts 2:38 experience destroys the mountain of self and makes us new creatures.
- When we surrender to the Holy Ghost and submit to our Pastor, the sea of baptism becomes the grave of the old man.

### *Chapter 1:*

#### Understanding Self-Will and the Spirit of Self

Self-will is the inclination to prioritize our desires over God’s divine plan. Proverbs warns us, “There is a way that seems right to a man, but its end is the way to death.” This chapter will explore the consequences of self-will and how it leads us away from God’s best for our lives.

Fables and Illustrations: The Tale of the Two Wolves illustrates the internal battle we face between self-will and the will of God. The metaphor of the seed emphasizes how self-denial is necessary for spiritual growth.

## *Chapter 2:*

### The Necessity of the Baptism in the Holy Ghost and Fire with the evidence of speaking in tongues

The baptism in the Holy Ghost and fire is not merely an event; it is a continuous journey that every believer is called to experience. Acts 2:38-39 outlines the promise of the Holy Spirit for all believers and emphasizes the necessity of baptism in Jesus' name for the remission of sins. This chapter will highlight John 3:3-8, which teaches that to be born again of the water and the spirit is essential for salvation. We will also discuss the importance of seeking a deeper relationship with the Spirit and the necessity of being filled daily with the evidence of speaking in tongues.

Illustration: The River and the Well emphasizes the importance of a continuous flow of the Spirit in our lives.

## *Chapter 3:*

### Evidence of the Baptism in the Holy Ghost and Fire

The baptism in the Holy Ghost and fire is evidenced by the evidence of speaking in tongues, as seen in Acts 2, Acts 10, and Acts 19. This chapter will provide a thorough examination of these passages, illustrating how the evidence of speaking in tongues serves as a

powerful sign of the Spirit's work in our lives.

**Metaphorical Meaning:** The Fire of Pentecost represents purification, empowerment, and boldness in witnessing.

*Chapter 4:*  
The Fruits of the Spirit

The fruits of the Spirit are the characteristics that should define a believer's life. This chapter will explore each fruit in detail, providing insights into how they manifest in our daily actions and relationships.

*Chapter 5:*  
The Symptoms of Being Filled  
with the Spirit of Self

Identifying the symptoms of self-will is crucial for spiritual growth. This chapter will highlight the dangers of pride, discontentment, and conflict, urging readers to examine their hearts and align their lives with the Spirit.

**Fables:** The Story of the Frog in the Well serves as a metaphor for how self-will can limit our vision and understanding of God's greater plan.

## Conclusion

As we conclude this journey, we are reminded that being filled with the Holy Spirit through the baptism in the Holy Ghost and fire is not a one-time event but a lifelong pursuit. The evidence of speaking in tongues and the fruits of the Spirit should be evident in our lives as we seek to fulfill God's purpose. Let us strive to overcome self-will and embrace the transformative power of the Holy Spirit, allowing Him to guide and empower us every day.
